Petition:

Coach Don Martinez has coached **consecutively for 38 years** in the City of Carson. This year he will be retiring (but we all know he will continue to coach from the sidelines lol).

He has been a coach, mentor, and extended family to many in our community. He has dedicated his life to help create memories, lessons, and bonds that will forever remain instilled in the hearts and minds of people he has had the privilege to coach and befriend along his journey.

Help us cement his legacy by signing this petition to rename Diamond #1 @ Veterans Park thee Don Martinez Field. We thank each and everyone of you for your support!
