EZ Transit Pass

The EZ transit pass is a monthly pass good for local travel on 23 different public transit carriers throughout the Greater Los Angeles region.

All EZ transit passes are sold on plastic TAP cards loaded with an electronic EZ transit pass. You can tap your card on any system that accepts TAP. **Simply have your EZ transit pass fare loaded onto your card and remember to tap before boarding.**

View a complete list of EZ transit pass participants (/riding/fares/ez-transit-pass-zones/) and see which zone is needed for your trip. EZ passes are available at Metro Customer Centers (/about/contact/customer-centers/) or at over 400 vendor locations (https://www.taptogo.net/TAPLocator2) near you.
