

City Manager

THE COMMUNITY

The City of Carson was incorporated in 1968 and is the youngest municipality in the South Bay region of Metropolitan Los Angeles. The City spans approximately 20 square miles and has vast City-owned open space ripe with opportunity growth and new development. With a population of approximately 100,000, Carson has grown from an agricultural and industrial area to a bustling, vibrant, diverse city. With close proximity to major freeways, Long Beach and Los Angeles airports, the Port of Long Beach, and major universities including Cal State Dominguez Hills in the Carson-city limits, the community is regionally significant. Carson is a leading destination for locals and travelers alike with attractions like the Goodyear Blimp, the Stub Hub Sports Center which features exciting sporting events, the new Porsche Driving Experience Center with its own museum Four-Star restaurant. The Rancho Dominguez Adobe features historical re-enactments for history buffs. The City of Carson is business friendly with the motto of "Future Unlimited". The community looks forward to its new 46-acre high-end fashion mall and other projects which will move Carson to become a first class, 21st century community - a destination where residents can live, work, and play.

THE ORGANIZATION

The City of Carson has a Council-City Manager form of government. Carson has a directly elected Mayor, who serves a four year term and four Councilmembers, who are elected at large. Councilmember terms are staggered, with elections every two years.

The City Council appoints a City Manager to serve as the chief administrative officer of the City. The City Manager acts as the chief advisor to the City Council; implements City Council decisions; acts as liaison between City Council and other agencies; and directs and coordinates the City resources and workgroups. The City's resources are administered by the City Manager and have been organized around eight departments: City Manager, Public Works, Finance, Human Resources, Community Development, Community Services, City Clerk and City Treasurer.

THE POSITION

The City Manager is the Chief Executive Officer of the City, responsible for planning, directing, and managing all activities and operations of the City of Carson, ensuring that all public services are delivered in an efficient and effective manner. The City Manager is responsible for coordinating City activities with other agencies and organizations; facilitating the development and implementation of City goals and objectives; implementing policy decisions made by the City Council; and providing highly complex administrative support to the City Council.

The Office of the City Manager is responsible for a wide range of activities, including managing and directing budget and operations, facilities and asset management,

public safety, economic development initiatives, legislative analysis, intergovernmental relations, grant administration, employee relations and strategic planning.

OPPORTUNITIES AND PRIORTIES

- » Enhance opportunities for private development and economic growth by working collaboratively with City Council and other departments to review planning and zoning regulations, assessing commercial, business and housing opportunities as well as economic development projects.
- » Utilize technology to improve community access and customer service while improving business processes, practices and communication.
- » Pursue grants and other revenue to improve infrastructure and create fiscal stability and financial health.
- » Promote a culture of learning and communication to promote the City's image of positive diversity and culture, a solid workforce, an ideal location and opportunity for future investment into the community.
- » Continue to enhance team building, interdepartmental collaboration and a positive, high-performing working environment.
- » Finalize the General Plan.

THE IDEAL CANDIDATE

The ideal candidate will be a visionary, strategic and high-energy leader who can work with city council, staff, and key stakeholders to achieve economic growth and improve quality of life for the community. The successful candidate will have well-rounded skills in all facets of public sector governance, a proven track record in successful community development, and a solid financial acumen. The ideal candidate

leads by setting a positive example of being proactive and organized; provides clear and consistent direction and can assess talent, mentor and develop a team-oriented working environment. Excellent communication and interpersonal skills are required to manage the City as it moves to improve its infrastructure, promote new and upscale business ventures, and build and maintain effective and collaborative relationships with regional and national business partners.

KEY ATTRIBUTES AND CHARACTERISTICS

- » An individual with the highest personal and professional integrity.
- » The ability to deliver information and comprehensive research to City Council in a balanced and unbiased manner. Provide options and solutions with different sides to an issue with strengths, weaknesses, opportunities and risks for each alternative.
- » Must be politically astute, while remaining apolitical.
- » An entrepreneurial mindset with the ability to work effectively with business leaders, developers and elected officials.
- » A strong leader able to use sound judgement, wisdom and maintain flexibility.
- » A solid, optimistic leader and role model with a positive presence; demonstrate initiative, be action-oriented, treat others with respect, be collaborative and approachable.
- » A demonstrated record of accomplishment in the development and maintenance of strong customer service in the delivery of public services.
- » A listener.
- » A good sense of humor.

QUALIFICATIONS AND REQUIREMENTS

- » Bachelor's degree in public administration, business, or related subject. An advanced degree preferred.
- » A minimum of ten (10) years of administrative and executive experience in public sector employment. Some private sector business experience is ideal.
- » A minimum of five (5) years in a management or leadership capacity with a county or city government organization.
- » Demonstrated experience directing economic and community development, experience directing a budget, and other administrative functions in a public-sector environment.
- » Proven ability to effectively communicate with public officials, business representatives, civic groups, residents, and other stakeholders.
