Section 5. CEQA.

a. Certain pipelines which are the subject of this Franchise were previously owned and operated by Equilon under Ordinance No. 00-1208, and are depicted on Exhibit A hereto. b. This Franchise also applies to additional pipelines which will be constructed pursuant to permits including Carson Excavation Permit No. 75339, and routed through the Alameda Street crossing bore and/or the Sepulveda Boulevard crossing bore (collectively, “LARIC Pipelines”), as depicted on Exhibit A hereto. An Environmental Impact Report (“EIR”) was prepared by the South Coast Air Quality Management District (“SCAQMD”) as the lead agency pursuant to CEQA for a project including the LARIC Pipelines. SCAQMD certified the Final EIR (State Clearinghouse No. 2014091020) on May 12, 2017. The City Council hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase, part or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, parts or portions thereof be declared invalid or unconstitutional.

Section 10. This Ordinance shall be in full force and effect thirty (30) days after its second reading and adoption.

Section 11. The City Clerk shall certify to the adoption of this Ordinance, and shall cause the same to be posted in the manner required by law
