KEY FEATURES & BENEFITS

EXCEPTIONAL PERFORMANCE	After years of expertise and leadership in material handling solutions, Cat® lift trucks engineered a game changing powertrain for exceptional performance in the toughest material handling conditions. The PSI engine family is the industry's most powerful and respected industrial engine family in its class. The engines delivers outstanding performance while maintaining the highest standards of durability and reliability. With a proven track record for quality and dependability, the rugged PowerShift transmission delivers a remarkable performance optimizing engine power and response.
OPERATOR COMFORT	A forklift's productivity is not only measured by a strong powertrain, but also by its operator comfort and efficiency. This is why Cat® lift trucks designed an ergonomic operator compartment optimizing comfort, visibility and productivity for long and demanding shifts.
PRESENCE DETECTION SYSTEM	The Patented PDS system, standard on all Cat® lift trucks helps ensure that the operator is following the correct operating procedures. Once the operator leaves the seat and does not engage the park brake, the PDS will disengage the transmission and all hydraulic functions to the mast while activating an audible alarm and a flashing visual warning.
ENGINE PROTECTION SYSTEM	The EPS monitors the Engine Coolant Temperature, Transmission Oil Temperature and Engine Oil Pressure. The system issues a warning and cuts back on engine rpm when parameters go out of range. It also monitors the brake fluid level and warns when the level is too low. The EPS also issues periodic maintenance alerts by displaying them on the screen.
PREMIUM LED/LCD DISPLAY	The standard premium LED/LCD display is connected to the monitoring system alerting the operator if one of the systems is not in check. It includes a Speedometer, Hour Meter, Clock, Travel Direction, Low Fuel Indicator or Fuel Gage, Coolant Temperature, Battery Charging Status, Operator Passcode capability and other systems-related indicators & warnings.

2. **QUOTATION.** This quotation is an offer to sell certain equipment (Equipment;) or services (Services;) as described in this quote to Buyer and is tendered by Buyer for acceptance by Seller. This quotation can only be a binding offer if signed by the General Manager or General Sales Manager at the branch of Seller's sales and service office stated herein. Upon said acceptance, this Agreement shall be effective after and shall survive (i) delivery of the Equipment or completion of Services, as applicable, and (ii) the signing of any additional security agreement relating to Equipment. If the terms hereof conflict with any such security agreement, the terms of the latter shall control.
3. **SHIPMENT.** Unless otherwise agreed in writing, all prices are for material packed for domestic shipment and for delivery F.O.B. factory or point of shipment. Shipping dates are approximate and based on prompt receipt of all necessary information. Notwithstanding anything to the contrary, all risk of loss for the Equipment shall be upon the Buyer from point of shipment. Buyer shall pay all transportation and delivery charges to final destination.
4. **PRICES.** Prices quoted herein are based on present costs. Prices are subject to increase by Seller at any time prior to commencement of Services, or delivery in respect of all or any portion of the Equipment, on order for scheduled commencement or delivery more than six (6) months from order date, to the extent necessary to cover Seller's increased costs applicable thereto.
5. **PAYMENT.** Partial shipments may be made and payments therefor shall become due in accordance with the terms hereof. Finance charges are subject to rates in effect at time of delivery of Equipment. The terms of sale herein are subject to credit approval and Seller may at any time prior to commencement of Services or delivery of Equipment modify the terms of payment originally specified to assure prompt payment for the Services and/or Equipment ordered.
6. **TAXES.** The amount of taxes stated on the face hereof, if any, is approximate only. Buyer is liable for the full amount of taxes applicable to or as a result of this transaction, exclusive of franchise taxes and taxes measured by the net income of Seller. Buyer shall pay the amount of all such taxes as at any time requested by Seller as if originally added to the price. If Seller pays such taxes, Buyer shall reimburse Seller therefor.
7. **SECURITY INTEREST AND DEFAULT.** Seller shall retain a security interest in Equipment until the total selling price, including taxes, delivery and other charges, is paid in full by Buyer. Buyer agrees to sign and deliver to Seller any additional security interest and UCC documents required by Seller and agrees to do such other acts and execute such other instruments as Seller may request to give Seller a valid security interest in the Equipment.
If Buyer fails or refuses to accept delivery of the Equipment and parts ordered hereunder or shall default in the performance of any of the terms, covenants and conditions of this Agreement, Seller may retain the cash deposited or paid to it and the Equipment accepted by it on account of the sale price, if any, and apply the same toward payment of its damages. 10. **CANCELLATION.** Buyer may cancel its order, reduce quantities, revise specifications or scope or extend schedules only by agreement by Seller in its sole discretion. In the event of such agreement, Buyer shall be liable for reasonable and applicable charges which shall include but not be limited to restocking fees, freight charges, cancellation charges, demobilization costs, or other similar charges, and shall also take into account expenses already incurred or to be incurred by Seller and commitments made by Seller, and Buyer shall indemnify Seller against any losses resulting therefrom.

11. ENTIRE AGREEMENT AND APPLICABLE LAW. The rights and obligations of Seller and Buyer under any order placed pursuant hereto shall be governed by the laws of the state of Texas. The provisions hereof are intended by Buyer and Seller to be the entire agreement pertaining to the subject matter hereof, and supersede all prior agreements, understandings, negotiations and discussions, whether oral or written, of the parties hereto pertaining to the subject matter hereof. No waiver, modification or addition to any of the terms hereof shall be binding on Seller unless made in writing by the General Manager or the General Sales Manager at Seller's branch as stated herein. In the event of conflict between a service agreement or Buyer's purchase order and the terms hereof, the latter shall control.

12. TITLE. Title to the Equipment shall not pass to Buyer until the purchase price has been paid in full. In the event of non-payment within sixty (60) days after delivery, Seller reserves the right to repossess the Equipment and to charge a reasonable sum for the use thereof during the period from delivery to repossession.

13. ENFORCEABILITY. If any part or provision of this Agreement is declared invalid by a competent authority, such declaration shall not have the effect of invalidating or voiding the remainder of this Agreement. The parties agree that the part(s) of this Agreement so held to be invalid, void or unenforceable shall be modified to the extent required to make it enforceable, or, if necessary, the Agreement shall be deemed to be amended to delete the unenforceable part or provision, and the remainder shall have the same force and effect as if such part or provision had never been included herein.
