AMENDMENT NO. 1

TO PUBLIC WORKS AGREEMENT

THIS AMENDMENT TO PUBLIC WORKS AGREEMENT ("Amendment") by an
between the CITY OF CARSON, a California municipal corporation ("City") and J.A. Urban, Inc.
a California corporation ("Contractor"), is effective as of the day of
2023.

RECITALS

- A. City and Contractor entered into that certain Public Works Agreement dated October 19, 2021 ("Agreement") whereby Contractor agreed to complete City Project No. 1656: Community Center Bathroom Renovation ("Project"), for a Contract Sum not to exceed \$1,561,857.00.
- B. During City Council meeting of October 19, 2021, where the City Council awarded Contractor the contract to complete the Project, the City Council also approved a 15% contingency in the amount of \$234,278.55 to provide for funding of any unforeseen circumstances during construction.
- C. The Project has required City and Contractor to approve various change orders identified as Change Orders 1, 2, 3 and 4 (collectively, "Change Orders 1-4"), because of construction delays caused by design changes due to site conditions found during demolition, supply chain issues to procure materials, and delays to meet the operations of the current facility. The total amount of Change Orders 1-4 is \$218,267.77 and the work is substantially completed.
- D. Additional change orders in the amount of \$44,484.41 and \$32,221.74 are now needed to approve additional work including for tile, floors, drywall and a water fountain ("Change Order 5") and for restroom stalls and electrical work ("Change Order 6") which, when added to \$218,267.77 for Change Orders 1-4 (together, "Collective Change Orders"), will increase the Contract Sum to \$1,856,830.80.
- E. The City and Contractor now desire to amend the Agreement and to have City Council ratify and approve the Collective Change Orders to (i) expand the Scope of Work to include the scope included in the Collective Change Orders, (ii) increase the Contract Sum to \$1,856,830.80 to incorporate the added cost for the work contained in the Collective Change Orders, and (iii) extend the Project completion deadline to June 30, 2023.
