Mr. Gilbert Marquez
Principal City Engineer
City of Carson

Final map (enclosed) has been reviewed and approved by Transtech Engineers for mathematical accuracy, survey analysis, title information, and for compliance with the Subdivision Map Act.

It is ready for your examination and certification as to compliance with the conditions of approval and applicable City ordinances. The City Council or Advisory Agency should make the findings required by the California Environmental Quality Act and the Subdivision Map Act.

After your approval and the approval of the City Council or Advisory Agency, and signatures completed by David Ragland signing on behalf of the City Engineer, City Treasurer and City

Clerk, the Mylar may be released to applicant / agent owner to complete recordation with Los Angeles County.

Applicant is required to provide copy of the recorded final map to the City.
