* Rebate Program participants receiving \$600 or more in rebates in a calendar year are required to receive an IRS Form 1099 unless exemptions apply. Rebate Program participants are responsible for all applicable taxes.

* Pre-qualification is required if total rebate amount is \$5,000 or more. See **Qualifications** section for details.

Qualifications

- Commercial rebates are not currently available to those served by the City of Bakersfield or City of Commerce water systems. If the top of your water bill includes the words “City of Bakersfield Water System” or “City of Commerce Water System,” then you are not currently eligible.
- Pre-qualification is required if total rebate amount is \$5,000 or more. Please contact the Cal Water Conservation Department at conservation@calwater.com to begin the pre-qualification process. Do not proceed with purchase and/or installation prior to receiving pre-qualification.
- Total rebates will not be issued for more than \$25,000 for any individual site in a calendar year. Cal Water may elect to waive the \$25,000 site limit on a case-by-case basis depending on available funding and other factors.
- Before applying for the rebate, applicant must purchase and install the smart irrigation controller(s), sprinkler nozzle(s), spray body(ies), and large rotary nozzle(s). These devices must be installed at a site served by California Water Service (Cal Water).
- Installation must be completed by a C-27 licensed contractor to be eligible for the spray body and large rotary nozzle Part B rebate.
- Applicant must submit a copy of the original sales receipt with the application.
- This offer only applies to qualified smart irrigation controller(s), sprinkler nozzle(s), spray body(ies), and large rotary nozzle(s) purchased and installed from July 1, 2020 through December 31, 2021, or until rebate program funds are depleted, whichever comes first.

Rebates are limited to a first-come, first-serve basis for up to:

- **Smart Irrigation Controller: \$25/station**
- **High-Efficiency Sprinkler Nozzle: \$5/nozzle**
- **Spray Body with Integrated Pressure Regulation and Check Valve: \$10/spray body (plus an additional \$8/spray body for installation or labor)**
- **Large Rotary Nozzle: \$30/nozzle (plus an additional \$8/nozzle for installation or labor)**

- Smart irrigation controllers must be EPA Watersense-labeled and on the qualified product list at www.calwater.com/rebates.
- High-efficiency sprinkler nozzles must be on the qualified product list at www.calwater.com/rebates.
- Spray bodies must be on the qualified product list at www.calwater.com/rebates.
- Large rotary nozzles must be on the qualified product list at www.calwater.com/rebates.
- The Cal Water account number must be for the location the smart irrigation controller(s), sprinkler nozzle(s), spray body(ies), and large rotary nozzle(s) are installed.
- Rebates are limited to one program. Customers cannot apply for the same rebate under multiple rebate programs.
- Do not submit final application prior to installation. Rebate will only be issued after installation.
- Cal Water reserves the right to verify customer eligibility, proof of purchase, and installation. If access to verify is denied, rebate will be voided.
- Offer is void where prohibited or restricted by law.
- Rebate offerings, amounts, and qualifications may change without notice.

Please Note

- Incomplete applications cannot be processed.
- Rebates will only be paid for up to the original purchase price of the device(s). This does not include tax, shipping, or installation.
- Cal Water is not responsible for lost items or delays in the mail, or any remittance delayed because of incorrect or incomplete applications.

Mail completed application and proof of purchase (sales receipt) to:

Cal Water Rebate Program
2632 W. 237th Street
Torrance, CA 90505

- **Please allow six to eight weeks for remittance of your rebate check. If your check has not been received after eight weeks or you have any questions, please contact the Cal Water Conservation Department at conservation@calwater.com or call (844) 207-1313.**

I certify that these smart irrigation controller(s), sprinkler nozzle(s), spray body(ies), and/or large rotary nozzle(s) were purchased new at retail price and not for resale. I agree that Cal Water may verify the sale, delivery, and installation of the device(s). I understand that Cal Water does not warrant any smart irrigation controller, sprinkler nozzle, spray body, and/or large rotary nozzle to be free of defects or warrant the quality of the workmanship, and that Cal Water is not responsible for the suitability of the premise for smart irrigation controller, sprinkler nozzle, spray body, and/or large rotary nozzle installation. I further agree to hold harmless Cal Water, its directors, officers, and employees against all loss, damages, expense, and liability resulting from the loss, destruction, or damage to property arising out of, or in any way connected to, the installation of the smart irrigation controller(s), sprinkler nozzle(s), spray body(ies), and/or large rotary nozzle(s). I have read, understand, and agree to the terms and conditions of the rebate program, including "Qualifications" and "Please Note" sections of this application.
