Re: 2016 Residential Rate Adjustment

Dear Mr. Farfsing:

Waste Management deeply appreciates serving the City of Carson and has worked closely with the City and the Public Works Department to implement and enhance many environmental programs.

As per the new contract, Waste Management is officially submitting a rate adjustment request for the 2016/2017 Residential Rates. In addition, as you know, we are currently carrying over rate adjustments for the last two years that need to be resolved.

Waste Management respectfully requests a residential price adjustment pursuant to Article 6 of the Integrated Residential Waste Management Services Agreement. Calculations are attached for your review and approval. In addition, WM remains interested in the overall negotiations that are continuing with the City and hopeful of expeditious resolution to all matters before us.

Thank you for your consideration. Please let me know if you have any questions.

Sincerely,

Janine Hamner
Manager, Community and Municipal Affairs
