

AMENDMENT NO. 2

TO AGREEMENT FOR CONTRACT SERVICES

THIS AMENDMENT TO THE AGREEMENT FOR CONTRACT SERVICES (“Amendment No. 2”) by and between the CITY OF CARSON, a California municipal corporation (“City”) and DUDEK, a California corporation (“Consultant”), is effective as of the ___ day of _____, 2020.

RECITALS

A. City and Consultant entered into that certain Agreement for Contractual Services dated October 18, 2016 (“Agreement”) whereby Consultant agreed to provide on-call environmental consulting services for a three-year term and a contract sum not-to-exceed \$750,000 for all three years, \$250,000 annually, with City options to extend the term for up to two additional one-year periods.

B. Effective October 1, 2019, City and Consultant entered into Amendment No. 1 to the Agreement to: (1) exercise the City’s first one-year option to extend the Term of the Agreement so that the Term continues until October 18, 2020; (2) increase the Contract Sum by \$250,000, for a not-to-exceed amount of \$1,000,000; and (3) clarify that Section III of Exhibit “C,” “Schedule of Compensation,” is not applicable to the Agreement because the 10 % retention requirement is not applicable to on-call services.

C. The high volume of development projects in the City necessitates the continued use of Consultant’s on-call environmental consulting services to ensure development projects comply with CEQA requirements.

D. Over the first four years of the term of the Agreement, the annual not-to-exceed \$250,000 component of the Contract Sum was generally a fair estimate of the annual compensation to be paid to Consultant. However, due to the fluctuations in the cost to the City in any given year, the restrictions of the annual not-to-exceed \$250,000 amount create difficulties in administering the Agreement. Additionally, the City desires to exercise its second one-year option to extend the Term of the Agreement, and anticipates the potential that the City’s demand for Consultant’s on-call environmental consulting services during the second one-year extension period could cause the compensation for said period to exceed \$250,000. These considerations necessitate an increase of \$350,000 to the Contract Sum in connection with the exercise of the City’s second option to extend the Term.

E. Accordingly, City and Consultant now desire to amend the Agreement a second time, to: (1) exercise the City’s second one-year option to extend the Term of the Agreement so that the Agreement expires on October 18, 2021; (2) increase the Contract Sum by \$350,000, for a total not-to-exceed amount of \$1,350,000, to enable the City to continue to use Consultant’s on-call environmental consulting services until October 18, 2021; and (3) eliminate the annual not-to-exceed amount of \$250,000.
