**B. Base Granting Fee.** Franchisee shall pay a base granting fee of seven thousand five hundred dollars (\$7,500.00) for pipelines with a total length of one-quarter (1/4) mile or more, or one thousand six hundred dollars (\$1,600.00) for pipelines with a total length of less than one-quarter (1/4) mile. Franchisee shall pay this base granting fee within thirty (30) days after the adoption date of this Ordinance and prior to signing the written acceptance of the franchise pursuant to Carson Municipal Code Section 6805. If at any time during the first five (5) years of the franchise, additional pipeline is added that will result in a total length of pipeline of one-quarter (1/4) mile or more, the seven thousand five hundred dollars (\$7,500.00) granting fee shall be required at the same time such footage is added. Franchisee shall submit a written request for the City's consent prior to adding any additional pipeline.

**C. Base Franchise Fee.**

- (1) Franchisee shall pay a base franchise fee at an annual rate of two dollars and fifty-six cents (\$2.56) per lineal foot of pipeline area occupied by Franchisee's pipelines. Such franchise fee shall accrue at the end of each semi-annual period for the pipeline area occupied by the greatest number of feet of pipeline covered by the franchise during the franchise payment period. The semi-annual fee shall be paid no later than January 1st and July 1st of each calendar year. A penalty at the rate of ten percent (10%) per month or fraction thereof beyond thirty (30) days after the payment due date shall be charged, but in no event shall such penalty exceed fifty percent (50%). For purposes of this paragraph, the length of pipeline or conduit including protective covering, pipe connections, cathodic protection facilities, pipe casings and other minor appurtenances shall be taken as equivalent to lineal feet.
- (2) The City of Carson reserves the right to adjust the base fees established above at any time after the effective date of this Ordinance, but the base fees applicable to the franchise may only be changed five (5) times during the life of the franchise, and may only be changed in accordance with the provisions of California Public Utilities Code Section 6231.5(e).

**E. Adjustments.**

- (1) The base franchise fee shall adjust annually on January 1st of each calendar year by an amount equal to one hundred percent (100%) of the increase in the consumer price index as

- (2) In no event shall any base fee be charged which is less than the base fee amount established above.
- (3) The indices specified in subsection E(1) above are calculated and published by the United States Department of Labor, Bureau of Labor Statistics. If the Bureau discontinues the calculation or publication of the Consumer Price Index, all Urban Consumers for the Los Angeles-Long Beach-Anaheim area (1982-84 = 100), and no transposition table is available to convert to another index, then the amount of each annual adjustment in base fees shall be computed by using a comparable governmental index.
