

# Public Safety/Emergency Services Projects

<b>Project Name</b>	<b>Comprehensive Camera Coverage: City Facilities and Parks</b>
<b>Service Provider</b>	Johnson Controls
<b>Summary</b>	The Public Safety department is spearheading an initiative to implement video surveillance camera systems across all City and Park facilities. This proactive measure aims to discourage criminal activities and capture video evidence of any unlawful incidents. The objective is to enhance safety by reducing criminal incidents, creating a secure environment for both residents and park users.
<b>Update</b>	Video Surveillance and Access Control Systems have been placed at several parks. The Team is working on a compressed schedule to replace current existing systems with a consistent, unified, and expandable solution.

<b>Project Name</b>	<b>Citywide Fire Alarm Repairs and Enhancements</b>
<b>Service Provider</b>	West Coast Fire & Integration
<b>Summary</b>	July 5, 2022, Council approved the West Coast Fire & Integration contract for maintenance and monitoring services for all city fire systems from July 1, 2022, to June 30, 2027. Enhancing fire detection and safety for all facility users.
<b>Update</b>	City personnel are collaborating with the vendor to address necessary improvements. The staff is concurrently in the process of enhancing all fire systems within the city and is also in the final phase of the integration of LFS systems with the new HVAC systems located in the basement and IT Room.

<b>Project Name</b>	<b>Public Safety/Emergency Services Community Initiatives</b>
<b>Service Provider</b>	Public Safety/Emergency Services Department
<b>Summary</b>	Public Safety and Emergency Services Community Initiatives encompass a range of proactive efforts aimed at fostering safer and more resilient community. These initiatives typically involve engagement with the public, educational programs, and collaborative events. They focus on building positive relationships between law enforcement, emergency services personnel, and the community, ultimately enhancing preparedness and trust. Examples include public education on safety measures, community outreach events, and meetings to empower local leaders. Such initiatives are pivotal in strengthening the overall safety and well-being of a community.
<b>Update</b>	Public Safety is currently hosting several events this summer focused on safety and emergency preparedness.  <b>Catalytic Converter Etching Event</b> Date: Saturday, July 13 Partner: Sheriff's Station Details: This is a free etching event aimed at mitigating catalytic converter thefts. Carson Hyundai will be on-site to register applicable Hyundai vehicle owners for an upgrade to the OEM Hyundai burglar alarm and anti-theft ignition start system. Reservations are required.  To Sign Up: Email: <a href="mailto:Carsoncomrel@Lasd.org">Carsoncomrel@Lasd.org</a> Call: Sgt. Hernandez at 310-847-8386

	<p><b>Community Emergency Response Team (CERT) Classes</b></p> <p>Hosted By: County of Los Angeles Fire Department</p> <p>Dates: August 2-4, 2024 (three consecutive days)</p> <p>Details: This in-person training prepares residents for immediate first aid and life-sustaining needs in the aftermath of a major disaster, when first responders may be overwhelmed. The CERT program provides basic training in safety and life-saving skills, following standards set by the Federal Emergency Management Agency (FEMA).</p> <p>For More Information: Email: <a href="mailto:carsoncert@carsonca.gov">carsoncert@carsonca.gov</a></p>

<b>Project Name</b>	<b>Enhancing Traffic Safety: Analysis of Accident Reduction and LPR Camera Deployment</b>
<b>Service Provider</b>	Motorola Solutions
<b>Summary</b>	<p>The consultant will supply the city with the most up-to-date version of the L-Series Rapidly Deployable Solar Powered Camera. This camera system, known as an Automatic License Plate Recognition (LPR) camera, will assist the City, in collaboration with the Los Angeles County Sheriff's Department, in capturing essential investigative information and enhancing the safety of its residents. These cameras will be strategically positioned in specific locations throughout the city, including public rights of way and entrances to city facilities.</p> <p>The LPR system will collect comprehensive vehicle data, including make, model, color, and speed, both during daytime and nighttime conditions. The City's Public Safety department is working in partnership with LASD and Public Works to decrease traffic accidents within the city. Staff members have created data maps, and the Traffic Engineering Division will assess these maps to identify any recurring patterns and make infrastructure adjustments as necessary.</p>
<b>Update</b>	LPR installation is finished across designated city locations. Phase two, commencing soon, involves evaluating additional new sites.

<b>Project Name</b>	<b>Upgrading Radio Systems Project</b>
<b>Service Provider</b>	Mission Critical Information Systems
<b>Summary</b>	<p>In 2021, the City Council granted approval for the 'Radio Upgrade Project,' which allocated funds for the procurement of radios, radio equipment, batteries, and chargers necessary for transitioning the City from its UHF radio system to the Los Angeles Regional Interoperability Communication System (LA-RICS). Subsequently, the City Council sanctioned a contract with Mission Critical Information Systems to oversee the installation and programming, thus marking the successful completion of Phase 2 of the project. In September 2022, the City of Carson formalized a Hold Harmless Agreement with LA-RICS, granting the city the privilege of utilizing the platform.</p>
<b>Update</b>	Distribution of additional mobile radios has been completed amongst several departments. The Motorola APX4500 mobile radios have been delivered, and the assembly of two SmartPTT racks at both City Hall and the Corporate Yard is underway. Additionally, the installation of antennas and lines at the City Yard is currently in progress.

<b>Project Name</b>	<b>Hazard Mitigation Plan Update</b>
<b>Service Provider</b>	Witt O' Brien's
<b>Summary</b>	FEMA mandates a Hazard Mitigation Plan (HMP) update every five years for all jurisdictions. The city's second update, however, is currently overdue. This plan serves to identify potential natural and human-induced hazards that the city may face vulnerability to and outlines strategies for mitigating or reducing risks associated with such incidents and events.
<b>Update</b>	A preliminary version of the Hazard Mitigation Plan (HMP) has been released. The planning team has conducted an internal review. The HMP Town Hall and Committee meeting will be held 6/27 at 6:00 p.m. to evaluate the draft and gather public feedback. For more information, please email <a href="mailto:publicsafetydepartment.carsonca.gov">publicsafetydepartment.carsonca.gov</a>

<b>Project Name</b>	<b>Basement/Emergency Operations Center (EOC) Upgrade Project</b>
<b>Service Provider</b>	Westberg + White, GM Interiors, Johnson Controls
<b>Summary</b>	The project is currently in its planning phase. Initially, the project scope only covered the upgrade of the Emergency Operations Center (EOC). However, during the planning phase, it became evident that the Public Safety, Information Technology, and Emergency Services sectors could also derive substantial benefits from the upgrade. As a result, the revised scope of work encompasses upgrades for all four areas.
<b>Update</b>	The basement renovations are still on track. The Request for Proposal (RFP) process has concluded, and our internal team is now diligently working to select a contractor for the project. This critical step will allow us to move forward to the next phase of the renovations, ensuring that we meet our timelines and quality standards.

<b>Project Name</b>	<b>Organizational Resilience: Internal Emergency Management Training</b>
<b>Service Provider</b>	Westward Disaster
<b>Summary</b>	The city is responsible for the operation and management of its Emergency Operations Center (EOC), with the aim of enhancing preparedness, response, and recovery capabilities for emergencies and large-scale events. The consultant will furnish subject matter experts and instructors to aid in the creation and execution of a tailored EOC training program for city department staff.
<b>Update</b>	Our Emergency Operations Center (EOC) Awareness Course took place on April 18th and received overall positive feedback. The course was a success and brings our city and leadership one step closer to being prepared for the next emergency. Next, Westward and the City of Carson will be working on the upcoming EOC role-specific training.
