\* Service Levels Schedule is an ESTIMATE only for the City's reference, estimated based on 11 months of actual invoices from July 2022 to May 2023 and estimated usage for the remaining 1 month (based on actual usage data from June 2022). City is liable for actual costs.

\*\* Rates are recalculated annually based on prior actual costs; this rate projection was based on the cost of providing services in FY 2022-23. In addition, the allocation of costs for Alternatives to Care Center Admissions are adjusted annually based on actual time spent on each activity type.

**Note 1:** Special Care/Observation costs are billed at a flat per impound rate. If the animal's stay exceeds the length of stay captured in the flat rate, a daily rate will be charged for any remaining days. Legal Hold animals are held in accordance with applicable statutory guidelines and/or at the sole and absolute discretion of the Department, based on pending or anticipated criminal, civil, or administrative action.
