RE: SCAG Sustainability Planning Grant Award – Letter of Commitment

Mr. Anderson,

On behalf of the City of Carson, it is my pleasure to accept the Southern California Association of Governments (SCAG) Regional Council Sustainability Planning Grant Program award. This award will make it possible for the City of Carson to prepare a community plan that reflect changing population and demands, focus growth around transit and livable corridors, support sustainability and integrate best practices. This award will also directly support the City's efforts to comprehensively update the General Plan and Zoning Ordinance.

We look forward to collaborating with SCAG to ensure that this effort is effective and result-oriented. We are fully committed to meet our obligations as a grant award recipient.

If you have any questions or comments, please feel free to contact Richard Rojas, Senior Planner at rojas@carson.ca.us or 310-952-1700 x1365.

Sincerely,

Kenneth C. Farfsing
City Manager
