## CONCURRENCE TO PROCEED WITH DISPOSITION OF BUSES

Dear Mr. Jo:

The purpose of this letter is to confirm that authorized personnel from the City of Carson may proceed with the disposition of the four transit buses identified below. These four buses were procured by the City in 2008 with funds from FTA grant CA-04-0075 under pass-through funding agreements MOU.PTCARSON, MOU.PTCARSON1 and MOU.PTCARSON2.

BUS NO.	YEAR	MODEL	CAPACITY	TYPE	VIN NUMBER	LICENSE PLATE
807	2008	GM 5500	30	8.1 cng	1GBJ5V1G28F409600	1317714
808	2008	GM 5500	30	8.1 cng	1GBJ5V1G08F414259	1317716
809	2008	GM 5500	30	8.1 cng	1GBJ5V1G38F414272	1317715
810	2008	GM 5500	30	8.1 cng	1GBJ5V1G88F414252	1317717

The City may attempt to auction the buses, but if they can't be auctioned, they may also be sold for scrap metal/salvaged. Documentation of the sale of these buses must be submitted to Metro's Grant's Management and Oversight office to my attention. If sale proceeds for any of the buses exceed \$5,000, Metro will notify the FTA and the City will technically be obligated to reimburse the FTA for 52% of the proceeds above \$5,000 (this is the FTA share of the buses). However, please note that it is not likely the FTA will actually seek such reimbursement. Proceeds under \$5,000 for each bus may be kept by the City.

Please feel free to contact me at 213-922-4894 if you have any questions or concerns.

Sincerely,

Anne M. Flores
