December 19, 2018

IN REPLY PLEASE
REFER TO FILE: T-5

Dr. Maria E. Slaughter
Director of Public Works
City of Carson
701 East Carson Street
Carson, CA 90745-6234

Attention Mr. Tony Rodriguez

Dear Dr. Slaughter:

**CONSENT AND JURISDICTION/NEGOTIATED TAX EXCHANGE RESOLUTIONS
RESULTING FROM ANNEXATION OF PROJECT L 042-2018
TO COUNTY LIGHTING MAINTENANCE DISTRICT 1697 AND
COUNTY LIGHTING DISTRICT LANDSCAPING AND LIGHTING ACT-1
CARSON ZONE, CITY OF CARSON**

The area shown on the enclosed map is being processed for annexation to County Lighting Maintenance District (CLMD) 1697 and County Lighting District Landscaping and Lighting Act-1, Carson Zone, in order to provide funding for the operation and maintenance of new streetlights installed by the developer. CLMD 1697 is located wholly within the jurisdictional boundary of the City of Carson and is administered by the County of Los Angeles on behalf of the City. Since this area is located within the City's jurisdiction, City Council approval of the enclosed resolution granting consent and jurisdiction to the County is required to accomplish this annexation.

For new annexations to a CLMD, our procedures require us to process the exchange of property tax revenues concurrent with the Board of Supervisors' approval of the annexation. Enclosed is a Joint Resolution between the County and the City approving and accepting the negotiated exchange of property tax revenues resulting from the annexation of the subject territory to CLMD 1697. Attached to the Joint Resolution is a Property Tax Transfer Resolution Worksheet listing the share of the annual tax increment to be exchanged between the City, other nonexempt taxing agencies (school-related agencies are exempted by State law), and CLMD 1697.

Dr. Maria E. Slaughter

Page 2

The costs for the operation and maintenance of streetlights located within a CLMD are primarily funded by ad valorem property tax. The collection of property tax revenues has allowed CLMD 1697 to maintain a \$35 annual base assessment rate for a single-family home within the Carson Zone. As shown on the Property Tax Transfer Resolution Worksheet for Project L 042-2018, Tax Rate Area 011002, the current tax share ratio for the City is 0.067428693. Out of the City's tax share ratio, the City would allocate 0.000739871 to CLMD 1697, with a net share to the City of 0.066688822. Monetarily speaking, a \$10,000 increment in assessed valuation of a parcel means that the parcel will pay an additional \$100 in property taxes of which the City would receive \$6.6689 and CLMD 1697 would receive \$0.0740. For areas in a Community Redevelopment Zone, CLMD 1697 will not receive any tax dollars until such time that the Community Redevelopment Zone is terminated.

We prepared the resolutions for your use in this matter. Upon the City's approval of the resolutions, we will continue the annexation process for this project and schedule a public hearing before the Board. Please have the resolutions executed and returned to us in the enclosed self-addressed envelope by February 13, 2019.

If you have any questions, please contact Ms. Tigist Desta of Traffic and Lighting Division, Street Lighting Section, at (626) 300-4755 or tdesta@dpw.lacounty.gov.

Very truly yours,

MARK PESTRELLA
Director of Public Works

EMIKO THOMPSON
Assistant Deputy Director
Traffic and Lighting Division
