

SAMI'S REFEREES LLC

To Whom It May Concern:

My name is Navin Sami. I am extremely passionate about the youth sports referees in the City of Carson, California. My passion was born as a child growing up in the great city of Carson playing soccer from age of three years old, which developed into me participating in four different sports throughout my childhood. At the age of eighteen, I began to referee for Basketball games under Youth Sport Director Nancy Rusas, where I gained important insight and influence. Will Henderson, the trainer and senior sports official at the time mentored me on the rules and standard procedures of refereeing the games efficiently. Under the guidance of Nancy and Will, I was able to have a successful twenty-three years as a proud referee. In 2007, I became C-I-F certified. In 2015, I started supplying referees for different tournaments throughout the South Bay. In 2017, I was privileged to become the referee coordinator for Redondo Beach Youth Basketball Organization. Since then, I have been honored to supply them with referees, which include seventy-five games in a standard weekend. In 2022, I created my business, "Sami's Referees," which is a supplies referees for adult and youth sports programs. Will Henderson was an intricate part of Sami's Referees as an official assigner for the referees. Like I stated this is a passion of mine. Sports, especially with youth has been proven to be an effective tool in keeping them from falling into a cycle of violence, crime and drug use. I want to be a part of this solution and would be honored to be the on-call officiating services for adult and youth sports program for the city of Carson. Sami's Referees can handle well over 100 games pers week for basketball, football, soccer and baseball/softball for the City of Carson.
