Subject: SCAG Sustainability Planning Grant Award

To Hon. Robles:

Congratulations! On behalf of the Regional Council, I am pleased to inform you that the City of Carson submittal for the Neighborhood Mobility Plan project has been approved at the meeting on February 2nd. The City of Carson has been awarded a Sustainability Planning Grant valued at approximately \$193,000 in planning services. The Southern California Association of Governments' (SCAG) looks forward to partnering with the City of Carson on this planning grant and appreciates your interest.

This project is another step towards implementing the approved 2016-2040 Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) that was developed through a bottom-up collaborative process. The Sustainability Planning Grant program enables SCAG to partner directly with our members by providing financial assistance to local planning initiatives that help implement the 2016-2040 RTP/SCS and, at the same time, support local priorities.

SCAG is pleased to be able to offer you consultant services, free of charge, to implement your project. The next step will be to work from the project proposal to develop a scope of work and "Request for Proposals" (RFP) for bid by a qualified consultant team to support your effort.

SCAG staff will be in touch shortly to discuss this process. In the meantime, if you have any questions please do not hesitate to contact Marco Anderson, Program Manager, at (213) 236-1879 or by email at anderson@scag.ca.gov. Thank you again for your interest in partnering with SCAG to plan for a better future for your community and the entire SCAG region.

Sincerely,

Hasan Ikhrata
