Primo Castro - Email Received April 2, 2021 – Item No. 30

Government Relations Director with the American Cancer Society Cancer Action Network (ACS CAN), advocating for public policies that reduce death and suffering from cancer, which include policies targeted at reducing tobacco use; offered comments in opposition to delaying the implementation of enforcement of city Ordinance No. 19-1940 with respect to the sale of flavored tobacco products, including menthol and Resolution No. 20-066, temporarily postponing the enforcement of Ordinance No. 19-1940, and asked the City Council to vote No on this resolution.

Ryan Qu - Email Received April 4, 2021 – Item No. 30

IYTC CA Regional President representing International Youth Tobacco Control, a 501(c)(3) student-led NPO serving Greater Los Angeles and beyond; opposed to Agenda Item #30

Raj Dhillon - Email Received April 4, 2021 – Item No. 30

Any questions or comments, contact him at RDhillon@breathesocal.org or at (323) 935-8050 x233.

Elizabeth Foisia - Email Received April 5, 2021 – Item No. 25 and 26

Item No. 25: Supports the recommendations made by the Independent CPA Firm, David L. Gruber and Associates because this will ensure fair and equitable allocation of funds to all Community events and stop what appears to be blatant favoritism from Council towards certain organizations, because the actions of one person stains the whole group. Most importantly, it will ensure transparency and accountability from the City's Non-Profit Public Benefit Corporation, 501(c)3, the Carson Community Foundation, who is supposed to monitor and oversee the allocation of these funds.

Item No. 26: Supports Mayor Pro Tem Jim Dear on the Carson Reclamation Authority Board for the simple fact the other four members currently on the Board are all from the North side of Carson. With the City now divided into Districts, it is only right to have Mayor Pro Tem Jim Dear who is from South Carson represent interests in the South.

Annie Tegen - Email Received April 6, 2021 – Item No. 30

Representing Tobacco Free Kids; Encouraged the City Council to not further postponing the flavored tobacco ban enforcement. Community's health is on the line. Retailers promised that

they only needed until December 2020 to sell off all of the remaining products. They have had enough time. The Council needs to stand up for the community. Please maintain the enforcement and join the other forty-one cities that have done the same. Your neighboring cities have already adopted banning flavored tobacco.

Carol Almeda - Email Received April 6, 2021 – Item No. 30

Representing the Carson Initiative for Substance Abuse Awareness and Prevention (CISAAP) Carson Student Health Advocate Club (CSHA); having a flavored tobacco ban in place clearly shows that the priority is to protect the youth and the Carson community from the harm of tobacco and vape use.

Eddie Martinez - Email Received April 6, 2021 – Item No. 30

Coalition Chair, The OUT Against Big Tobacco Coalition supports restricting the sale of all flavored tobacco products without exception to protect our communities; Coalition strongly supports Ordinance No. 19-1940 and the implementation timeline that was previously passed; Opposed to any delay in implementation of the ordinance. The tobacco industry has a history of using delay tactics like this to line their pockets at the expense of the public's health.

Jaime G. Monteclaro, Esq. - Email Received April 6, 2021 – Item No. 23

Requested his proposed amendments to the Carson City Council's Resolution No. 21-037, condemning hate crimes in the City of Carson and statewide, as restated below for Council's deliberation and consideration, be read as follows:

"Whereas, under California Penal Code 422.6 PC, fines for hate crimes is up to \$5,000.00.

Whereas, under California Penal Code 597 fines for cruelty to animals is up to \$20,000.

Whereas, California Victims' Bill of Rights Act – Marsy's Law does not necessarily cover and punish acts violative of California hate crimes laws and therefore, does not fully protect hate crimes victims.

Whereas, the value of human lives, safety, security, and welfare far exceed those of animals, it behooves penalties under hate crimes should be more severe and stiffer to secure the human lives, safety, security, and welfare.

Whereas, it is incumbent upon this City Council to make policies and adopt ordinance and/or recommend to California State Assembly or to the United Congress making criminal and civil penalties more severe and stiffer to prevent and eliminate hate crimes in all forms of violence, hate, discrimination, racism, harassment and xenophobia, and affirms its commitment to the reduction and elimination of these appalling ideologies.

Whereas, the City of Carson is a very diverse City that cherishes, upholds, and celebrates persons of all ethnicities, races, national origins, and backgrounds in our community.

Now, therefore, be it determined by the City Council of the City of Carson, California that: The City Council stands resolutely and indisputably against all forms of violence, hate, discrimination, racism, harassment and xenophobia, and affirms its commitment to the reduction and elimination of these appalling ideologies through City Council's adoption of policies, ordinance, and/or recommendations of legislations to California State Assembly and/or to the United States Congress increasing criminal and civil penalties against hate crimes from \$5,000.00 to \$25,000.00."

Andrea - Public Comment Received April 6, 2021 – Item No. 30

Looking into the flavored tobacco issue not to happen. This is targeting young people that live in

the city and have family members who are young and also live in the city. As menthol cigarettes are being pushed onto the community, would hope the City Council stand up for young people and ban flavored tobacco and do what is right for the community and the youth. Do not delay on this ban.

Ana Saaverdra - Public Comment Received April 6, 2021 – Item No. 30

Resident of Carson; hoping the City Council can ban flavored tobacco in the city and look into possibly prevent the sale of it.

Eric Batch - Public Comment Received April 6, 2021 – Item No. 30

Vice President of Advocacy for the American Heart Association, 816 S. Figueroa St., Los Angeles, CA 90017; 213.291.7093; Carson resident who respectfully asks that the City Council reject further delaying the enforcement of the Flavored Tobacco Sales ban. The City of Carson needs to stand up against the tobacco industry and end the sale of flavored tobacco products in Carson now.

Lori Bremner - Public Comment Received April 6, 2021 – Item No. 30

Work with PAVE-Parents Against Vaping e-cigarettes. PAVE is founded, run, and powered by volunteers, as their California grassroots coordinator. The youth of Carson simply cannot wait for the state or the Federal government to take action to protect them. Parents and kids are counting on their local elected officials to step in to halt the epidemic of youth tobacco use. The need is urgent for you to prioritize the health of the kids' lungs without delay. I had the pleasure of speaking to both Mayor Pro Tem Dear and Councilmember Hilton back in November of 2019 at the California Democratic Convention in Long Beach. We spoke about the need to end the sale of flavored tobacco to keep the kids of Carson safe, healthy, and free to live their best life. Please take decisive and bold action today to ensure the kids are protected as soon as possible.

Freddie Gomez – Item No. 30

Jaylin Sullivan – Item No. 30

Urged the City Council to stand up for the young people of the community who are susceptible to flavored tobacco products.

ORAL COMMUNICATIONS FOR MATTERS NOT LISTED ON THE AGENDA (MEMBERS OF THE PUBLIC)

Liz Foisia - Email Received April 1, 2021 – Non Agendized

Expressed profound disappointment and utter amazement regarding a campaign mailer she received in the mail on Wednesday, March 31, 2021. The mailer was strategically created to capitalize on Easter, in which Christians all over the world remember and honor the sacrifice Christ made on the Cross for all mankind and His resurrection on the third day is the affirmation of salvation. To make matters worse, the candidate himself is a purported Pastor, supported by the Mayor as is clearly stated on the political mailer. Humbly asked to keep religion out of campaign literature. It is offensive to people who honor and worship the Lord and Savior, Jesus Christ.
