AMENDMENT NO. 1

TO CONTRACT SERVICES AGREEMENT

THIS AMENDMENT TO CONTRACT SERVICES AGREEMENT ("Amendment") by and between the City of Carson, a California municipal corporation ("City") and Petrochem Materials Innovation, LLC, a Nevada limited liability company ("Contractor"), is effective as of the 16th day of July, 2024. City and Contractor are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

- A. City and Contractor entered into that certain Contract Services Agreement dated August 23, 2022 ("Agreement") whereby Contractor agreed to provide annual citywide slurry seal services requiring, among other things, installation of Type II Central Mix REAS ("Project"), for a Contract Sum not to exceed \$2,733,266.25.
- B. The Parties entered into the Agreement after the City Council awarded the contract for the Project to Contractor while also approving a 15% contingency in the amount of \$409,989.94 to allow for change orders and any unforeseen construction work such as material testing and other work that may be necessary to complete the Project. The Agreement permits the City's Contract Officer to approve change orders for an increase in amount of up to ten percent (10%) of the Contract Sum or \$25,000, whichever is less.
- C. Now the Parties seek to enter into this Amendment to authorize the City's Contract Officer to approve change orders in an amount that is aligned with the total amount of contingency approved by the City Council (i.e., \$409,989.94).
