Prior to 1994, Regional Library Councils in the 5 County Library Regions provided the opportunity for citizen participation and input regarding County Library operations. In 1996, the Board of Supervisors ordered the Commission to be restructured following a proposal developed by a working group of representatives of involved agencies. The new Library Commission has 20 members. Ten commissioners are selected by the City Selection Committee of representatives of the cities served by the County Library, selections to be made from among elected city council members in those cities; and ten commissioners appointed by the Board of Supervisors, two by each Supervisor. This action created a Commission which represents both the unincorporated areas and the cities served by the County Library. Meeting Stipend: None
