

AMENDMENT NO. 1

TO AGREEMENT FOR CONTRACTUAL SERVICES

THIS AMENDMENT TO THE AGREEMENT FOR CONTRACTUAL SERVICES (“Amendment No. 1”) by and between the **CITY OF CARSON** (“City”) and MDG Associates, Inc., a California corporation (“Consultant”) is effective as of the ____ day of April, 2019.

RECITALS

A. City and Consultant entered into that certain Agreement for Contractual Services dated July 1, 2018 (“Agreement”) whereby Consultant agreed to provide CDBG grant-funded program administration services.

B. Since the Agreement was initiated, the City staff member that was previously performing the administrative tracking and reporting components of CDBG grant funding, expenditures and program changes and updates retired from City service.

C. The nature of CDBG grant reporting and updating is arcane and specialized and requires experience in performing these functions accurately and timely in order to meet the demand for the City to meet the federal requirements for reporting on grant funding and expenditures and to ensure continued grant funding of the programs provided for by the grant.

D. Consultant has associates on staff that have a number of years performing the type of services that the CDBG grant requires to ensure continued success in grant funding. In order to continue to meet this demand for CDBG reporting and tracking, the City must expand the scope of services and increase the Contract Sum of the Agreement.

E. City and Consultant now desire to amend the Agreement to increase the Scope of Services and increase the Contract Sum by \$89,600 for the initial 3-year Term and \$64,600 for the optional 2-year extension, for a not-to-exceed amount of \$659,600 for the initial 3-year term and \$444,600 for the optional 2-year extension, for a total not-to-exceed sum of \$1,104,200 to enable the Consultant and City to continue to meet the requirements of the federally-funded CDBG grant program.
