City of Carson Small Business Grant Program

The City of Carson has developed a Small Business Grant Program which is designed to contribute to the overall economic health of City. The Program features grants with of **up to \$25,000** to assist businesses in the City of Carson based on the guidelines below.

- Businesses are required to state their number of full-time equivalent employees. No business with more than 50 full-time equivalent employees is eligible for this program and those with 20 or fewer employees will have preference.
- How long the company has been in business in Carson shall be a consideration and factored into the scoring.
- Bonus points be awarded for business owners belonging to underserved small business groups. “Underserved small business groups” includes women, minorities (people of color), or veteran-owned businesses where the majority (at least 51 percent) of the business is owned and run on a daily basis by said group(s).
- Award Determination Scoring Matrix. Using the criteria from the previous section, the City could develop a scoring matrix that assigns a score based on the type of business in the City and how affected it was by COVID-19, with bonus points for other key factors.
