(e) **Broader Coverages and Higher Limits.** Notwithstanding anything else herein to the contrary, if Seller maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Seller.

**11.2 General Insurance Requirements.** All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Seller's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, Seller shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section to the Contract Officer. No work or services under this Agreement shall commence until Seller has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City. The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such

requirements are waived by the City's Risk Manager or other designee of the City due to unique circumstances.

**12. Indemnification.** Seller agrees to defend, indemnify, protect and hold harmless the City, its officers, officials, employees, agents and volunteers from and against any and all claims, demands, losses, damages, costs and liability of any kind or nature (including reasonable attorney's fees) which the City, its officers, officials, employees, agents or volunteers may sustain or incur or which may be imposed upon them for injury to or death of persons, or damage to property (i) arising out of or from the Goods or delivery of the Goods, and (ii) to the extent arising from (a) Seller's negligent acts, omissions or willful misconduct, (b) Seller's ownership or possession of the Goods during any period ending on or prior to the Effective Date, (c) Seller's replacement of the Goods or any part thereof pursuant to this Agreement, and (d) Seller's breach of any of its representations, warranties or covenants under this Agreement.

**13. Remedies.** The remedies and rights conferred on the City by this Agreement are in addition to and cumulative with all other remedies and rights accorded the City under law or equity. Without limiting the generality of the foregoing, Seller agrees that if there is any defect in the Goods, as determined in City's sole and absolute discretion, and upon written notice thereof given to Seller, Seller shall replace the defective Goods without delay or cost to the City. In the event of Seller's failure to replace the Goods within ten (10) calendar days after being notified of such defects, City is hereby authorized to contract with another party for the purchase of replacement of Goods, and Seller shall reimburse City for all such costs immediately upon demand.

**14. Survival of Representations and Warranties.** All representations, warranties, covenants and agreements of the Parties contained in this Agreement shall survive the execution, delivery and performance of this Agreement.

**15. Assignment.** This Agreement may not be assigned by Seller without the express written consent of City. This Agreement shall be binding on, and shall inure to the benefit of, the Parties to it and their respective heirs, legal representatives, successors and assigns. All Goods manufacturer's warranties shall be assigned to and turned over to the City.

**17. Entire Agreement: Modification: Waiver.** This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and thereof and supersedes all prior and contemporaneous agreements, representations and understandings of the Parties, whether oral or written. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all the Parties. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

**18.
