1. SB 165: LOCAL AGENCY SPECIAL TAX AND BOND ACCOUNTABILITY ACT

Senate Bill 165, filed with the Secretary of State on September 19, 2000, enacted the Local Agency Special Tax and Bond Accountability Act (the “Act”). This Act requires that any local special tax or local bond measure subject to voter approval contain a statement indicating the specific purposes of the special tax, require that the proceeds of the special tax be applied to those purposes, require the creation of an account into which the proceeds shall be deposited, and require an annual report containing specified information concerning the use of the proceeds. The Act only applies to any local special tax measure or local bond measure adopted on or after January 1, 2001, in accordance with Section 50075.1 of the California Government Code.

Some of the requirements of the Act are handled at the formation of the Special Tax District and others are handled through annual reports. This Section of this report intends to comply with Sections 50075.3 of the California Government Code that states:

“The chief fiscal officer of the issuing local agency shall file a report with its governing body no later than January 1, 2002, and at least once a year thereafter. The annual report shall contain both of the following:

1. The amount of funds collected and expended.
2. The status of any project required or authorized to be funded as identified in subdivision (a) of Section 50075.1.”

The requirements of the Act apply to the Funds for the following:

"Acreage" or "Acre" means that acreage shown on the Assessor's Parcel Map or in the Assessor's Data for each Assessor's Parcel. In the event that the Assessor's Parcel Map or Assessor's Data shows no acreage, the Acreage for any Assessor's Parcel shall be determined by the District Administrator based upon the applicable condominium plan, final map or parcel map. Administrative Expenses shall also include costs related to the formation of the District and of annexing territory to the District as well as any amounts advanced by the City for any administrative purposes of the District and an allocable share of the salaries of City staff and an allocable portion of City overhead costs relating to the foregoing, or costs of the City in any way related to the establishment or administration of the District.

"Annual Services Costs" means the amounts required to fund services authorized to be funded by the District.

"Annual Special Tax Requirement" means that amount with respect to the District determined by the Council or designee as required in any Fiscal Year to pay: (1) the Administrative Expenses, (2) the Annual Services Costs for each Tax Zone, (3) any amount required to establish or replenish any reserve or replacement fund established in connection with the District, and (4) reasonably anticipated delinquent Special Taxes based on the delinquency rate for Special Taxes levied in the previous Fiscal Year.

“Non-Residential Property” means all Developed Property that is not used for people to live in, and does not include Public Property.

“Single Family Attached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a building permit or use permit was issued for construction of a residential structure consisting of two or more Units that share common walls, have separate Assessor’s Parcel Numbers assigned to them (except for a duplex triplex, or fourplex unit, which may share a Parcel with another duplex, triplex or fourplex Unit(s)), and may be purchased by individual homebuyers (which shall still be the case even if the Units are purchased and subsequently offered for rent by the owner of the Unit), including such residential structures that meet the statutory definition of a condominium project contained in Civil Code Section 4125.

“Single Family Detached Property” means, in any Fiscal Year, all Parcels of Developed Property for which a building permit was issued for construction of a Unit that does not share a common wall with another Unit.

“Special Tax” means the amount levied in each Fiscal Year on each Assessor’s Parcel of Taxable Property to fund the Annual Special Tax Requirement.

The Assessor’s Parcels included within a new Tax Zone when such Parcels are annexed to the District shall be identified by Assessor’s Parcel number in the Unanimous Approval Form that is signed by the owner(s) of the Parcels at the time of annexation, or any proceeding for annexation to the District.

“Taxable Property” means all Parcels within the boundary of the District that are not Exempt Property, exempt from the Special Tax pursuant to the Act or Section V below.

“Unanimous Approval Form” means that form executed by the record owner of fee title to a Parcel or Parcels of Taxable Property annexed into the District that constitutes the property owners approval and unanimous vote in favor of annexing into the District and the levy of Special Tax against his/her Parcel or Parcels pursuant to this Rate and Method of Apportionment of Special Tax.

“Undeveloped Property” means all Parcels of Taxable Property that are not Developed Property.

“Unit” means an individual single family detached or attached home, townhome, condominium, apartment, or other residential dwelling unit, including each separate living area within a half-plex, duplex, triplex, fourplex, or other residential structure. An Accessory Unit that shares a Parcel with a Unit of Single Family Detached Property shall not be considered a separate Unit for purposes of calculating the Special Tax.

II. DETERMINATION OF TAXABLE PARCELS

On or about July 1 of each Fiscal Year, the District Administrator shall determine the valid Assessor’s Parcel Numbers for all Taxable Property within the District. If any Assessor’s Parcel Numbers are no longer valid from the previous Fiscal Year, the District Administrator shall determine the new Assessor’s Parcel Number or Numbers that are in effect for the current Fiscal Year. To the extent a Parcel or Parcels of Taxable Property are subdivided, consolidated or otherwise reconfigured, the Special Tax rates shall be assigned to the new Assessor’s Parcels pursuant to Section III. The District Administrator shall also determine: (i) the Tax Zone within which each Parcel is located; (ii) which Parcels are Developed Property; (iii) the Acreage or number of Units each Parcel contains; and (iv) the Annual Special Tax Requirement for the Fiscal Year.

III. ANNUAL SPECIAL TAX - METHOD OF APPORTIONMENT

All Taxable Property shall be subject to a Special Tax defined as follows.

The Special Tax shall be levied each Fiscal Year by the District Administrator. The Annual Special Tax Requirement shall be apportioned to each Parcel of Taxable Property within the District by the method shown below.

- First. Determine the Annual Special Tax Requirement.
- Second. Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the Maximum Special Tax Rate described in Table 1 below to satisfy the Annual Special Tax Requirement.

TABLE 1
SPECIAL TAX RATES – TAX ZONE NO. 1
FISCAL YEAR 2018/19*

Property Type	Maximum Special Tax Rate	Per	Expected Special Tax Revenue
Non-Residential Property	\$1,971.51	Acre	\$9,189.21

**On each July 1, commencing on July 1, 2019, the Maximum Special Tax Rate for each Tax Zone shall be increased by the percentage change in the November annualized Consumer Price Index for Los Angeles-Long Beach-Anaheim for all Urban Consumers, the Tax Escalation Factor for Tax Zone No. 1.*

Should the total revenue for Tax Zone No. 1 not be fully realized when all Parcels in Tax Zone No. 1 are classified as Developed Property, the Special Tax rate per Acre shall be adjusted so that the Special Tax per Acre is sufficient to generate the total Expected Special Tax Revenue for Tax Zone No. 1, adjusted annually by the Tax Escalation Factor. The Maximum Special Tax Rate shall be the greater of the Maximum Special Tax Rate shown in Table 1, adjusted annually by the Tax Escalation Factor or the Special Tax Rate calculated to generate the total Expected Special Tax Revenue for Tax Zone No. 1, adjusted annually by the Tax Escalation Factor.

If a building permit has been issued after June 1 of the preceding Fiscal Year, the City may directly bill to meet the Annual Special Tax Requirement, as prorated based on the date the building permit is issued and the end of the Fiscal Year.

A different Maximum Special Tax Rate may be identified in Tax Zones added to the District as a result of future annexations.

IV. FORMULA FOR PREPAYMENT OF SPECIAL TAX OBLIGATIONS

The Special Tax may not be prepaid.

V. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Taxes shall be levied on (i) Public Property, (ii) Association Property, (iii) Assessor's Parcels with public or utility easements making impractical their utilization for any use other than the purposes set forth in the easement, or (iv) except as otherwise provided in Sections 53317.3 and 53317.5 of the Act.

VI. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The City reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Special Tax. In addition, the interpretation and application of any section of this document shall be at the City's discretion. Interpretations may be made by the City by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

VII. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the City may directly bill the Special Tax, may collect the Special Tax at a different time or in a different manner if needed to meet the financial obligations of the District, and may collect delinquent Special Taxes through foreclosure or other available methods.

A Special Tax shall continue to be levied and collected within the District, as needed to fund the Annual Special Tax Requirement, in perpetuity.

VIII. APPEAL OF SPECIAL TAX LEVY

Any property owner may file a written appeal of the Special Tax with the District Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than one calendar year after having paid the Special Taxes that are disputed, and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Taxes are in error. The District Administrator shall review the appeal, meet with the appellant if the District Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the District Administrator's decision relative to the appeal, the owner may then file a written appeal with the City Council whose subsequent decision shall be final and binding on all interested parties. If the decision of the District Administrator or subsequent decision by the City Council requires the Special Taxes to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Taxes, but an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.
