4. Term. The term of this Agreement shall expire after City's acceptance of the final delivery of the Goods estimated to occur in 2024 and City's payment therefor following Seller's submission of the requisite invoice.

5. Representations and Warranties of Seller. Seller makes the following representations and warranties to City:

5.1. Authority and Consents. Seller has the right, power, legal capacity and authority to enter into and perform its obligations under this Agreement. No approvals or consents of any persons are necessary in connection with Seller's execution, delivery, and performance of this Agreement, except for such as have been obtained on or prior to the date hereof. The execution, delivery, and performance of this Agreement by Seller have been duly authorized by all necessary action on the part of Seller and constitute the legal, valid and binding obligations of Seller, enforceable against Seller in accordance with their respective terms.

5.2. Title and Operating Condition. Seller has good and marketable title to the Goods. The Goods are free and clear of any restrictions on or conditions to transfer or assignment, and City will acquire absolute title to the Goods free and clear of mortgages, liens, pledges, charges, encumbrances, equities, claims, covenants, conditions and restrictions except for such as may be created or granted by City. Seller is aware that City is purchasing the Goods for use in City's operations and that City is relying on Seller's warranties that the Goods are fit for this purpose and the ordinary purposes for which the Goods are normally used.

6. Time of Delivery. The date and time of each delivery of the Goods shall be no later than three (3) days following issuance of a Notice to Proceed by City's Contract Officer, or as otherwise requested by the City, during City's business hours which are Monday through Thursday 7:00 am to 3:30 pm. City will provide Seller with a schedule of delivery dates for all sites listed in Section 7 for the peak season. Thereafter, the City off-peak season begins and deliveries will be on an as needed basis, as directed by the Contract Officer.

Seller shall invoice City in the amount of the Purchase Price for purchase of the Goods, and City shall remit payment by no later than forty-five (45) days after City's acceptance of the Goods.

9. Inspection. After delivery of the Goods, City shall inspect the Goods within a reasonable time not to exceed thirty (30) days and provide written notice to the Seller specifying any defects or other objections, unless City intends to accept the Goods in whole, in which case no notice will be necessary. Acceptance of the Goods, whether in whole or in part, shall not be deemed a waiver of any defects identified by the City, nor any defects later discovered by the City, and specified to the Seller in writing.

10. No Replacements or Cures. This Agreement calls for strict compliance. Seller expressly agrees that both the Goods tendered and the tender itself will conform fully to the terms and conditions of the Agreement on the original tender. In the event of rejection by City of the whole of the Goods or any part thereof, City may, but is not required to, accept any substitute performance from Seller or engage in subsequent efforts to effect a cure of the original tender by Seller.

11. Insurance Coverages.

11.1 Types of Coverages. Seller shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) Commercial General Liability Insurance. A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than \$1,000,000.00 per occurrence or if a general aggregate limit is used, either the general aggregate limit shall apply separately to this contract/location, or the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for Seller against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by Seller in the course of carrying out the work or services contemplated in this Agreement.

(c) Automotive Insurance. A policy of comprehensive automobile liability insurance written on a per occurrence basis for bodily injury and property damage in an amount not less than either (i) bodily injury liability limits of \$100,000 per person and \$300,000 per occurrence and property damage liability limits of \$150,000 per occurrence or (ii) combined single limit liability of \$1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars, and any other automobile.

(d) Subcontractors. Seller shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall be subject to all of the requirements stated herein.

(e) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Seller maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Seller.

11.2 General Insurance Requirements. All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Seller's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. The insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, Seller shall, prior to the cancellation date, submit new evidence of insurance in conformance with this Section to the Contract Officer. No work or services under this Agreement shall commence until Seller has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above

insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City. The insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the City's Risk Manager or other designee of the City due to unique circumstances.

12. Indemnification. Seller agrees to defend, indemnify, protect and hold harmless the City, its officers, officials, employees, agents and volunteers from and against any and all claims, demands, losses, damages, costs and liability of any kind or nature (including reasonable attorney's fees) which the City, its officers, officials, employees, agents or volunteers may sustain or incur or which may be imposed upon them for injury to or death of persons, or damage to property (i) arising out of or from the Goods or delivery of the Goods, and (ii) to the extent arising from (a) Seller's negligent acts, omissions or willful misconduct, (b) Seller's ownership or possession of the Goods during any period ending on or prior to the Effective Date, (c) Seller's replacement of the Goods or any part thereof pursuant to this Agreement, and (d) Seller's breach of any of its representations, warranties or covenants under this Agreement.

13. Remedies. The remedies and rights conferred on the City by this Agreement are in addition to and cumulative with all other remedies and rights accorded the City under law or equity. Without limiting the generality of the foregoing, Seller agrees that if there is any defect in the Goods, as determined in City's sole and absolute discretion, and upon written notice thereof given to Seller, Seller shall replace the defective Goods without delay or cost to the City. In the event of Seller's failure to replace the Goods within ten (10) calendar days after being notified of such defects, City is hereby authorized to contract with another party for the purchase of replacement of Goods, and Seller shall reimburse City for all such costs immediately upon demand.

14. Survival of Representations and Warranties. All representations, warranties, covenants and agreements of the Parties contained in this Agreement shall survive the execution, delivery and performance of this Agreement.

15. Assignment. This Agreement may not be assigned by Seller without the express written consent of City. This Agreement shall be binding on, and shall inure to the benefit of, the Parties to it and their respective heirs, legal representatives, successors and assigns. All Goods manufacturer's warranties shall be assigned to and turned over to the City.

16. Severability. If any provision of this Agreement is held invalid or unenforceable by any court of final jurisdiction, it is the intent of the Parties that all other provisions of this Agreement be construed to remain fully valid, enforceable, and binding on the Parties.

17. Entire Agreement: Modification: Waiver. This Agreement constitutes the entire agreement between the Parties pertaining to the subject matter hereof and thereof and supersedes all prior and contemporaneous agreements, representations and understandings of the Parties, whether oral or written. No supplement, modification or amendment of this Agreement shall be binding unless executed in writing by all the Parties. No waiver of any of the provisions of this Agreement shall be deemed, or shall constitute, a waiver of any other provision, whether or not similar, nor shall any waiver constitute a continuing waiver. No waiver shall be binding unless executed in writing by the Party making the waiver.

18. Contract Officer. Modesto Bolanos, Facilities Maintenance Supervisor, or such person as may be designated by the City Manager is hereby designated as being the representative of the City authorized to act on its behalf with respect to this Agreement and to make all decisions in connection therewith ("Contract Officer").

19. Notices. All notices, requests, demands, and other communications under this Agreement shall be in writing and shall be deemed to have been duly given on the date of service if served personally on the Party to whom notice is to be given, or on the third day after mailing if mailed to the Party to whom notice is to be given, by first class mail, registered or certified, postage prepaid, and properly addressed as follows:

21. Counterparts. This Agreement may be executed simultaneously in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Facsimile and electronic signatures shall be deemed the same as original signatures.
