 - **\$5,000 for Community Center Dance Floor Panels**
 - **\$2,000 for Carson Event Center Landscaping**
 - **\$2,000 for Storage Racks**

\$500,000 Broadband RFP

Goal: Support the City Council's vision of providing affordable internet services to City residents and businesses by providing access to reliable, high-speed broadband network services to help increase access to jobs, educational opportunities, civic engagement, and critical public services.

- An online broadband survey was recently released on the City website and published in the winter issue of the Carson Report seeking input from the community about their Internet connection.
- Staff issued a Request for Proposal (RFP) on January 5, 2023, seeking a consultant to inventory the current broadband assets in the City, conduct a needs assessment, identify broadband service gaps, develop a conceptual network design, and phased implementation plan, and assist with evaluating potential partners. **Proposals are due on February 8, 2023.**
- Staff is researching potential grant opportunities to fund engineering design, construction management, and construction costs.
- Estimated time frame for completion of the scope of work specified in the RFP is Q1 2024
- **Upon Council Approval, \$250,000 will be reallocated to Small Business Grant Program**

\$350,000 Wi-Fi at the Parks

➤ September 20, 2022

The City Council approved Wi-Fi implementation contract with **Datagear**.

➤ Total Cost of the project is **\$420,272**:

- **\$350,000** from ARPA and
- **\$70,272** from the General Fund (only **16%** of total cost).

➤ Scope of Work:

- Provide complete installation and configuration of an outside public WiFi network at 12 City Parks, City Hall, and Community Center.
- After installation, provide support and maintain infrastructure for 5 years.

➤ Estimated completion: First Quarter 2023

Mills Park	1340 E. Diamondale Dr., CA. 90745

\$330,000 Emergency Operations Center Upgrade

- Emergency Services (ES) staff have identified the necessary state of the art technology and functionality to bring the current Emergency Operations Center (EOC) to national incident management standards.
- In consultation with Public Works Engineering, ES staff will coordinate with existing consultants to expedite the architectural process and maintain cost control. This process will result in 3 conceptual designs.
- Project will provide upgrades for the following departments:
 - Emergency Services
 - Public Safety
 - Information Technology

\$183,000 Community Engagement

- On August 2, 2022, City Council approved contract with Raftelis Financial Consultants and the project has been ongoing.
- Comprehensive Strategic Communications and Marketing Implementation Plans:
 - **City's Public Information Office**
 - **Carson Event Center**
- Final Plans:
 - Guidelines for Citywide Communications including Outreach Strategies to residents
 - New Communications and Marketing Plan for Carson Event Center
 - Updated logos and branding have been developed for written and digital materials, including designs for Citywide wayfinding and monument signage. All final designs will be approved by City Council.
 - Project will improve City's ability to engage community through **consolidated** communications program
 - Estimated completion of plans in February 2023 with implementation to follow
 - Per Council Approval, the remaining \$137,263 will be reallocated to Small Business Grant Program
