TERMS

- 1. Agreement Changes. The Agreement is amended as provided herein.
- A. <u>Section 1.1. Scope of Services</u>, is hereby amended to add the following additional services, as provided in the attached <u>Exhibit "A":</u>

Provide extended / additional construction management services, construction inspection, and Project Labor Agreement/Labor Compliance monitoring for the work necessary to complete the renovation of the Carson Street Master Plan. These additional

services are the result of changes in the scope of work resulting from unforeseen obstructions such as removal of buried slag structures at various locations, modifications to the reclaimed water line, redesign due to conflicts with other utilities, encountering contaminated soil material, existing material found not suitable for planting, and oil line conflicts requiring field modification and redesign. All these impacts resulted in an increase to the project scope, duration and the need for the additional services. These services are needed to ensure ample attention on the field activities, such as coordination between contractor and sub-contractor, which includes the architect and engineers, monitoring the project schedule, minimizing potential delays, and quality control issues.

B. <u>Section 2.1. Contract Sum</u> is hereby amended to read as follows:

For the services rendered pursuant to this Agreement, the Consultant shall be compensated in accordance with the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference, but not exceeding the maximum contract amount of \$1,579,200.97 for this project, which is determined to be subject to the existing city's Project Labor Agreement, ("Contract Sum"), except as provided in Section 1.8. The method of compensation may include: (i) a lump sum payment upon completion, (ii) payment in accordance with the percentage of completion of the services, (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, but not exceeding the Contract Sum or (iv) such other methods as may be specified in the Schedule of Compensation.
