[38] Greater Los Angeles County Vector Control District (Formerly SE Mosquito Abatement)*

Delegate

Alt.

The District's governing power is vested in its 35 members of the Board of Trustees. One trustee is appointed by each of the 34 cities and the County Board of Supervisors appoints one to represent unincorporated areas of Los Angeles County. To be appointed, the member must reside in and be a resident voter of the representative city (or county for county member) in the District. Board member duties and responsibilities include setting policy, establishing the budget, approving expenditures, and retaining legal counsel. The vector Trustee appointment and term are governed by the State Health and Safety Code and begin and end on the first Monday in January. Additionally, the State Health and Safety Code does not allow for alternate members to be appointed.

[39] L.A. County City Selection Committee

Per Government Code Section 50270, the membership of each such City Selection Committee shall consist of the Mayor of each city within the county. Members of the LA County City Selection Committee include the Mayor of each city within Los Angeles County. Each city appoints an elected official as a delegate to the City Selection Committee; it usually is the Mayor. The term of office for each Member of the LA County City Selection Committee coincides with City Mayor terms, and the Committee meets three or four times a year, at the call of the Chairman. Their duties are to appoint City representatives to such Boards, Commissions and Agencies as may be required by law, i.e., LAFCO, South Coast Air Quality Management District, Los Angeles County Metropolitan Transportation Authority, Los Angeles County Hazardous Waste Management Advisory Committee; and to nominate for appointment Members to the California Coastal Commission. Nominations for the City Selection Committee appointees to the MTA are made by the Sector Subcommittees for the Sectors whose representatives' terms are expiring. The cities assigned to one of the four regions in Los Angeles County (North County/San Fernando Valley, San Gabriel Valley, Southeast Long Beach and Southwest Corridor) shall meet as a Sector Subcommittee. Each candidate with a majority weighted vote will then be nominated from that Sector for consideration for appointment to the MTA.
