## Notes

### Role of Marsh

Marsh is serving as your broker in placing your insurance coverage(s) referenced above. Marsh may receive different forms of compensation that relate directly or indirectly to your placements. Since Marsh's compensation may vary depending on the insurance program that you choose, Marsh is providing you with information to help you evaluate potential conflicts of interest.

Marsh may be compensated by commissions based on the sale of insurance. Commissions may vary depending on a number of factors, including the insurance purchased and the insurer selected. The commissions that Marsh or its affiliates may collect on the quotes Marsh obtained on your behalf are itemized above.

### Insurer Consulting Compensation

Marsh receives separate compensation from insurers for providing consulting, data analytics or other services. The services are designed to improve the offerings available to our clients, assist insurers in identifying new opportunities, and enhance insurers' operational efficiency. The scope and nature of the services vary by insurer and by geography. This compensation can be paid in the form of a fixed fee, a percentage of premium, or a combination of both. It is in addition to and will not be credited against any fee payable to Marsh and will not be subject to any cap on commissions payable to Marsh. In certain cases, percentage based insurer consulting compensation is payable on new business only (as defined in agreement with the insurer) and, in other cases, the rate for percentage based insurer consulting compensation is higher for new business than for renewal business.

### Facilities

Marsh UK operates facilities with certain insurers that provide insurance capacity, including Quota Share arrangements and Placement Plus facilities. Marsh UK receives flat fee compensation from the insurers for the services it provides them in connection with the establishment and administration of these facilities. These fees are in addition to and not credited against any compensation payable to Marsh by a client. For a list of these facilities and insurers, see <http://uk.marsh.com/AboutUs/LeadingtheWayinTransparency.aspx>.

### Other Information

Marsh & McLennan Companies, Inc. and its subsidiaries have direct and indirect investments in insurance and reinsurance companies and have contractual arrangements with certain insurers and wholesale brokers.

For further information regarding Marsh's and its affiliates' compensation and the matters discussed above, please visit: <http://global.marsh.com/about/Transparency.php>.

An estimate of fees, taxes and surcharges, as noted above, are in addition to the premium and will be payable by you. Actual fees, taxes and surcharges may vary depending upon changes in premium, exposure allocation and/or statutory rates and rules.
