THIS AMENDMENT TO THE AGREEMENT FOR CONTRACT SERVICES ("Amendment No. 2") by and between the City of Carson, a California municipal corporation ("City") and Advantec Consulting Engineers, Inc., a California corporation ("Consultant") is effective as of the 7th day of May, 2024. RECITALS

- A. City and Consultant entered into that certain Agreement for Contractual Services dated January 12, 2021 ("Agreement") whereby Consultant agreed to provide traffic signal design services for City Project No. 1649, for a not to exceed contract sum of \$169,537. The term of the Agreement was set to expire January 31, 2023.
- B. Consultant submitted design plans in early 2023, but since that time, City has been awaiting Southern California Edison plans for new electrical service pedestal locations to ensure that proposed locations in the plans submitted by Consultant do not need to be moved, potentially impacting other elements of design for the traffic signal upgrades.
- C. City and Consultant entered into an amendment to the Agreement dated January 31, 2023 ("Amendment No. 1") to extend the term by two (2) years, from January 31, 2023 until January 31, 2025.
- D. City and Consultant now desire to again amend the Agreement to increase the Contract Sum from \$169,537 to \$195,371.37 for the purpose of allowing Consultant to provide additional design services and to extend the term by seventeen (17) months until June 30, 2026.
