Re: Letter of Support for South Bay Cities Council of Government (SBCCOG)

Mayor and City Council:

I am writing this letter on behalf of the Technology Advancement and Innovation Commission to support the Information Technology Division in their decision to participate in exploring costs of regional fiber network. The commission has met with representatives from SBCCOG and has been informed regarding this fiber backbone initiative.

Please contact me if I can be of any further assistance.

Sincerely,

Chris Manriquez  
Chairman  
Technology Advancement and Innovation Commission
