Dear Mr. Marquez:

### **TRACT 83481**

Tract 83481 (enclosed) has been reviewed and approved by Public Works for mathematical accuracy, survey analysis, title information, and for compliance with the Subdivision Map Act. It is ready for your examination and certification as to compliance with the conditions of approval and applicable City ordinances.

The City Council or Advisory Agency should make the findings required by the California Environmental Quality Act and the Subdivision Map Act.

After your approval and the approval of the City Council or Advisory Agency, the final map should be returned to Los Angeles County Public Works, Land Development Division, for filing with the Registrar-Recorder/County Clerk's office.

If you have any questions, please contact Mr. Diego Rivera of Public Works, Land Development Division, at (626) 458-4915 or [dirivera@pw.lacounty.gov](mailto:dirivera@pw.lacounty.gov).

Very truly yours,
