

MPN SERVICES

There is a lack of stand-alone MPN options. Most MPN services are bundled into the Worker's Compensation Third Party Administrator contract or for an insurance carrier. I checked with five Claims Administrators and four out of the five did not provide the stand-alone MPN option.

MPN	Stand-alone	Bundled Only
Athens Administrators	No	Yes
WellComp	No	Yes
Sedgwick	No	Yes
Keenan and Associates	No	Yes
Corvel	Did not respond
