

ORDINANCE NO. 16-1602

AN ORDINANCE OF THE CITY OF CARSON, CALIFORNIA, ADOPTING A TEXT AMENDMENT TO THE ZONING ORDINANCE, AMENDING PART 3 (COMMERCIAL ZONES) OF CHAPTER 1 (ZONING), AMENDING SECTION 9131.1 (USES PERMITTED) OF PART 3 (COMMERCIAL ZONES), AMENDING SUBDIVISION (B) OF SECTION 9136.7 (SIGNS) OF DIVISION 6 (SITE DEVELOPMENT STANDARDS) OF PART 3 (COMMERCIAL ZONES), AMENDING SECTION 9138.12 (AUTOMOBILE SERVICE STATION) OF DIVISION 8 (SPECIAL REQUIREMENTS FOR CERTAIN USES), AMENDING SECTION 9138.13 (AUTOMOBILE LAUNDRIES) OF DIVISION 8 (SPECIAL REQUIREMENTS FOR CERTAIN USES), AMENDING SECTION 9138.14 (MISCELLANEOUS RETAIL PETROLEUM OUTLETS) OF DIVISION 8 (SPECIAL REQUIREMENTS FOR CERTAIN USES), AMENDING SECTION 9141.1 (USES PERMITTED) OF PART 4 (INDUSTRIAL ZONES), AMENDING SUBDIVISION (B) OF SECTION 9146.7 (SIGNS) OF DIVISION 6 (SITE DEVELOPMENT STANDARDS) OF PART 4 (INDUSTRIAL ZONES), AMENDING SECTION 9148.3 (MISCELLANEOUS RETAIL PETROLEUM OUTLETS) OF DIVISION 6 (SITE DEVELOPMENT STANDARDS) OF PART 4 (INDUSTRIAL ZONES), ADDING SECTION 9182.44 (NONCONFORMITY FOR CONVENIENCE STORES) OF DIVISION 2 (NONCONFORMITIES) OF PART 8 (IMPLEMENTATION PROVISIONS) OF CHAPTER 1 (ZONING) OF ARTICLE IX (PLANNING AND ZONING) OF THE CARSON MUNICIPAL CODE, ADDING SECTION 9182.45 (NONCONFORMITY FOR AUTOMOBILE SERVICE STATIONS) OF DIVISION 2 (NONCONFORMITIES) OF PART 8 (IMPLEMENTATION PROVISIONS) OF CHAPTER 1 (ZONING) OF ARTICLE IX (PLANNING AND ZONING) OF THE CARSON MUNICIPAL CODE, AMENDING PART 9 (DEFINITIONS) OF CHAPTER 1 (ZONING) OF ARTICLE IX (PLANNING AND ZONING) OF THE CARSON MUNICIPAL CODE, AND AMENDING SECTION 9190 (DEFINITIONS), OF CHAPTER 1 (ZONING) OF ARTICLE IX (PLANNING AND ZONING) OF THE CARSON MUNICIPAL CODE REGARDING CONVENIENCE STORES AND AUTOMOBILE SERVICE STATIONS

WHEREAS, the California Constitution grants local governments in Article XI, Section 7 the authority under their police powers to regulate land use; and

WHEREAS, on December 15, 2015, the City enacted Ordinance No. 15-1574U, a moratorium on the establishment and expansion of stand-alone convenience stores, to allow the City to review thoroughly and adequately review, study, and revise the City's laws, rules, procedures, and fees related to standalone convenience stores without associated gasoline sales, as well as to enable the City to adequately and appropriately balance the rights of existing operators and future applicants who wish to establish or expand to stand-alone convenience stores on the one hand, with the preservation of the health, safety, and welfare of the

communities in the City of Carson on the other hand. Ordinance No. 15-1574U expires on November 17, 2016; and

WHEREAS, on January 19, 2016, the City enacted Ordinance No. 15-1577U, a moratorium on the establishment and expansion of convenience stores with associated gasoline sales, to allow the City to review thoroughly and adequately review, study, and revise the City's laws, rules, procedures, and fees related to convenience stores with associated gasoline sales, as well as to enable the City to adequately and appropriately balance the rights of existing operators and future applicants who wish to establish or expand to stand-alone convenience stores on the one hand, with the preservation of the health, safety, and welfare of the communities in the City of Carson on the other hand. Ordinance No. 15-1577U expires on December 15, 2016; and

WHEREAS, the Zoning Code does not have specific provisions governing the location and operation of convenience stores with associated gasoline sales or stand-alone convenience stores; and

WHEREAS, through its analysis of convenience stores with associated gasoline sales and stand-alone convenience stores, the City determined that it is appropriate to establish distinctions between convenience stores and automobile service stations (gasoline sales); and

WHEREAS, through its analysis of convenience store and impacts on the community, the City developed standards to regulate minimum lot size, separation requirement, hours of operation, parking, and signage; and

WHEREAS, through its analysis of convenience store and impacts on the community, the City developed standards to regulate minimum lot size, separation requirement, hours of operation, parking, and signage; and

WHEREAS, the proposed ordinance is consistent with General Plan Policy LU-6.7 to attract land uses that generate revenue to the City of Carson, while maintaining a balance of other community needs such as housing, open space, and public facilities. Convenience stores provide goods that meet the needs of the community and generate revenue to the City; and

WHEREAS, the proposed ordinance is consistent with General Plan Policy LU-7.1 to review and amend if necessary, the City's Zoning Ordinance to ensure the compatibility of uses allowed within each zoning district. The proposed amendment establishes a use classification for Convenience Stores along with design standards to ensure the compatibility of Convenience Stores allowed within each zoning district; and

WHEREAS, the proposed ordinance is consistent with General Plan Policy LU-13.1 to promote a rhythmic and ceremonial streetscape along the city's arterial roadways. The proposed amendment to signage is intended to reduce visual clutter, achieve a balance between overall streetscape consistency while encouraging business identity; and

WHEREAS, the proposed ordinance, is consistent with the following Specific Plans: 1, 2, 3, 4, 6, 7, 10, 12, and 13 as these Specific Plans do not impose any development standards that are inconsistent with this ordinance; and

WHEREAS, pursuant to Section 15060(c)(2), the proposed Zoning Ordinance amendment is not subject to the California Environmental Quality Act (CEQA) since the activity will not result in direct or reasonable foreseeable indirect physical change in the environment; and

WHEREAS, on August 23, 2016, the Planning Commission held a public hearing to discuss an ordinance amendment to the CMC regarding convenience stores, which at the conclusion of said public hearing, the Planning Commission recommended to the City Council approval of said ordinance amendment; and

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, DOES HEREBY ORDAIN AS FOLLOWS:

Section 3. Subdivision (B) of Section 9136.7 (Signs) of Division 6 (Site Development Standards) of Part 3 (Commercial Zones) of Chapter 1 (Zoning) of Article IX (Planning and Zoning) of the Carson Municipal Code is hereby amended as follows:

B. Business signs are permitted, subject to the following:

1. All business signs and sign structures shall be permitted in conformance with development plans which have been approved pursuant to the Site Plan and Design Review procedures (including the number of signs and sign structures to be permitted) as provided in CMC 9172.23. All signs and sign structures shall also comply with the minimum requirements, as outlined in this Section of the Zoning Ordinance. (Ord. 89-873, § 2)

2. The total sign area per lot shall not exceed an area in square feet equal to two (2) times the linear feet of lot frontage on a public street or streets. Window signage shall not exceed 10 % percent of window area. Lot frontage on a freeway shall not be considered in computing this figure.

When the total frontage of a lot is less than the square root of the lot's area, said frontage shall be deemed to be equal to the square root of the lot's area for the purpose of determining the permitted sign area. (Ord. 79-473)

~~3. A pole sign in excess of thirty (30) feet shall not be permitted. The distance between ground elevation and the bottom of such sign shall be not less than ten (10) feet.~~

~~3.4.~~ A ground sign in excess of ~~ten (10)~~ six (6) feet in height shall not be permitted. The distance between ground elevation and the bottom of a ground sign shall not exceed one (1) foot. Not more than one (1) ground sign shall be permitted on a lot. No ground sign shall be erected until written approval is obtained from the City Traffic Engineer. Such signs shall be in conformance with development plans which have been approved pursuant to the Site Plan and Design Review procedure as provided in CMC 9172.23.

~~4.5-~~ A sign may be affixed to a building but shall not project above the height of the building wall or roof fascia.

~~5.6-~~ A sign shall not project into an existing or future right-of-way.

~~6.7-~~ No “A” frame or “sandwich” sign, or scintillating, flashing or revolving sign shall be permitted.

~~7.8-~~ Electronic message center signs are permitted, subject to the following:

(a) Such sign shall be at least one hundred (100) feet from a residential zone.

(b) Such sign shall be at least five hundred (500) feet from any other electronic message center sign.

~~(c) Such sign shall be affixed to a pole and subject to the pole sign limitations of this Chapter.~~

~~(c)(d)-~~ A conditional use permit (CUP) shall be required for all electronic message center signs in accordance with the provisions set forth in CMC 9172.21. Approval shall not be granted if the Commission finds that the proposed sign would interfere with the traffic signals, disrupt normal traffic flows or otherwise create a safety hazard.

~~8.9-~~ All business signs for vehicle dealerships shall be permitted in conformance with development standards as provided in CMC 9138.15(E).

~~9.10-~~ All business signs within the MU-CS Zone shall be permitted in conformance with development standards as provided in CMC 9138.17.

~~10.11-~~ All business signs within the MU-SB Zone shall be permitted in conformance with development standards as provided in CMC 9138.18.

Section 4. Section 9138.12 (Automobile Service Stations) of Division 8 (Special Requirements for Certain Uses) of Part 3 (Commercial Zones) of Chapter 1 (Zoning) of Article IX (Planning and Zoning) of the Carson Municipal Code is hereby amended as follows:

~~9138.12 Automobile Service Stations.~~

~~A. Uses Permitted.~~

~~1. Retail sale of petroleum products, except that the sale of diesel fuel and LPG shall be subject to the approval of the Commission through a conditional use permit as described in CMC 9172.21.~~

~~2. The supply of air and water.~~

~~3. Hand washing, waxing, and polishing of motor vehicles in an area not more than five hundred (500) square feet.~~

~~4. Sale of accessory products clearly related to the operation of motor vehicles (e.g., tires, spark plugs, polish, fan belts, etc.).~~

~~5. Minor repair and service of automobiles and other motor vehicles, except in CA Zone (these uses not permitted within an automobile service station). (See CMC [9133](#) for CR Zone, MUR Overlay District and properties in all zones within one hundred (100) feet of residential zones.)~~

~~6. The sale of convenience goods provided the sales are conducted within an enclosed building. Sales of convenience goods at automobile service stations within 300 feet of any school, as measured from lot line to lot line, shall be subject to a conditional use permit, pursuant to CMC [9172.21](#), except that service stations within three hundred (300) feet of any schools that were selling convenience goods prior to August 15, 1984, shall be permitted to continue selling convenience goods, subject to the provisions of Part 8 of this Chapter. (Ord. 84-679, § 1)~~

~~B. Repair and Service Activities.~~

~~1. Repair and service activities shall not include major repairs and services (as defined in CMC [9138.11](#)(5)) or tire recapping or retreading. (Ord. 79-467)~~

~~2. All repair and service activities, including storage of equipment and materials, shall be within an enclosed building and conducted in such a manner as not to be a nuisance to the occupants of adjacent properties. Replacement service activities such as wiper blades, fuses, radiator caps and lamps are excepted.~~

~~C. Minimum Lot Area.~~

~~1. Automobile service station sites shall not contain less than fifteen thousand (15,000) square feet of net lot area.~~

~~D. Minimum Street Frontage.~~

~~1. Each lot shall have a minimum frontage of not less than one hundred (100) feet on each abutting street.~~

~~E. Landscaping.~~

~~1. Landscaped planters not less than five (5) feet in width shall be provided along all street frontages except driveway approaches. Landscaping materials shall be of a type that will not exceed three and one half (3-1/2) feet in height at ultimate growth above the grade of any adjacent street.~~

~~2. A landscaped area not less than one hundred fifty (150) square feet in area shall be provided at the intersection of the lot lines at a street corner.~~

~~3. Landscaped planters shall be provided along the full length of building facades facing streets or public parking areas, except where there exist doors, bays or other similar areas.~~

~~4. Landscaping for all interior lot lines shall be provided by either of the following alternatives:~~

~~a. Landscaped planters not less than three (3) feet in width shall be provided along all interior lot lines; or~~

~~b. Trees shall be provided along all interior lot lines. The minimum number of trees shall be calculated at the ratio of one (1) tree per twenty-five (25) lineal feet of interior lot line. Minimum tree size shall be twenty four (24) inch box.~~

~~5. All landscaped areas shall be protected by a curb not less than six (6) inches in height or a raised planter wall between the landscaping and paved areas.~~

~~6. All landscaped areas shall be properly maintained in a neat, orderly and safe manner. Such landscaping and maintenance shall include, but not be limited to, the installation and use of an irrigation system, permanently and completely installed, which delivers water directly to all landscaped areas.~~

~~F. Fencing.~~

~~1. A solid masonry wall, six (6) feet in height, shall be erected and maintained along any common boundary line with property in a residential zone, except that said wall shall not be less than two and one half (2 1/2) feet or more than three and one half (3 1/2) feet in height within the front yard required by CMC [9136.23](#).~~

~~G. Parking.~~

~~1. One (1) automobile parking space shall be provided for each employee on the largest shift, plus one (1) space for each company vehicle, plus two (2) spaces for each service bay. Said spaces are to be striped and provided with bumper guards or wheel stops approved by the Director.~~

~~H. Access/Circulation.~~

~~1. Driveway entrances to the automobile service station shall not be within five (5) feet of the curb return.~~

~~2. Driveways may be required to be located at the greatest possible distance from a street intersection or at such a location as is considered to interfere least with the movement and safety of vehicular and pedestrian traffic. Driveway locations shall be subject to the approval of the Director of Public Works.~~

~~3. Driveways shall not exceed thirty (30) feet in width. The minimum driveway width shall be twenty-five (25) feet.~~

~~4. The minimum distance between the tops of side slopes of driveways shall be twenty-two (22) feet.~~

~~5. There shall be no more than two (2) driveways per minimum street frontage.~~

~~6. On site traffic circulation patterns shall be subject to approval of the Director. Vehicular movement affecting the public right-of-way shall be subject to the approval of the Director of Public Works.~~

~~I. Signs shall conform to the provisions of CMC [9136.7](#).~~

~~J. Storage of Material.~~

~~1. All display and storage shall be located within an enclosed building except for telephone booths and permanent facilities, located on pump islands, necessary to dispense petroleum products. Automobiles awaiting service may be parked in an unenclosed area for a period not exceeding seventy-two (72) hours. Vending machines shall be placed indoors. (Ord. 79-467)~~

~~K. Lighting.~~

~~1. All exterior lighting of a building shall be of an indirect nature, emanating only from fixtures located under canopies or hoods, under eaves of buildings and at ground level in the landscaping. Exterior lighting shall be arranged and shielded so that there shall be no glare or reflection onto adjacent properties or public rights-of-way.~~

~~L. Paving and Drainage.~~

~~1. The entire ground area of the site, except building and planting areas, shall be paved with asphaltic compound or concrete to City standards. Drainage flow lines must be shown on the plot plan, and if drainage is to the street, water must be carried under sidewalks in pipes or culverts subject to the approval of the Director of Public Works.~~

~~M. Trash Storage.~~

~~1. All trash and refuse shall be stored within an area enclosed by a solid wall with solid doors, not less than six (6) feet in height. The wall shall be compatible with the exterior building material.~~

~~2. Adequate vehicular access for refuse pickup and disposal shall be provided.~~

~~N. Equipment Rentals.~~

- ~~1. No equipment storage or rental shall be permitted.~~

~~O. Restroom Screening.~~

- ~~1. All exterior restroom entrances shall be screened from view of adjacent properties and public rights of way by decorative screening.~~

~~P. Utilities.~~

- ~~1. All utilities shall be placed underground.~~

~~Q. Setbacks.~~

- ~~1. No building or structure shall be located within fifteen (15) feet of any lot line abutting a street or within ten (10) feet of any lot line abutting another lot or an alley, except as follows:~~

- ~~a. A canopy of roof structure over a pump island may encroach not to exceed ten (10) feet into the required setback area along a street frontage.~~

~~R. Abandonment.~~

- ~~1. Any existing service station, including legally existing nonconforming stations, shall be declared abandoned if the Director determines that the automobile service station is:~~

- ~~a. Closed continuously for one hundred eighty (180) days; or~~

- ~~b. Closed for one hundred eighty (180) days over a period of one (1) year; or~~

- ~~c. Changed to a use not permitted under this Section.~~

- ~~2. To be considered open, an automobile service station must be operated in good faith for the servicing of motor vehicles.~~

- ~~3. Within thirty (30) days after the Director has declared an automobile service station abandoned, the Director shall notify in writing the owner of said automobile service station that said automobile service station has been declared abandoned, and the date and the reasons for the declaration.~~

~~The owner of an automobile service station which has been declared abandoned may, within ten (10) days after his receipt from the Director of the notification of declaration of abandonment, request the Commission to set a public hearing to determine whether sufficient facts exist to support the Director's determination that said automobile service station has been abandoned as defined in this subsection. Upon such timely request, the Commission shall set a public hearing for the aforesaid purpose.~~

- ~~4. If an automobile service station is abandoned, all conditional use permits connected with it are null and void.~~

- ~~5. An abandoned automobile service station shall comply with any one (1) of the following alternatives within one hundred eighty (180) days of such abandonment:~~

- ~~a. Reuse of the premises as outlined in subsection S of this Section; or~~

- ~~b. Securing of the premises as outlined in subsection T of this Section; or~~

- ~~c. Abatement of the premises as outlined in subsection U of this Section.~~

~~S. Reuse of Abandoned Automobile Service Stations.~~

- ~~1. Any reuse of an abandoned automobile service station, either as an automobile service station or other use permitted by the land use regulations pertaining to the site, shall be allowed only as specified below:~~

- ~~a. Any automobile service station established and subsequently abandoned shall not resume operation as an automobile service station unless and until it complies with all regulations of subsections A through Q of this Section.~~

- ~~b. If any existing, legal nonconforming automobile service station established prior to the effective date of this Section is abandoned, it shall not resume operations as an automobile~~

~~service station unless and until it complies with all regulations of subsections A through Q of this Section.~~

~~c. No automobile service station shall be used for any other use unless and until a conditional use permit is granted.~~

~~2. Upon approval and receipt of the conditional use permit, the applicant shall follow the conversion standards listed below:~~

~~a. All pumps, signs, insignias and corporate trademarks, their supporting structures, mountings and foundations and all other aboveground improvements uniquely associated with automobile service stations, with the exception of the office, canopies, pump islands and service bays, shall be taken down, dismantled, and removed from the site.~~

~~b. All gasoline storage tanks, fuel lines, pumps and other belowground apparatus related to the delivery or disposal of petroleum products shall be excavated and removed from the site or filled according to Federal, State and City regulations.~~

~~c. Upon removal of the tanks, structures and other apparatus specified in preceding subsections (S)(2)(a) and (S)(2)(b) of this Section, the site shall be landscaped and resurfaced in a manner consistent with the new use.~~

~~d. All such improvements shall be completed or in progress no later than one hundred eighty (180) days after the issuance of the new conditional use permit and shall continue in good faith until completion.~~

~~If the provisions of this subsection are not fulfilled, the use shall become abandoned and all applicable conditional use permits shall become null and void.~~

~~3. Unless specifically modified by previous Commission action, no site originally developed as an automobile service station and subsequently converted to another commercial use, whether by conditional use permit or not, shall be converted to yet another commercial use unless and until a conditional use permit is granted.~~

~~T. Securing of Abandoned Automobile Service Stations.~~

~~1. Any automobile service station declared abandoned and not reestablished as an automobile service station or converted to another use as outlined in subsection S of this Section, shall comply with the following conditions within one hundred eighty (180) days of being declared abandoned:~~

~~a. - ~~9. Reuse of abandoned automobile service stations.~~
- ~~10. Securing of abandoned automobile service stations.~~
- ~~11. Abatement of abandoned automobile service stations.~~

~~Any person, firm or corporation violating any provision of this Section shall be guilty of an infraction and shall be punishable as provided in Chapter 2 of Article I of this Code. (Ord. 79-479, § 7)~~

9138.14 Automobile/Vehicle Services

A. Use Classifications.

1. Automobile/Vehicle Service and Repair. Repairs and services include major engine overhaul (any operation requiring pulling the head, intake or exhaust manifold, or the pan); transmission, muffler, and radiator work; lubrication; repair of brakes, generators, water pumps, batteries and other minor accessories; replacement of wiper blades, fuses, radiator caps, lamps and other minor accessories, changing oil and transmission fluid; patching, changing or mounting of tires; wheel alignment; tune-up; minor electrical repairs; and similar repairs and services. In the CA Zone, auto body and fender work and auto body paint are permitted as accessory uses to new vehicle sales, subject to conditional use permit.
2. Automobile/Vehicle Washing. Washing, waxing, vacuuming, or cleaning of automobiles or similar light vehicles, including self-serve washing facilities.
3. Automobile Service Station. Establishments primarily engaged in retailing automotive fuels or retailing these fuels in combination with activities, such as providing automobile/vehicle repair services, selling automotive oils, replacement parts, and accessories, and/or providing incidental food, retail sales.

B. Landscaping and Screening.

1. A masonry wall at least six feet in height shall be provided along all lot lines adjacent to a residential use or district.

2. At least ten (10) percent of the site must be landscaped.

3. A landscaped planter with a minimum inside width of ten (10) feet and enclosed within a six (6) inch high curb shall be provided along the front and street side property lines, except for vehicular circulation openings. A landscaping buffer with a minimum inside width of at least five (5) feet shall be provided along all other property lines.

4. A three hundred (300) square foot planter with a minimum dimension of ten feet shall be provided at the corner of intersecting streets unless a building is located at the corner.

5. Additional screening and landscaping may be required where necessary to prevent visual impacts on adjacent properties.

B. Application Review and Findings for Approval. The decision-making authority shall only approve a use permit for an automobile/vehicle service facility only if it finds that:

1. The project is designed so that form and scale are harmonious and consistent with the character of the specific site, the adjacent uses and structures, and the surrounding neighborhood.

2. The site design, including the location and number of driveways, will promote safe and efficient on-site and off-site traffic circulation.

3. Service bay openings are designed to minimize the visual intrusion on surrounding streets and properties.

4. Lighting is designed to be low-profile, indirect or diffused and to avoid adverse impacts on surrounding uses.

C. Conditions of Approval. Conditions of approval may include limitations on operational characteristics of the use; restrictions on outdoor storage and display, location of pump islands, canopies and service bay openings; and/or requirements for buffering, screening, lighting, planting areas, hours of operation or other site elements in order to avoid adverse impacts on adjacent lots or the surrounding area.

D. Automobile/Vehicle Service and Repair. Automobile/vehicle service and repair uses, as well as any other uses, such as service stations, that perform auto servicing as an accessory activity, are subject to the following standards:

1. Noise. All body and fender work or similar noise-generating activity shall be conducted within an enclosed masonry or similar building with sound-attenuating construction to absorb noise. Air compressors and other service equipment shall be located inside a building.

2. Work Areas. All work shall be conducted within an enclosed building except: pumping motor vehicle fluids, checking and supplementing various fluids, and mechanical inspection and adjustments not involving any disassembly.

3. Vehicle Storage. Vehicles being worked on or awaiting service or pick-up shall be stored within an enclosed building or in a parking lot on the property shall be screened from the public right-of-way. Unattended vehicles may not be parked or stored on the sidewalk adjoining the property, in the street, or in any portion of the public right-of-way within the City.

4. Litter. The premises shall be kept in an orderly condition at all times. No used or discarded automotive parts or equipment or permanently disabled, junked, or wrecked vehicles may be stored outside a building.

F. Automobile/Vehicle Washing. Automobile/vehicle washing facilities are subject to the following standards:

1. Minimum Lot Area. Automobile service stations shall contain not less than twenty thousand (20,000) square feet of net lot area.

2. Washing Facilities. No building or structure shall be located within thirty feet of any public street or within twenty feet of any interior property line of a residential use or residential district. Vehicle lanes for carwash openings shall be screened from public streets to a height of forty inches. Screening devices shall consist of walls and/or berms with supplemental plant materials.

3. Hours of Operation. Limited to 7 a.m. to 10 p.m., seven days a week. When abutting a residential district, the hours of operation shall be between 8 a.m. to 8 p.m., seven days a week.

G. Automobile Service Station. Automobile service stations and any other commercial use that includes fuel pumps for retail sales of gasoline are subject to the following standards. An automobile service station with a convenience store shall comply with the standards set forth in CMC 9138.12 (Convenience Store):

1. Minimum Lot Area. Automobile service stations shall not be permitted on lots containing less than fifteen thousand (15,000) square feet of net lot area.

2. Minimum Street Frontage. Each lot shall have a minimum frontage of not less than one hundred (100) feet on each abutting street.

3. Pump Islands. Pump islands shall be located a minimum of fifteen feet from any property line to the nearest edge of the pump island. A canopy or roof structure over a pump island may encroach up to ten feet within this distance.

4. Minimum Separation Requirement. New automobile service stations shall be not less than five hundred (500) feet from an existing service station use.

5. Abandonment. Any service station shall in the case of abandonment or non-operation of the primary use be dismantled and the site cleared within six (6) months subsequent to the close of the last business day.
