ORDINANCE NO. 18-1815

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING CHAPTER 2 OF ARTICLE III OF THE CARSON MUNICIPAL CODE TO ADD SECTIONS 3255 THROUGH 3255.7 (PARKING OF OVERSIZED VEHICLES) TO PART 6 (PARKING REGULATIONS) OF CHAPTER 2 (TRAFFIC REGULATIONS) OF ARTICLE III (PUBLIC SAFETY) OF THE CARSON MUNICIPAL CODE, TO ESTABLISH PARKING RESTRICTIONS FOR OVERSIZED VEHICLES ON CITY STREETS.

WHEREAS, the City Council of the City of Carson has the authority to adopt regulations to further the health, safety, and welfare pursuant to its police power, as conferred upon it by Section 7 of Article XI of the California Constitution.

WHEREAS, the City Council has the authority to regulate parking of vehicles on City streets, pursuant to Section 22500 et seq. of the Vehicle Code.

WHEREAS, neighboring cities, such as Long Beach and Torrance, have recently adopted oversized vehicle regulation, which has resulted in a sudden increase in parking of such vehicles in the City of Carson, and the impacts of such vehicles are becoming increasingly acute.

WHEREAS, City staff has inventoried at least 377 recreational vehicles that park in the City, with 115-125 usually parked in the City at any time of the day or night; in the recent months, the City has red-tagged 17 recreational vehicles because they were either abandoned or had expired tags.

WHEREAS, City staff has also noted that tour buses, boats, truck tractors, and other oversized vehicles are also being parked at various locations in the City.

WHEREAS, the City has received and continues to receive many complaints regarding oversized vehicles parked in a way that causes a traffic hazard, or regarding secondary impacts such as human waste and trash being discarded in the public right-of-way.

WHEREAS, the City Council finds that the parking of oversized vehicles on public streets obstructs visibility from driveways and at intersections, blocks the view of regulatory and warning signs, partially blocks and/or reduces the width of travel lanes, disrupts traffic flow, affects emergency access by fire and paramedic vehicles, creates an aesthetic problem, generates noise from generators and engines, generates odors from holding tanks, and results in fire hazards; and thus creates safety risks for motorists, bicyclists, and pedestrians.

WHEREAS, the City is currently addressing issues relating to parking of oversized vehicles as they arise, and street by street; this however only solves to move the oversized vehicles from one street to the next; a more comprehensive, City-wide solution is needed.

WHEREAS, the City Council finds that in order to provide residents and visitors to the City of Carson with sufficient time to inform the residents of the City and to process all the necessary permits, this Ordinance shall not take effect until 60 days following its adoption.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, DOES ORDAIN AS FOLLOWS:
