Dear Mrs. O'Brien:

We have completed our review of Lokou Ole Ola's application to operate a fireworks stand for the July 2016 fireworks season. Upon review of your application, we found that church services are being conducted at a residence located at 24009 Marbella Avenue.

Pursuant to Carson Municipal Code Section 9121.1 (see attached), residential structures are not permitted as churches within a RS (residential) Zone. Therefore, Lokou Ole Ola is hereby ineligible to operate a fireworks stand this year.

Should you have questions regarding the fireworks requirements, please contact the Revenue Division staff at (310) 952-1748.

Sincerely,

Boris Sztorch
