Introduction & Table of Contents

*It starts with* **MENIFEE** *KINDNESS · RESILIENCE · ENGAGEMENT*

### IT STARTS WITH MENIFEE

To celebrate and capture the **resilience**, **kindness** and **engagement** we've witnessed throughout one of the most trying times in our city's history, we're proud the Fiscal Year 2021/22 budget theme is centered around the:

**It Starts with MEnifee!**

community spirit. Despite all the challenges, our healthcare workers, businesses and residents have stepped up in ways that have made us all incredibly proud to call Menifee home. The collective can-do spirit I've witnessed in so many individuals throughout our city is a true testament to the strength of people helping people. It's been nothing short of astounding.

#### KINDNESS

Kindness is the sincere and voluntary use of one's time, talent, and resources to better the lives of others, one's own life, and the world through genuine acts of love, compassion, generosity, and service. **Kindness involves choice.**

#### RESILIENCE

Resilience is the ability of a system or organization to respond to or recover readily from a crisis, disruptive process. **Resilience is about advancing despite adversity.**

#### ENGAGEMENT

Engagement is working to make a difference in the civic life of one's community and developing the combination of knowledge, skills, values, and motivation to make that difference. **It means promoting the quality of life in a community.**
