Hi Phat,

Yes, this would definitely meet the eligibility requirements, as it's an all-electric zero emission vehicle. When you go to categorize it in the portal next time, it would fit under (1-d) Zero Emission Vehicle Purchase/Lease. Please let me know if you have additional questions for me. Thank you!

Importance: High

Hi Paul,

The City would like to allocate part of AB2766 fund for the acquisition of an electric vehicle. Please review the attached vehicle spec and advise whether the inquired vehicle meets the requirements of AB2766 – Sub-section (1-a) Clean Vehicle Purchases/Leases. If any additional info is required regarding this matter, please forward.

Again, thank you so much for your support and assistance with our AB2766 projects.
