Such optional redemption shall be at a redemption price equal to 100% of the principal amount to be redeemed, plus accrued but unpaid interest to the date fixed for redemption, without premium.

The Successor Agency shall be required to give the Trustee written notice of its intention to redeem Series 2020C Bonds under this subsection (a) with a designation of the principal amount and maturities to be redeemed at least forty five (45) days prior to the date fixed for such redemption (or such later date as shall be acceptable to the Trustee in the sole determination of the Trustee), and shall transfer to the Trustee for deposit in the Debt Service Fund all amounts required for such redemption not later than the date fixed for such redemption.

(c) Notice of Redemption Rescission. The Trustee on behalf and at the expense of the Successor Agency shall mail (by first class mail, postage prepaid) notice of any redemption at least thirty (30) but not more than sixty (60) days prior to the redemption date, (i) to any Insurer and to the Owners of any Bonds designated for redemption at their respective addresses appearing on the Registration Books, and (ii) to the Securities Depositories and one or more Information Services designated in a Written Request of the Successor Agency filed with the Trustee; but such mailing shall not be a condition precedent to such redemption and neither failure to receive any such notice nor any defect therein shall affect the validity of the proceedings for the redemption of such Bonds or the cessation of the accrual of interest thereon. Such notice shall state the redemption date and the redemption price, shall state, in the case of a redemption pursuant to (a) above, that such redemption is conditioned upon the timely delivery of the redemption price by the Successor Agency to the Trustee for deposit in the Redemption Account, shall designate the CUSIP number of the Bonds to be redeemed, shall state the individual number of each Bond to be redeemed or shall state that all Bonds between two stated numbers (both inclusive) or all of the Bonds Outstanding are to be redeemed, and shall require that such Bonds be then surrendered at the Principal Corporate Trust Office of the Trustee for redemption at the redemption price, giving notice also that further interest on such Bonds will not accrue from and after the redemption date.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any such notice of optional redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent; provided, however, the notice of rescission shall not be required to be mailed within the time period required for the notice of redemption.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall, to the extent practicable, bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(d) Partial Redemption of Bonds. In the event only a portion of any Bond is called for redemption, then upon surrender of such Bond the Successor Agency shall execute and the Trustee shall authenticate and deliver to the Owner thereof, at the expense of the Successor Agency, a new Bond or Bonds of the same interest rate and maturity, of authorized denominations, in aggregate principal amount equal to the unredeemed portion of the Bond to be redeemed.

(e) Effect of Redemption. From and after the date fixed for redemption, if funds available for the payment of the redemption price of and interest on the Bonds so called for redemption shall have been duly deposited with the Trustee, such Bonds so called shall cease to be entitled to any benefit under this Indenture other than the right to receive payment of the redemption price and accrued interest to the redemption date, and no interest shall accrue thereon from and after the redemption date specified in such notice.

(f) Manner of Redemption. Whenever any Bonds or portions thereof are to be selected for redemption by lot, the Trustee shall make such selection, in such manner as the Trustee shall deem appropriate, and shall notify the Successor Agency thereof to the extent Bonds are no longer held in book-entry form. In the event of redemption by lot of Bonds, the Trustee shall assign to each Bond then Outstanding a distinctive number for each \$5,000 of the principal amount of each such Bond. The Bonds to be redeemed shall be the Bonds to which were assigned numbers so selected, but only so much of the principal amount of each such Bond of a denomination of more than \$5,000 shall be redeemed as shall equal \$5,000 for each number assigned to it and so selected. All Bonds redeemed or purchased pursuant to this Section 2.03 shall be cancelled and destroyed.

(g) Purchase in Lieu of Redemption. In lieu of redemption of the Term Bonds pursuant to the subsection (b) above or pursuant to a Supplemental Indenture, amounts on deposit in the Special Fund or in the Principal Account may also be used and withdrawn by the Successor Agency and the Trustee, respectively, at any time, upon the Written Request of the Successor Agency, for the purchase of the Term Bonds at public or private sale as and when and at such prices (including brokerage and other charges, but excluding accrued interest, which is payable from the Interest Account) as the Successor Agency may in its discretion determine. The par amount of any Term Bonds so purchased by the Successor Agency in any twelve-month period ending on July 1 in any year shall be credited towards and shall reduce the par amount of the Term Bonds required to be redeemed pursuant to subsection (d) on February 1 in each year; provided that evidence satisfactory to the Trustee of such purchase has been delivered to the Trustee by said July 1.

Section 2.04 Form of Series 2020C Bonds. The Series 2020C Bonds, the form of Trustee's Certificate of Authentication, and the form of Assignment to appear thereon, shall be substantially in the form set forth in Exhibit A, which is attached hereto and by this reference incorporated herein, with necessary or appropriate variations, omissions and insertions, as permitted or required by this Indenture.

Either or both of such signatures may be made manually or may be affixed by facsimile thereof. If any officer whose signature appears on any Bond ceases to be such officer

before delivery of the Bonds to the purchaser, such signature shall nevertheless be as effective as if the officer had remained in office until the delivery of the Bonds to the purchaser. Any Bond may be signed and attested on behalf of the Successor Agency by such persons as at the actual date of the execution of such Bond shall be the proper officers of the Successor Agency although on the date of such Bond any such person shall not have been such officer of the Successor Agency.

Only such of the Bonds as shall bear thereon a Certificate of Authentication in the form hereinbefore set forth, manually executed and dated by the Trustee, shall be valid or obligatory for any purpose or entitled to the benefits of this Indenture, and such Certificate shall be conclusive evidence that such Bonds have been duly authenticated and delivered hereunder and are entitled to the benefits of this Indenture. In the event temporary Bonds are issued pursuant to Section 2.09 hereof, the temporary Bonds may bear thereon a Certificate of Authentication executed and dated by the Trustee, may be initially registered by the Trustee, and, until so exchanged as provided under Section 2.09 hereof, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.06 Transfer of Bonds. Any Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the person in whose name it is registered, in person or by a duly authorized attorney of such person, upon surrender of such Bond to the Trustee at its Principal Corporate Trust Office for cancellation, accompanied by delivery of a written instrument of transfer in a form acceptable to the Trustee, duly executed. Whenever any Bond shall be surrendered for transfer, the Successor Agency shall execute and the Trustee shall thereupon authenticate and deliver to the transferee a new Bond or Bonds of like tenor, maturity and aggregate principal amount of authorized denominations. The Trustee shall require the payment by the Owner of any tax or other governmental charge on the transfer of any Bonds pursuant to this Section 2.06. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any transfer shall be paid by the Successor Agency.

The Trustee may refuse to transfer, under the provisions of this Section 2.06, either (a) any Bonds during the period fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption, or (b) any Bonds selected by the Trustee for redemption.

Section 2.07 Exchange of Bonds. Bonds may be exchanged at the Principal Corporate Trust Office of the Trustee for Bonds of the same tenor and maturity and of other authorized denominations. The Trustee shall require the payment by the Owner of any tax or other governmental charge on the exchange of any Bonds pursuant to this Section 2.07. The cost of printing Bonds and any services rendered or expenses incurred by the Trustee in connection with any exchange shall be paid by the Successor Agency.

The Trustee may refuse to exchange, under the provisions of this Section 2.07, either (a) any Bonds during the fifteen (15) days prior to the date established by the Trustee for the selection of Bonds for redemption or (b) any Bonds selected by the Trustee for redemption.

Section 2.08 Registration of Bonds. The Trustee will keep or cause to be kept, at its Principal Corporate Trust Office, sufficient records for the registration and registration of transfer of the Bonds, which shall at all times during normal business hours be open to inspection and copying by the Successor Agency, upon reasonable prior notice to the Trustee; and, upon presentation for

such purpose, the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred, on the Registration Books Bonds as hereinbefore provided.

Section 2.09 Temporary Bonds. The Bonds may be initially issued in temporary form exchangeable for definitive Bonds when ready for delivery. The temporary Bonds may be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Successor Agency, and may contain such reference to any of the provisions of this Indenture as may be appropriate. Every temporary Bond shall be executed by the Successor Agency upon the same conditions and in substantially the same manner as the definitive Bonds. If the Successor Agency issues temporary Bonds, it will execute and furnish definitive Bonds without delay, and thereupon the temporary Bonds shall be surrendered, for cancellation, in exchange therefor at the Principal Corporate Trust Office of the Trustee, and the Trustee shall authenticate and deliver in exchange for such temporary Bonds an equal aggregate principal amount of definitive Bonds of authorized denominations, interest rates and like maturities. Until so exchanged, the temporary Bonds shall be entitled to the same benefits pursuant to this Indenture as definitive Bonds authenticated and delivered hereunder.

Section 2.10 Bonds, Mutilated, Lost, Destroyed or Stolen. If any Bond shall become mutilated, the Successor Agency, at the expense of the Owner of such Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence be satisfactory to it and indemnity satisfactory to it shall be given, the Successor Agency, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of like tenor and amount in lieu of and in substitution for the Bond so lost, destroyed or stolen (or if any such Bond has matured or has been called for redemption, instead of issuing a substitute Bond, the Trustee may pay the same without surrender thereof upon receipt of indemnity satisfactory to the Trustee and the Successor Agency). The Successor Agency may require payment by the Owner of a sum not exceeding the actual cost of preparing each new Bond issued under this Section 2.10 and of the expenses which may be incurred by the Successor Agency and the Trustee in the premises. Any Bond issued under the provisions of this Section in lieu of any Bond alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Successor Agency whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be equally and proportionately entitled to the benefits of this Indenture with all other Bonds issued pursuant to this Indenture.

Section 2.11 Book-Entry System.

(a) Original Delivery. The Bonds shall be initially delivered in the form of a separate single fully registered Bond without coupons (which may be typewritten) for each maturity of the Bonds. Upon initial delivery, the ownership of each such Bond shall be registered on the Registration Books in the name of the Nominee. Except as provided in subsection (c), the ownership of all of the Outstanding Bonds shall be registered in the name of the Nominee on the Registration Books.

With respect to Bonds the ownership of which shall be registered in the name of the Nominee, neither the Successor Agency nor the Trustee shall have any responsibility or obligation to any Depository System Participant or to any person on behalf of which the Depository System Participant holds an interest in the Bonds. Without limiting the generality of the immediately preceding sentence, neither the Successor Agency nor the Trustee shall have any responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Depository System Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any notice with respect to the Bonds, including any notice of redemption, (iii) the selection by the Depository of the beneficial interests in the Bonds to be redeemed in the event the Successor Agency elects to redeem the Bonds in part, (iv) the payment to any Depository System Participant or any other person, other than a Bondowner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest on the Bonds or (v) any consent given or other action taken by the Depository as Owner of the Bonds. The Successor Agency and the Trustee may treat and consider the person in whose name each Bond is registered as the absolute owner of such Bond for the purpose of payment of principal, premium and interest on such Bond, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfers of ownership of such Bond, and for all other purposes whatsoever. The Trustee shall pay the principal of and interest and premium, if any, on the Bonds only to the respective Owners or their respective attorneys duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge all obligations with respect to payment of principal of and interest and premium, if any, on the Bonds to the extent of the sum or sums so paid. No person other than a Bondowner shall receive a Bond evidencing the obligation of the Successor Agency to make payments of principal, interest and premium, if any, pursuant to this Indenture. Upon delivery by the Depository to the Nominee of written notice to the effect that the Depository has determined to substitute a new nominee in its place, and subject to the provisions herein with respect to Record Dates, such new nominee shall become the Nominee hereunder for all purposes; and upon receipt of such a notice the Successor Agency shall promptly deliver a copy of the same to the Trustee.

(b) Representation Letter. In order to qualify the Bonds for the Depository's book-entry system, the Successor Agency and the Trustee shall execute and deliver to such Depository a letter representing such matters as shall be necessary to so qualify the Bonds. The execution and delivery of such letter shall not in any way limit the provisions of subsection (a) above or in any other way impose upon the Successor Agency or the Trustee any obligation whatsoever with respect to persons having interests in the Bonds other than the Bondowners. The Trustee agrees to comply with all provisions in such letter with respect to the giving of notices thereunder by the Trustee. In addition to the execution and delivery of such letter, upon written request of the Depository or the Trustee, the Successor Agency may take any other actions, not inconsistent with this Indenture, to qualify the Bonds for the Depository's book-entry program.

(c) Transfers Outside Book-Entry System. In the event that either (i) the Depository determines not to continue to act as Depository for the Bonds, or (ii) the Successor Agency determines to terminate the Depository as such, then the Successor Agency shall thereupon discontinue the book-entry system with such Depository. In such event, the Depository shall cooperate with the Successor Agency and the Trustee in the issuance of replacement Bonds by providing the Trustee with a list showing the interests of the Depository System Participants in the

Bonds, and by surrendering the Bonds, registered in the name of the Nominee, to the Trustee on or before the date such replacement Bonds are to be issued. The Depository, by accepting delivery of the Bonds, agrees to be bound by the provisions of this subsection (c). If, prior to the termination of the Depository acting as such, the Successor Agency fails to identify another Securities Depository to replace the Depository, then the Bonds shall no longer be required to be registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Article II. Prior to its termination, the Depository shall furnish the Trustee with the names and addresses of the Depository System Participants and respective ownership interests thereof.

(d) Payments to the Nominee. Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to principal of and interest and premium, if any, on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the letter described in subsection (b) of this Section or as otherwise instructed by the Depository.

Section 2.12 Applicability of Provisions to Additional Bonds. Unless otherwise provided in a Supplemental Indenture, the provisions of Sections 2.03(c) through (g) and 2.05 through 2.11 shall apply to additional Bonds.

Section 3.03 Costs of Issuance Fund. There is hereby established a separate fund to be known as the “Costs of Issuance Fund”, which shall be held by the Trustee in trust. The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance with respect to the Series 2020C Bonds upon submission of a Written Request of the Successor Agency stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against said fund. Each such Written Request of the Successor Agency shall be sufficient evidence to the Trustee of the facts stated therein and the Trustee shall have no duty to confirm the accuracy of such facts. On the date which is six (6) months following the Closing Date with respect to the Series 2020C Bonds, or upon the earlier Written Request of the Successor Agency, all amounts (if any) remaining in the Costs of Issuance Fund shall be withdrawn therefrom by the Trustee and transferred to the Interest Account within the Debt Service Fund, and the Costs of Issuance Fund shall be closed.

Section 3.04 Remediation Fund.

All moneys in the Remediation Fund shall be transferred by the Trustee to the Carson Reclamation Authority upon direction from the Carson Reclamation Authority and are to be used to complete the Remediation.

Section 3.05 Issuance of Parity Debt. In addition to the Series 2020C Bonds, the Successor Agency may issue additional bonds (including pursuant to a Supplemental Indenture) or incur other loans, advances or indebtedness payable from Pledged Tax Revenues on a parity with the Series 2020C Bonds provided such issuance is permitted under Section 34177.5 of the Dissolution Act. The Successor Agency may issue and deliver any such Parity Debt subject to the following specific conditions all of which are hereby made conditions precedent to the issuance and delivery of such Parity Debt:

(a) No event of default hereunder or under any Parity Debt Instrument shall have occurred and be continuing unless such event of default will be cured by the issuance of such Parity Debt;

(b) The issuance of the Parity Debt shall comply with the requirements of Section 34177.5 of the Dissolution Act; and

(c) In the event the Successor Agency issues additional Bonds pursuant to a Supplemental Indenture, the Successor Agency shall cause the amount on deposit in the Reserve Account to equal the Reserve Requirement; and

ARTICLE IV

SECURITY OF BONDS; FLOW OF FUNDS

Section 4.01 Security of Bonds; Equal Security. Except as may otherwise be provided in Section 4.02, Section 5.12 and Section 6.06, the Series 2020C Bonds and any Parity Debt shall be equally secured by a pledge of, security interest in and lien on all of the Pledged Tax Revenues and the moneys in the Special Fund, and the Series 2020C Bonds and any additional Bonds shall also be secured by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Redemption Account and the Reserve Account (including any subaccounts therein) without preference or priority for series, issue, number, dated date, sale date, date of execution or date of delivery. Except for the Pledged Tax Revenues, which constitute the amounts deposited in the Redevelopment Property Tax Trust Fund that are not pledged to other obligations of the Former Agency or the Successor Agency, and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium (if any) on the Bonds.

In consideration of the acceptance of the Bonds by those who shall hold the same from time to time, this Indenture shall be deemed to be and shall constitute a contract between the Successor Agency and the Owners from time to time of the Bonds, and the covenants and agreements herein set forth to be performed on behalf of the Successor Agency shall be for the equal and proportionate benefit, security and protection of all Owners of the Bonds without preference, priority or distinction as to security or otherwise of any of the Bonds over any of the others by reason of the number or date thereof or the time of sale, execution and delivery thereof, or otherwise for any cause whatsoever, except as expressly provided therein or herein.

Section 4.02 Special Fund; Deposit of Pledged Tax Revenues. There is hereby established a special fund to be known as the "Subordinate Bonds Special Fund" which is to be held by the Successor Agency within the Redevelopment Obligation Retirement Fund and which shall be known as the "Special Fund". The Redevelopment Obligation Retirement Fund, including the Subordinate Bonds Special Fund therein, shall be held by the Successor Agency separate and apart from other funds of the Successor Agency.

The Successor Agency shall deposit all of the Pledged Tax Revenues received with respect to any Semiannual Period in accordance with Section 5.12 hereof into the Special Fund promptly upon receipt thereof by the Successor Agency. All Pledged Tax Revenues received by the Successor Agency in excess of the amount required to make the deposits required herein in order to pay debt service on the Bonds [(including amounts due to the 2020 Insurer)] and any Parity Debt or replenish the Reserve Account [(including amounts due to 2020 Insurer with respect to the 2020 Reserve Policy)] or any reserve fund established pursuant to a Parity Debt Instrument in any Bond Year and to make any other payments due hereunder or required by any Parity Debt Instrument in any Bond Year, and except as may be provided to the contrary in this Indenture or in any Supplemental Indenture or Parity Debt Instrument, shall be released from the pledge and lien hereunder and shall be applied in accordance with the Law, including but not limited to the payment of debt service on any Subordinate Debt. Prior to the payment in full of the principal of and interest and redemption premium (if any) on the Bonds and the payment in full of all other amounts payable hereunder and under any Supplemental Indentures or other Parity Debt Instrument, the Successor Agency shall not have any beneficial right or interest in the moneys on deposit in the Special Fund, except as may be provided in this Indenture and in any Supplemental Indenture or other Parity Debt Instrument.

Section 4.03 Deposit of Amounts by Trustee. There is hereby established a trust fund to be known as the Debt Service Fund, which shall be held by the Trustee hereunder in trust. Moneys in the Special Fund shall be transferred by the Successor Agency to the Trustee in the following amounts, at the following times, and deposited by the Trustee in the following respective special accounts, which are hereby established in the Debt Service Fund, and in the following order of priority (provided further that, if on the fifth (5th) Business Day prior to the date the Successor Agency is required to transfer amounts on deposit in the Special Fund to the Trustee there are not amounts on deposit therein sufficient to make the following deposits, taking into account amounts required to be transferred with respect to Parity Debt other than Bonds, the Successor Agency shall immediately notify the Trustee of the amount of any such insufficiency):

(a) Interest Account. On or before the sixth (6th) Business Day preceding each Interest Payment Date, commencing with the Interest Payment Date of August 1, _____, the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee, for deposit in the Interest Account an amount which when added to the amount contained in the Interest Account on that date, will be equal to the aggregate amount of the interest becoming due and payable on the Outstanding Bonds on such Interest Payment Date. No such transfer and deposit need be made to the Interest Account if the amount contained therein is at least equal to the interest to become due on the next succeeding Interest Payment Date upon all of the Outstanding Bonds. All moneys in the Interest Account shall be used and withdrawn by the Trustee solely for the purpose of paying the interest on the Bonds as it shall become due and payable (including accrued interest on any Bonds redeemed prior to maturity pursuant to this Indenture).

(b) Principal Account. On or before the sixth (6th) Business Day preceding February 1 and August 1 in each year beginning [February 1, 2021][August 1, 2020], the Successor Agency shall withdraw from the Special Fund and transfer to the Trustee for deposit in the Principal Account an amount which, when added to the amount then contained in the Principal Account, will be equal to the principal becoming due and payable on the Outstanding Serial Bonds and Outstanding Term Bonds, including pursuant to mandatory sinking account redemption, on the next principal payment date of February 1 or August 1. No such transfer and deposit need be made to the

Principal Account if the amount contained therein is at least equal to the principal to become due on the next February 1 and/or August 1, as applicable, on all of the Outstanding Serial Bonds and Term Bonds. All moneys in the Principal Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of the Serial Bonds and the Term Bonds, including by mandatory sinking account redemption, as the same shall become due and payable.

(c) Reserve Account. There is hereby established in the Debt Service Fund a separate account known as the "Reserve Account" solely as security for payments payable by the Successor Agency pursuant to this Section 4.03 and pursuant to any Supplemental Indenture or other Parity Debt Instrument, which shall be held by the Trustee in trust for the benefit of the Owners of the Bonds and any Parity Debt. [[The Reserve Requirement for the Series 2020C Bonds will be satisfied by the delivery of the 2020 Reserve Policy by the 2020 Insurer on the Closing Date with respect to the Series 2020C Bonds. The Successor Agency will have no obligation to replace the 2020 Reserve Policy or to fund the Reserve Account with cash if, at any time that the Series 2020C Bonds are Outstanding, amounts are not available under the 2020 Reserve Policy other than in connection with a draw on the 2020 Reserve Policy.]]

Except as provided in the preceding paragraph and as may be provided in a Supplemental Indenture or Parity Debt Instrument, in the event that the amount on deposit in the Reserve Account at any time becomes less than the Reserve Requirement, the Trustee shall promptly notify the Successor Agency of such fact. Upon receipt of any such notice and as promptly as is permitted by the Law, the Successor Agency shall transfer to the Trustee an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account.

[[The amounts available under the 2020 Reserve Policy shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Interest Account and the Principal Account in such order of priority, in the event of any deficiency at any time in any of such accounts with respect to the payment of debt service on the Series 2020C Bonds.]]

Except as provided above, the amount on deposit in the Reserve Account shall be maintained at the Reserve Requirement at all times prior to the payment of the Bonds and any Parity Debt in full. If there shall then not be sufficient Pledged Tax Revenues to transfer an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account, the Successor Agency shall be obligated to continue making transfers as Pledged Tax Revenues become available until there is an amount sufficient to maintain the Reserve Requirement on deposit in the Reserve Account. No such transfer and deposit need be made to the Reserve Account so long as there shall be on deposit therein a sum at least equal to the Reserve Requirement. All money in the Reserve Account shall be used and withdrawn by the Trustee solely for the purpose of making transfers pursuant to any Parity Debt Instrument and hereunder to the Interest Account, the Principal Account and the Sinking Account, in the event of any deficiency at any time in any of such accounts or for the retirement of all the Bonds then Outstanding, except that so long as the Successor Agency is not in default hereunder or under any Parity Debt Instrument, any amount in the Reserve Account in excess of the Reserve Requirement shall be withdrawn from the Reserve Account semiannually on or before two (2) Business Days preceding each February 1 and August 1 by the Trustee and deposited in the Interest Account or be applied pro rata in accordance with any applicable provision of a Parity Debt Instrument. All amounts in the Reserve Account on the Business Day preceding the final Interest Payment Date shall be withdrawn from the Reserve Account and shall be transferred to

the Interest Account and the Principal Account, in such order, to the extent required to make the deposits then required to be made pursuant to this Section 4.03 or shall be applied pro rata as required by any Parity Debt Instrument, as applicable.

The Successor Agency shall have the right at any time to direct the Trustee to release funds from the Reserve Account, in whole or in part, by tendering to the Trustee: (i) a Qualified Reserve Account Credit Instrument, and (ii) an opinion of Bond Counsel stating that neither the release of such funds nor the acceptance of such Qualified Reserve Account Credit Instrument will cause interest on the Bonds or any Parity Debt the interest on which is excluded from gross income of the owners thereof for federal income tax purposes to become includable in gross income for purposes of federal income taxation. Upon tender of such items to the Trustee, and upon delivery by the Successor Agency to the Trustee of written calculation of the amount permitted to be released from the Reserve Account (upon which calculation the Trustee may conclusively rely), the Trustee shall transfer such funds from the Reserve Account to the Successor Agency to be applied in accordance with the Law. The Trustee shall comply with all documentation relating to a Qualified Reserve Account Credit Instrument as shall be required to maintain such Qualified Reserve Account Credit Instrument in full force and effect and as shall be required to receive payments thereunder in the event and to the extent required to make any payment when and as required under this paragraph (d). Upon the expiration of any Qualified Reserve Account Credit Instrument, the Successor Agency shall either (i) replace such Qualified Reserve Account Credit Instrument with a new Qualified Reserve Account Credit Instrument, or (ii) deposit or cause to be deposited with the Trustee an amount of funds equal to the Reserve Requirement, to be derived from the first legally available Pledged Tax Revenues. If the Reserve Requirement is being maintained partially in cash and partially with a Qualified Reserve Account Credit Instrument, the cash shall be first used to meet any deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a) or 4.03(b) of this Indenture. If the Reserve Requirement is being maintained with two or more Qualified Reserve Account Credit Instruments, any draw to meet a deficiency which may exist from time to time in the Interest Account or the Principal Account for the purpose of making payments required pursuant to Sections 4.03(a), 4.03(b) or 4.03(c) of this Indenture shall be pro-rata with respect to each such instrument. If the Reserve Requirement with respect to a particular series of Bonds is secured by a Qualified Reserve Account Credit Instrument that relates only to such series of Bonds, the calculation of Reserve Requirement for such series of Bonds shall be calculated on a stand-alone basis.

The Reserve Account may be maintained in the form of one or more separate sub-accounts which are established for the purpose of holding the proceeds of separate issues of the Bonds and any Parity Debt in conformity with applicable provisions of the Code to the extent directed by the Successor Agency in writing to the Trustee. Additionally, the Successor Agency may, in its discretion, combine amounts on deposit in the Reserve Account and on deposit in any reserve account relating to any (but not necessarily all) Parity Debt not issued as Bonds in order to maintain a combined reserve account for the Bonds and any (but not necessarily all) Parity Debt.

(d) Redemption Account. On or before the Business Day preceding any date on which Bonds are to be redeemed pursuant to Section 2.03(a), the Trustee shall withdraw from the Debt Service Fund any amount transferred by the Successor Agency pursuant to Section 2.03(a) for deposit in the Redemption Account, such amount being the amount required to pay the principal of and premium, if any, on the Series 2020C Bonds and on other Bonds to be redeemed on such date

pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture. All moneys in the Redemption Account shall be used and withdrawn by the Trustee solely for the purpose of paying the principal of and premium, if any, on the Series 2020C Bonds and on such other Bonds to be redeemed pursuant to Section 2.03(a) or a similar provision of a Supplemental Indenture on the date set for such redemption. Interest due on the Series 2020C Bonds or such other Bonds to be redeemed on the date set for redemption shall, if applicable, be paid from funds available therefor in the Interest Account. Notwithstanding the foregoing, at any time prior to giving notice of redemption of any such Series 2020C Bonds or such other Bonds, the Trustee may, at the direction of the Successor Agency, apply amounts deposited or otherwise to be deposited in the Redemption Account to the purchase of the Series 2020C Bonds or such other Bonds at public or private sale, as and when and at such prices (including brokerage and other charges, but excluding accrued interest on such Series 2020C Bonds or such other Bonds, which is payable from the Interest Account) as shall be directed by the Successor Agency.

Section 4.04 Provisions Relating to 2020 Insurance Policy. So long as the 2020 Insurer insures the Insured Bonds, the provisions of this Section 4.04 shall apply to the Insured Bonds. To the extent the following provisions relating to the 2020 Insurance Policy conflict or are inconsistent with any other provision set forth in this Indenture, the policies in this Section 4.04 shall control.

(a) (to come, if applicable)

Section 4.05 Provisions Relating to 2020 Reserve Policy. So long as the Series 2020 Reserve Policy funds the Reserve Requirement with respect to the Series 2020C Bonds, the provisions of Section 4.05 will apply. To the extent the following provisions relating to the Reserve Policy conflict or are inconsistent with any other provision set forth in this Indenture, the policies in this Section 4.05 shall control.

(a) (to come, if applicable)

ARTICLE V

OTHER COVENANTS OF THE SUCCESSOR AGENCY

Section 5.01 Punctual Payment. The Successor Agency shall punctually pay or cause to be paid the principal and interest to become due in respect of all the Bonds together with the premium thereon, if any, in strict conformity with the terms of the Bonds and of this Indenture. The Successor Agency shall faithfully observe and perform all of the conditions, covenants and requirements of this Indenture, all Supplemental Indentures and the Bonds. Nothing herein contained shall prevent the Successor Agency from making advances of its own moneys howsoever derived to any of the uses or purposes referred to herein.

Section 5.02 Limitation on Additional Indebtedness; Against Encumbrances. The Successor Agency hereby covenants that, so long as the Bonds are Outstanding, the Successor Agency shall not issue any bonds, notes or other obligations, enter into any agreement or otherwise incur any indebtedness, which is in any case payable from all or any part of the Pledged Tax Revenues except for obligations issued to refund any of the Existing Bonds or the Series 2020C Bonds or any Parity Debt, but only if the requirements of Section 3.05 or 3.07, as applicable, are met, and to issue Subordinate Debt. The Successor Agency will not otherwise encumber, pledge or

place any charge or lien upon any of the Pledged Tax Revenues or other amounts pledged to the Bonds superior or equal to the pledge and lien herein created for the benefit of the Bonds.

Section 5.03 Extension of Payment. The Successor Agency will not, directly or indirectly, extend or consent to the extension of the time for the payment of any Bond or claim for interest on any of the Bonds and will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or funding the Bonds or claims for interest in any other manner. In case the maturity of any such Bond or claim for interest shall be extended or funded, whether or not with the consent of the Successor Agency, such Bond or claim for interest so extended or funded shall not be entitled, in case of default hereunder, to the benefits of this Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest which shall not have been so extended or funded.

Section 5.04 Payment of Claims. The Successor Agency shall promptly pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the properties owned by the Successor Agency or upon the Pledged Tax Revenues or other amounts pledged to the payment of the Bonds, or any part thereof, or upon any funds in the hands of the Trustee, or which might impair the security of the Bonds. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said claims.

Section 5.05 Books and Accounts; Financial Statements. The Successor Agency shall keep, or cause to be kept, proper books of record and accounts, separate from all other records and accounts of the Successor Agency and the City, in which complete and correct entries shall be made of all transactions relating to the Redevelopment Projects, the Pledged Tax Revenues and the Special Fund. Such books of record and accounts shall at all times during business hours be subject to the inspection of the [2020 Insurer, any other Insurer and the] Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds then Outstanding, or their representatives authorized in writing.

The Successor Agency will cause to be prepared, within one hundred and eighty (180) days after the close of each Fiscal Year so long as the Bonds are Outstanding, complete audited financial statements with respect to such Fiscal Year showing the Pledged Tax Revenues, all disbursements of Pledged Tax Revenues and the financial condition of the Redevelopment Projects, including the balances in all funds and accounts relating to the Redevelopment Projects, as of the end of such Fiscal Year. The Successor Agency shall promptly furnish a copy of such financial statements to the Trustee, [the 2020 Insurer and any other insurer at no expense] and to any Owner upon reasonable request and at the expense of such Owner. In addition, the Successor Agency shall deliver to the Trustee, [the 2020 Insurer and any other insurer,] on or about February 1 of each year, a Written Certificate of the Successor Agency stating that the Successor Agency is in compliance with its obligations hereunder. The Trustee shall have no obligation to review any financial statements provided to it by the Successor Agency.

[The Successor Agency agrees, consents and will cooperate in good faith to provide information reasonably requested by the 2020 Insurer and will further provide appropriately designated individuals and officers to discuss the affairs, finances and accounts of the Successor Agency or any other matter as the 2020 Insurer may reasonably request.]

Section 5.06 Protection of Security and Rights of Owners. The Successor Agency will preserve and protect the security of the Bonds and the rights of the Owners. From and after the Closing Date with respect to the Series 2020C Bonds, the Series 2020C Bonds shall be incontestable by the Successor Agency.

Section 5.07 Payments of Taxes and Other Charges. Except as otherwise provided herein, the Successor Agency will pay and discharge, or cause to be paid and discharged, all taxes, service charges, assessments and other governmental charges which may hereafter be lawfully imposed upon the Successor Agency or the properties then owned by the Successor Agency in the Redevelopment Projects, or upon the revenues therefrom when the same shall become due. Nothing herein contained shall require the Successor Agency to make any such payment so long as the Successor Agency in good faith shall contest the validity of said taxes, assessments or charges. The Successor Agency will duly observe and conform with all valid requirements of any governmental authority relative to the Redevelopment Projects or any part thereof.

Section 5.08 Taxation of Leased Property. All amounts derived by the Successor Agency pursuant to Section 33673 of the Law with respect to the lease of property for redevelopment shall be treated as Pledged Tax Revenues for all purposes of this Indenture.

Section 5.09 Disposition of Property. The Successor Agency will not participate in the disposition of any land or real property in a Project Area to anyone which will result in such property becoming exempt from taxation because of public ownership or use or otherwise (except property dedicated for public right-of-way and except property planned for public ownership or use by a Redevelopment Plan in effect on the date of issuance of the Series 2020C Bonds) so that such disposition shall, when taken together with other such dispositions, aggregate more than ten percent (10%) of the land area in the applicable Project Area unless such disposition is permitted as hereinafter provided in this Section 5.09. If the Successor Agency proposes to participate in such a disposition, it shall thereupon appoint an Independent Redevelopment Consultant to report on the effect of said proposed disposition. If the Report of the Independent Redevelopment Consultant concludes that the security of the Bonds, or the rights of the Successor Agency, the Bondowners and the Trustee hereunder will not be materially impaired by said proposed disposition, the Successor Agency may thereafter make such disposition. If said Report concludes that such security will be materially impaired by said proposed disposition, the Successor Agency shall disapprove said proposed disposition.

Section 5.10 Maintenance of Pledged Tax Revenues. The Successor Agency shall comply with all requirements of the Law and the Dissolution Act to ensure the allocation and payment to it of the Pledged Tax Revenues. The Successor Agency shall not undertake proceedings for amendment of any of the Redevelopment Plans if such amendment shall result in payments to one or more taxing entities pursuant to Sections 33607.5 and 33607.7 of the Law unless the Successor Agency shall first obtain a written opinion of an Independent Redevelopment Consultant that such payments will not adversely impair the Successor Agency's ability to pay debt service on the Bonds.

Section 5.11 Continuing Disclosure. The Successor Agency hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. Notwithstanding any other provision of this Indenture, failure of the Successor Agency to comply

with the Continuing Disclosure Certificate shall not be considered an Event of Default; however, the Trustee at the request of any Participating Underwriter (as defined in the Continuing Disclosure Certificate) or the holders of at least 25% aggregate principal amount of Outstanding Bonds, shall, but only to the extent the Trustee has been indemnified from and against any loss, liability, cost or expense, including, without limitation, fees and expenses of its attorneys and advisors and additional fees and expenses of the Trustee, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 5.12 Compliance with the Dissolution Act. The Successor Agency shall comply with all of the requirements of the Law and the Dissolution Act. Without limiting the generality of the foregoing, the Successor Agency covenants and agrees to file all required statements and hold all public hearings required under the Dissolution Act to assure compliance by the Successor Agency with its covenants hereunder.

Further, it will take all actions required under the Dissolution Act to include

(i) scheduled debt service on the Existing Bonds and any amounts required to replenish any of the reserve accounts established with respect to Existing Bonds,

(ii) scheduled debt service on the Series 2020C Bonds and any Parity Debt and any amount required under this Indenture or any Parity Debt Instrument to replenish the Reserve Account established hereunder or the reserve account established under any Parity Debt Instrument, and

(iii) amounts due to any insurer [(including the 2020 Insurer)] under an insurance or surety bond agreement, and any Qualified Reserve Account Credit Instrument [(including the 2020 Reserve Policy)] or here under in Recognized Obligation Payment Schedules for each six-month period so as to enable the Auditor-Controller of the County of Los Angeles to distribute from the Redevelopment Property Tax Trust Fund to the Successor Agency's Redevelopment Obligation Retirement Fund on each January 2 and June 1 amounts required for the Successor Agency to pay principal of, and interest on, the Bonds coming due in the respective Semiannual Period and to pay amounts owed to any Insurer, [(including the 2020 Insurer)] as well as the other amounts set forth above.

Subject to the specific provisions of the next paragraph with respect to the Bonds and Parity Debt, in order to accomplish the foregoing, the Successor Agency shall take all actions required under the Law to include in the Recognized Obligation Payment Schedule for each Semiannual Period (i) debt service on the Bonds, Existing Bonds, Parity Debt and any amounts required to replenish the Reserve Account to the Reserve Requirement on any reserve funds established thereunder to the applicable reserve requirement thereunder, and (ii) all amounts due and owing to any insurer, [(including the 2020 Insurer)] so as to enable the Los Angeles County Auditor-Controller to distribute from the Redevelopment Property Tax Trust Fund for deposit in the Redevelopment Obligation Retirement Fund on each January 2 and June 1, as applicable, amounts required to enable the Successor Agency to pay timely principal of, and interest on, the Bonds on a timely basis. In order to ensure that amounts are available for the Trustee to pay debt service on all Outstanding Bonds on a timely basis, prior to each January 2 and June 1 (each an "RPTTF Distribution Date") as required by the Dissolution Act), for so long as any Bonds are outstanding, the Successor Agency

shall submit an Oversight Board-approved Recognized Obligation Payment Schedule to the State Department of Finance and to the Los Angeles County Auditor-Controller that shall include (i) all debt service due on all Outstanding Bonds for the Bond Year, including to the extent necessary, the amounts to be held by the Agency as a reserve until the six-month period in which the next RPTTF Distribution Date occurs, as contemplated by paragraph (1)(A) of subdivision (d) of Section 34171 of the Dissolution Act, that are necessary to provide for the payment of principal and interest under this Indenture when the next property tax allocation is projected to be insufficient to pay all obligations due under this Indenture and for the next payment due hereunder in the following six-month period, as well as all amounts due and owing to any insurer, and (ii) any amount required to cure any deficiency in the Reserve Account pursuant to this Indenture (including any amounts required due to a draw on any Qualified Reserve Account Credit Instrument).

In particular, with respect to the Bonds and Parity Debt, for so long as any Existing Bonds remain outstanding, (a) the Successor Agency will place on the Recognized Obligation Payment Schedules relating to the June 1 and January 2, respectively, disbursement date an amount sufficient, together with other amounts on deposit in the RPTTF reserved for payment of debt service on the Bonds and any Parity Debt on such dates or on deposit in the Special Fund or in the special fund relating to any Parity Debt, to pay the interest and principal payment or (50) percent of the debt service on the Bonds and any Parity Debt, as the case may be on the immediately succeeding February 1 and August 1, and [(b) if the Successor Agency determines it is necessary to do so to ensure receiving sufficient Pledged Tax Revenues to pay debt service on the Bonds and any Parity Debt, the Successor Agency will place on Recognized Obligation Payment Schedules relating to the June 1 or January 2 disbursement date amounts required to pay debt service on the Bonds and any Parity Debt on the next succeeding February 1 or August 1, subject to the prior pledge of the Existing Bonds.]

In the event the provisions set forth in the Dissolution Act as of the Closing Date of the Bonds that relate to the filing of Recognized Obligation Payment Schedules are amended or modified in any manner, the Successor Agency agrees to take all such actions as are necessary to comply with such amended or modified provisions so as to ensure the timely payment of debt service on the Bonds.

Section 5.13 Further Assurances. The Successor Agency will adopt, make, execute and deliver any and all such further resolutions, instruments and assurances as may be reasonably necessary or proper to carry out the intention or to facilitate the performance of this Indenture, and for the better assuring and confirming unto the Owners of the Bonds the rights and benefits provided in this Indenture.

ARTICLE VI

THE TRUSTEE

Section 6.01 Duties, Immunities and Liabilities of Trustee.

(a) The Trustee shall, prior to the occurrence of an Event of Default, and after the curing or waiver of all Events of Default which may have occurred, perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants, duties or

obligations shall be read into this Indenture against the Trustee. The Trustee shall, during the existence of any Event of Default (which has not been cured or waived), exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.

(b) The Successor Agency may remove the Trustee at any time, unless an Event of Default shall have occurred and then be continuing, and shall remove the Trustee (i) if at any time requested to do so by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding (or their attorneys duly authorized in writing) or (ii) if at any time the Successor Agency has knowledge that the Trustee shall cease to be eligible in accordance with subsection (f) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation. In each case such removal shall be accomplished by the giving of written notice of such removal by the Successor Agency to the Trustee, with a copy to any Insurer, whereupon the Successor Agency shall appoint a successor Trustee by an instrument in writing.

(c) The Trustee may at any time resign by giving written notice of such resignation to the Successor Agency and by giving the Owners and any Insurer notice of such resignation by first class mail, postage prepaid, at their respective addresses shown on the Registration Books. Upon receiving such notice of resignation, the Successor Agency shall promptly appoint a successor Trustee by an instrument in writing, with notice of such appointment to be furnished to any Insurer.

(d) Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective only upon acceptance of appointment by the successor Trustee. If no successor Trustee shall have been appointed and have accepted appointment within forty-five (45) days of giving notice of removal or notice of resignation as aforesaid, the resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction at the expense of the Successor Agency for the appointment of a successor Trustee, and such court may thereupon, after such notice (if any) as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Indenture shall signify its acceptance of such appointment by executing, acknowledging and delivering to the Successor Agency and to its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the Written Request of the Successor Agency or the request of the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Indenture and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon request of the successor Trustee, the Successor Agency shall execute and deliver any and all instruments as may be reasonably required for more fully and certainly vesting in and confirming to such successor Trustee all such moneys, estates, properties, rights, powers, trusts, duties and obligations. Upon acceptance

of appointment by a successor Trustee as provided in this subsection, the Successor Agency shall cause either the predecessor Trustee or the successor Trustee to mail a notice of the succession of such Trustee to the trusts hereunder to each rating agency which then has a current rating on the Bonds and to the Owners at their respective addresses shown on the Registration Books.

(e) If an Event of Default hereunder occurs with respect to any Bonds of which the Trustee has been given or is deemed to have notice, as provided in Section 6.03(d) hereof, then the Trustee shall immediately give written notice thereof, by first-class mail to any Insurer and the Owner of each such Bond, unless such Event of Default shall have been cured before the giving of such notice; provided, however, that unless such Event of Default consists of the failure by the Successor Agency to make any payment when due, the Trustee shall, within thirty (30) days of the Trustee's knowledge thereof, give such notice to any Insurer, and the Trustee, with the consent of any Insurer may elect not to give such notice if and so long as the Trustee in good faith determines that it is in the best interests of the Bondowners not to give such notice.

(f) The Successor Agency agrees that, so long as any Bonds or any Parity Debt are Outstanding, the Trustee shall be a financial institution having a trust office in the State, having (or in the case of a corporation or trust company included in a bank holding company system, the related bank holding company shall have) a combined capital and surplus of at least \$75,000,000, and subject to supervision or examination by federal or state authority. If such financial institution publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining authority above referred to, then for the purpose of this subsection the combined capital and surplus of such financial institution shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of this subsection (f), the Trustee shall resign immediately in the manner and with the effect specified in this Section.

Section 6.02 Merger or Consolidation. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be a party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such company shall be eligible under subsection (f) of Section 6.01, shall be the successor to such Trustee without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 6.03 Liability of Trustee.

(a) The recitals of facts herein and in the Bonds contained shall be taken as statements of the Successor Agency, and the Trustee shall not assume responsibility for the correctness of the same, nor make any representations as to the validity or sufficiency of this Indenture or of the security for the Bonds nor shall incur any responsibility in respect thereof, other than as expressly stated herein. The Trustee shall, however, be responsible for its representations contained in its certificate of authentication on the Bonds. The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or misconduct. The Trustee shall not be liable for the acts of any agents of the Trustee selected by it with due care. The Trustee and its officers and employees may become the Owner of any Bonds with the same rights it would have if they were not Trustee and, to the extent permitted by law, may

act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of the Owners, whether or not such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

(b) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in accordance with the direction of the Owners of not less than a majority in aggregate principal amount of the Bonds at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Indenture.

(c) The Trustee shall not be liable for any action taken by it and believed by it to be authorized or within the discretion or rights or powers conferred upon it by this Indenture, except for actions arising from the negligence or misconduct of the Trustee. Where the Trustee is given the permissive right to do things enumerated in this Indenture, such right shall not be construed as a mandatory duty.

(d) The Trustee shall not be deemed to have knowledge of any Event of Default hereunder unless and until a responsible officer shall have actual knowledge thereof, or shall have received written notice thereof from the Successor Agency at its Principal Corporate Trust Office. In the absence of such actual knowledge or notice, the Trustee may conclusively assume that no Event of Default has occurred and is continuing under this Indenture. Except as otherwise expressly provided herein, the Trustee shall not be bound to ascertain or inquire as to the performance or observance by any other party of any of the terms, conditions, covenants or agreements herein or of any of the documents executed in connection with the Bonds, or as to the existence of an Event of Default thereunder. The Trustee shall not be responsible for the validity or effectiveness of any collateral given to or held by it. Without limiting the generality of the foregoing, the Trustee may rely conclusively on the Successor Agency's certificates to establish the Successor Agency's compliance with its financial covenants hereunder, including, without limitation, its covenants regarding the deposit of Pledged Tax Revenues into the Special Fund and the investment and application of moneys on deposit in the Special Fund (other than its covenants to transfer such moneys to the Trustee when due hereunder).

(e) The Trustee shall have no liability or obligation to the Bondowners with respect to the payment of debt service on the Bonds by the Successor Agency or with respect to the observance or performance by the Successor Agency of the other conditions, covenants and terms contained in this Indenture, or with respect to the investment of any moneys in any fund or account established, held or maintained by the Successor Agency pursuant to this Indenture or otherwise.

(f) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall be entitled to interest on all amounts advanced by it at the maximum rate permitted by law.

(g) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents, attorneys or receivers and the Trustee shall

not be responsible for any intentional misconduct or negligence on the part of any agent, attorney or receiver appointed with due care by it hereunder

(h) The Trustee shall have no responsibility, opinion, or liability with respect to any information, statements or recital in any offering memorandum or other disclosure material prepared or distributed with respect to the issuance of the Bonds.

(i) Before taking any action under Article VIII or this Article at the request of the Owners or any Insurer, the Trustee may require that a satisfactory indemnity bond be furnished by the Owners or any Insurer for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability which is adjudicated to have resulted from its negligence or willful misconduct in connection with any action so taken.

(j) The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that, the Trustee shall have received an incumbency certificate listing persons designated to give such instructions or directions and containing specimen signatures of such designated persons, which such incumbency certificate shall be amended and replaced whenever a person is to be added or deleted from the listing. If the Successor Agency elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction. The Successor Agency agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

(k) The Trustee shall not be liable to the parties hereto or deemed in breach or default hereunder if and to the extent its performance hereunder is prevented by reason of force majeure. The term "force majeure" means an occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care. Force majeure shall include but not be limited to acts of God, terrorism, war, riots, strikes, fire, floods, earthquakes, epidemics or other similar occurrences.

(l) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 6.04 Right to Rely on Documents and Opinions. The Trustee shall have no liability in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, facsimile transmission, electronic mail, or other paper or document reasonably believed by it to be genuine and to have been signed or prescribed by the proper party or parties, and shall not be required to make any investigation into the facts or matters contained thereon. The Trustee may consult with counsel, including, without limitation, counsel of or to the Successor Agency, with regard to legal questions, and, in the absence of negligence or intentional misconduct by the Trustee,

the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the Trustee hereunder in accordance therewith.

The Trustee shall not be bound to recognize any person as the Owner of a Bond unless and until such Bond is submitted for inspection, if required, and his title thereto is established to the satisfaction of the Trustee.

Whenever in the administration of the trusts imposed upon it by this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the Successor Agency, which shall be full warrant to the Trustee for any action taken or suffered under the provisions of this Indenture in reliance upon such Written Certificate, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable. The Trustee may conclusively rely on any certificate or report of any Independent Accountant or Independent Redevelopment Consultant appointed by the Successor Agency.

Section 6.05 Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times upon reasonable notice to the inspection of and copying by the Successor Agency and any Insurer and any Owner, and their agents and representatives duly authorized in writing, during regular business hours and under reasonable conditions.

Section 6.06 Compensation and Indemnification. The Successor Agency shall pay to the Trustee from time to time reasonable compensation for all services rendered under this Indenture in accordance with the letter proposal from the Trustee approved by the Successor Agency and also all reasonable expenses, charges, legal and consulting fees and other disbursements and those of its attorneys (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel), agents and employees, incurred in and about the performance of its powers and duties under this Indenture. The Trustee shall have a lien on the Pledged Tax Revenues and all funds and accounts held by the Trustee hereunder to secure the payment to the Trustee of all fees, costs and expenses, including reasonable compensation to its experts, attorneys and counsel (including the allocated costs and disbursement of in-house counsel to the extent such services are not redundant with those provided by outside counsel).

The Successor Agency further covenants and agrees to indemnify, defend and save the Trustee and its officers, directors, agents and employees, harmless against any loss, expense and liabilities including legal fees and expenses which it may incur to the extent arising out of or in connection with the exercise and performance of its powers and duties hereunder, including the costs and expenses of defending against any claim of liability, but excluding any and all losses, expenses and liabilities which are due to the negligence or misconduct of the Trustee, its officers, directors, agents or employees. The obligations of the Successor Agency and the rights of the Trustee under this Section 6.06 shall survive resignation or removal of the Trustee under this Indenture and payment of the Bonds and discharge of this Indenture.

Section 6.07 Deposit and Investment of Moneys in Funds. Moneys in the Debt Service Fund, the Interest Account, the Principal Account, the Reserve Account, the Redemption Account and the Costs of Issuance Fund shall be invested by the Trustee in Permitted Investments as directed by the Successor Agency in the Written Request of the Successor Agency filed with the Trustee, except that moneys in the Reserve Account shall not be invested in Permitted Investments having a maturity of more than five (5) years, unless any such Permitted Investment is described in clause (g) of the definition thereof. In the absence of any such Written Request of the Successor Agency, the Trustee shall invest any such moneys in Permitted Investments described in clause (d) of the definition thereof, which by their terms mature prior to the date on which such moneys are required to be paid out hereunder; provided, however, that any such investment shall be made by the Trustee only if, prior to the date on which such investment is to be made, the Trustee shall have received a Written Request of the Successor Agency specifying a specific money market fund and, if no such Written Request of the Successor Agency is so received, the Trustee shall hold such moneys uninvested. The Trustee shall be entitled to rely conclusively upon the written instructions of the Successor Agency directing investments in Permitted Investments as to the fact that each such investment is permitted by the laws of the State, and shall not be required to make further investigation with respect thereto. With respect to any restrictions set forth in the above list which embody legal conclusions (e.g., the existence, validity and perfection of security interests in collateral), the Trustee shall be entitled to rely conclusively on an opinion of counsel or upon a representation of the provider of such Permitted Investment obtained at the Successor Agency's expense. Moneys in the Special Fund may be invested by the Successor Agency in any obligations in which the Successor Agency is legally authorized to invest its funds. Obligations purchased as an investment of moneys in any fund shall be deemed to be part of such fund or account. All interest or gain derived from the investment of amounts in any of the funds or accounts held by the Trustee hereunder shall be deposited in the Interest Account; provided, however, that all interest or gain from the investment of amounts in the Reserve Account shall be deposited by the Trustee in the Interest Account only to the extent not required to cause the balance in the Reserve Account to equal the Reserve Requirement. The Trustee may act as principal or agent in the acquisition or disposition of any investment and may impose its customary charges therefor. The Trustee shall incur no liability for losses arising from any investments made at the direction of the Successor Agency or otherwise made in accordance with this Section. For investment purposes only, the Trustee may commingle the funds and accounts established hereunder, but shall account for each separately.

The Successor Agency acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Successor Agency the right to receive brokerage confirmations of security transactions as they occur, the Successor Agency specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the Successor Agency monthly cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder.

All moneys held by the Trustee shall be held in trust, but need not be segregated from other funds unless specifically required by this Indenture. Except as specifically provided in this Indenture, the Trustee shall not be liable to pay interest on any moneys received by it, but shall be liable only to account to the Successor Agency for earnings derived from funds that have been invested.

The Successor Agency covenants that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing gross proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

Investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code shall be valued by the Successor Agency at their present value (within the meaning of Section 148 of the Code). Investments on deposit in the Reserve Account shall be valued on June 30 of each year at their market value.

Section 6.08 Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with corporate trust industry standards, in which accurate entries shall be made of all transactions relating to the proceeds of the Bonds made by it and all funds and accounts held by the Trustee established pursuant to this Indenture. Such books of record and account shall be available for inspection by the Successor Agency upon reasonable prior notice, at reasonable hours and under reasonable circumstances. The Trustee shall furnish to the Successor Agency, on at least a monthly basis, an accounting of all transactions in the form of its customary statements relating to the proceeds of the Bonds and all funds and accounts held by the Trustee pursuant to this Indenture.

Section 6.09 Other Transactions with Agency. The Trustee, either as principal or agent, may engage in or be interested in any financial or other transaction with the Successor Agency.

ARTICLE VII

MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 7.01 Amendment With And Without Consent of Owners. This Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding upon adoption without the consent of any Owners, to the extent permitted by law, but only for any one or more of the following purposes.

(a) to add to the covenants and agreements of the Successor Agency in this Indenture contained, other covenants and agreements thereafter to be observed, including any covenant or agreement that provides for additional security for the Bonds, or to limit or surrender any rights or powers herein reserved to or conferred upon the Successor Agency; or

(b) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in any other respect whatsoever as the Successor Agency may deem necessary or desirable, provided under any circumstances that such modifications or amendments shall not, in the reasonable determination of the Successor Agency, materially adversely affect the interests of the Owners; or

(c) to provide for the issuance of Parity Debt in accordance with Section 3.05; or

(d) to amend any provision hereof relating to the requirements of or compliance with the Code, to any extent whatsoever but only if and to the extent such amendment will not

adversely affect the exemption from federal income taxation of interest on any of the Bonds, in the opinion of Bond Counsel; or

(e) to comply with the requirements of a provider of a Qualified Reserve Account Credit Instrument.

Except as set forth in the preceding paragraph, this Indenture and the rights and obligations of the Successor Agency and of the Owners may be modified or amended at any time by a Supplemental Indenture which shall become binding when the written consent of any Insurer (but only with respect to any Bonds insured by such Insurer) and the Owners of a majority in aggregate principal amount of the Bonds then Outstanding are filed with the Trustee. No such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest, or redemption premiums (if any) at the time and place and at the rate and in the currency provided therein of any Bond without the express written consent of any Insurer or the Owner of such Bond, or (b) reduce the percentage of Bonds required for the written consent to any such amendment or modification. In no event shall any Supplemental Indenture modify any of the rights or obligations of the Trustee without its prior written consent. In no event shall any Supplemental Indenture modify any of the rights or obligations of any Insurer without its prior written consent.

Section 7.02 Effect of Supplemental Indenture. From and after the time any Supplemental Indenture becomes effective pursuant to this Article VII, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties and obligations of the parties hereto or thereto and all Owners, as the case may be, shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modification and amendment, and all the terms and conditions of any Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 7.03 Endorsement or Replacement of Bonds After Amendment. After the effective date of any amendment or modification hereof pursuant to this Article VII, the Successor Agency may, with the prior written consent of any Insurer, determine that any or all of the Bonds shall bear a notation, by endorsement in form approved by the Successor Agency, as to such amendment or modification and in that case upon demand of the Successor Agency the Owners of such Bonds shall present such Bonds for that purpose at the Principal Corporate Trust Office of the Trustee, and thereupon a suitable notation as to such action shall be made on such Bonds. In lieu of such notation, the Successor Agency may determine that new Bonds shall be prepared at the expense of the Successor Agency and executed in exchange for any or all of the Bonds, and in that case, upon demand of the Successor Agency, the Owners of the Bonds shall present such Bonds for exchange at the Principal Corporate Trust Office of the Trustee, without cost to such Owners.

Section 7.04 Amendment by Mutual Consent. The provisions of this Article VII shall not prevent any Owner from accepting any amendment as to the particular Bond held by such Owner, provided that due notation thereof is made on such Bond and, provided further that written consent to such amendment shall first be obtained from any Insurer.

Section 7.05 Opinion of Counsel. Prior to executing any Supplemental Indenture, the Trustee shall be furnished an opinion of counsel, upon which it may conclusively rely to the effect

that all conditions precedent to the execution of such Supplemental Indenture under this Indenture have been satisfied and such Supplemental Indenture is authorized and permitted under this Indenture and does not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes or adversely affect the exemption of interest on the Bonds from personal income taxation by the State.

Section 7.06 Copy of Supplemental Indenture to S&P and Moody's. The Successor Agency shall provide to S&P and Moody's, for so long as S&P and Moody's, as the case may be, maintain a rating on any of the Bonds (without regard to any municipal bond or financial guaranty insurance), a copy of any Supplemental Indenture at least fifteen (15) days prior to its proposed effective date.

ARTICLE VIII

EVENTS OF DEFAULT AND REMEDIES OF OWNERS

Section 8.01 Events of Default and Acceleration of Maturities. The following events shall constitute Events of Default hereunder:

(a) if default shall be made by the Successor Agency in the due and punctual payment of the principal of or interest or redemption premium (if any) on any Bond when and as the same shall become due and payable, whether at maturity as therein expressed, by declaration or otherwise;

(b) if default shall be made by the Successor Agency in the observance of any of the covenants, agreements or conditions on its part in this Indenture or in the Bonds contained, other than a default described in the preceding clause (a), and such default shall have continued for a period of thirty (30) days following receipt by the Successor Agency of written notice from the Trustee or any Insurer or written notice from any Owner (with a copy of said notice delivered to the Trustee and any Insurer) of the occurrence of such default, provided that if in the reasonable opinion of the Successor Agency the failure stated in the notice can be corrected, but not within such thirty (30) day period, such failure will not constitute an event of default if corrective action is instituted by the Successor Agency (with the prior written consent of any Insurer) within such thirty (30) day period and the Successor Agency thereafter diligently and in good faith cures such failure in a reasonable period of time as approved by any Insurer; or

(c) if the Successor Agency files a petition seeking reorganization or arrangement under the federal bankruptcy laws or any other applicable law of the United States of America, or if a court of competent jurisdiction will approve a petition by the Successor Agency seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will approve a petition by the Successor Agency, seeking reorganization under the federal bankruptcy laws or any other applicable law of the United States of America, or, if under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction will assume custody or control of the Successor Agency or of the whole or any substantial part of its property.

In determining whether an Event of Default has occurred under (a) above, no effect shall be given to payments made under any municipal bond insurance policy, financial guaranty insurance policy or Qualified Reserve Account Credit Instrument.

If an Event of Default has occurred under this Section and is continuing, the Trustee, may, and, if requested in writing by the Owners of a majority in aggregate principal amount of the Bonds then Outstanding the Trustee shall, (a) declare the principal of the Bonds, together with the accrued interest thereon, to be due and payable immediately, and upon any such declaration the same shall become immediately due and payable, anything in this Indenture or in the Bonds to the contrary notwithstanding, and (b) subject to the provisions of Section 8.06, exercise any other remedies available to the Trustee and the Bondowners in law or at equity.

Immediately upon receiving notice or actual knowledge of the occurrence of an Event of Default, the Trustee shall give notice of such Event of Default to any Insurer and to the Successor Agency confirmed in writing. Such notice shall also state whether the principal of the Bonds shall have been declared to be or have immediately become due and payable. With respect to any Event of Default described in subsections (a) or (c) above the Trustee shall, and with respect to any Event of Default described in subsection (b) above the Trustee in its sole discretion may, also give such notice to the Owners by mail, which shall include the statement that interest on the Bonds shall cease to accrue from and after the date, if any, on which the Trustee shall have declared the Bonds to become due and payable pursuant to the preceding paragraph (but only to the extent that principal and any accrued, but unpaid, interest on the Bonds is actually paid on such date).

This provision, however, is subject to the condition that if, at any time after the principal of the Bonds shall have been so declared due and payable, and before any judgment or decree for the payment of the moneys due shall have been obtained or entered, the Successor Agency shall, with the written consent of a majority in aggregate principal amount of the Owners of the Bonds then Outstanding, deposit with the Trustee a sum sufficient to pay all principal on the Bonds matured prior to such declaration and all matured installments of interest (if any) upon all the Bonds, with interest on such overdue installments of principal and interest (to the extent permitted by law), and the reasonable fees and expenses of the Trustee, (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and any and all other defaults known to the Trustee (other than in the payment of principal of and interest on the Bonds due and payable solely by reason of such declaration) shall have been made good or cured to the satisfaction of the Trustee or provision deemed by the Trustee to be adequate shall have been made therefor, then, and in every such case, the Trustee shall promptly give written notice of the foregoing to any Insurer and the Owners of all Bonds then Outstanding, and with the prior written approval of the Owners of at least a majority in aggregate principal amount of the Bonds then Outstanding, by written notice to the Successor Agency and to the Trustee, may, on behalf of the Owners of all of the Bonds then Outstanding, rescind and annul such declaration and its consequences. However, no such rescission and annulment shall extend to or shall affect any subsequent default or shall impair or exhaust any right or power consequent thereon.

Section 8.02 Application of Funds Upon Acceleration. Subject in all respects to any authorizing documents related to Existing Bonds, which all constitute senior liens, all amounts received by the Trustee pursuant to any right given or action taken by the Trustee under the provisions of this Indenture (including the Trustee's share of any Pledged Tax Revenues) and all

sums in the funds and accounts established and held by the Trustee hereunder upon the date of the declaration of acceleration as provided in Section 8.01, and all sums thereafter received by the Trustee hereunder, shall be applied by the Trustee in the following order upon presentation of the Bonds, and the stamping thereon of the payment if only partially paid, or upon the surrender thereof if fully paid:

First, to the payment of the fees, costs and expenses of the Trustee in declaring such Event of Default and in exercising the rights and remedies set forth in this Article VIII, including reasonable compensation to its agents, attorneys (including the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel) and counsel and any outstanding fees and expenses of the Trustee; and

Second, to the payment of the whole amount then owing and unpaid upon the Bonds for principal and interest, as applicable, with interest on the overdue principal, and installments of interest at the net effective rate then borne by the Outstanding Bonds (to the extent that such interest on overdue installments of principal and interest shall have been collected), and in case such moneys shall be insufficient to pay in full the whole amount so owing and unpaid upon the Bonds, then to the payment of such principal and interest without preference or priority, ratably to the aggregate of such principal and interest.

Section 8.03 Power of Trustee to Control Proceedings. In the event that the Trustee, upon the happening of an Event of Default, shall have taken any action, by judicial proceedings or otherwise, pursuant to its duties hereunder, whether upon its own discretion or upon the request of the Owners of a majority in principal amount of the Bonds then Outstanding, it shall have full power, in the exercise of its discretion for the best interests of the Owners of the Bonds, with respect to the continuance, discontinuance, withdrawal, compromise, settlement or other disposal of such action; provided, however, that the Trustee shall not, unless there no longer continues an Event of Default, discontinue, withdraw, compromise or settle, or otherwise dispose of any litigation pending at law or in equity, if at the time there has been filed with it a written request signed by the Owners of a majority in principal amount of the Outstanding Bonds hereunder opposing such discontinuance, withdrawal, compromise, settlement or other disposal of such litigation.

Section 8.04 Limitation on Owner's Right to Sue. No Owner of any Bond issued hereunder shall have the right to institute any suit, action or proceeding at law or in equity, for any remedy under or upon this Indenture, unless (a) such Owner shall have previously given to the Successor Agency, the Trustee and any Insurer written notice of the occurrence of an Event of Default; (b) the Owners of a majority in aggregate principal amount of all the Bonds then Outstanding shall have made written request upon the Trustee to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name; (c) said Owners shall have tendered to the Trustee indemnity reasonably acceptable to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request; and (d) the Trustee shall have refused or omitted to comply with such request for a period of sixty (60) days after such written request shall have been received by, and said tender of indemnity shall have been made to, the Trustee.

Such notification, request, tender of indemnity and refusal or omission are hereby declared, in every case, to be conditions precedent to the exercise by any Owner of any remedy hereunder; it being understood and intended that no one or more Owners shall have any right in any manner

whatever by his or their action to enforce any right under this Indenture, except in the manner herein provided, and that all proceedings at law or in equity to enforce any provision of this Indenture shall be instituted, had and maintained in the manner herein provided and for the equal benefit of all Owners of the Outstanding Bonds.

The right of any Owner of any Bond to receive payment of the principal of (and premium, if any) and interest on such Bond as herein provided, shall not be impaired or affected without the written consent of such Owner, notwithstanding the foregoing provisions of this Section or any other provision of this Indenture.

Section 8.05 Non-Waiver. Nothing in this Article VIII or in any other provision of this Indenture or in the Bonds, shall affect or impair the obligation of the Successor Agency, which is absolute and unconditional, to pay from the Pledged Tax Revenues and other amounts pledged hereunder, the principal of and interest and redemption premium (if any) on the Bonds to the respective Owners on the respective Interest Payment Dates, as herein provided, or affect or impair the right of action, which is also absolute and unconditional, of the Owners or the Trustee to institute suit to enforce such payment by virtue of the contract embodied in the Bonds.

A waiver of any default by any Owner or the Trustee shall not affect any subsequent default or impair any rights or remedies on the subsequent default. No delay or omission of any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein, and every power and remedy conferred upon the Owners and the Trustee by the Law or by this Article VIII may be enforced and exercised from time to time and as often as shall be deemed expedient by the Owners and the Trustee.

If a suit, action or proceeding to enforce any right or exercise any remedy shall be abandoned or determined adversely to the Owners or the Trustee, the Successor Agency, the Trustee and the Owners shall be restored to their former positions, rights and remedies as if such suit, action or proceeding had not been brought or taken.

Section 8.06 Actions by Trustee as Attorney-in-Fact. Any suit, action or proceeding which any Owner shall have the right to bring to enforce any right or remedy hereunder may be brought by the Trustee for the equal benefit and protection of all Owners similarly situated and the Trustee is hereby appointed (and the successive respective Owners by taking and holding the Bonds or Parity Debt shall be conclusively deemed so to have appointed it) the true and lawful attorney-in-fact of the respective Owners for the purpose of bringing any such suit, action or proceeding and to do and perform any and all acts and things for and on behalf of the respective Owners as a class or classes, as may be necessary or advisable in the opinion of the Trustee as such attorney-in-fact, provided, however, the Trustee shall have no duty or obligation to exercise any such right or remedy unless it has been indemnified to its satisfaction from any loss, liability or expense (including fees and expenses of its outside counsel and the allocated costs and disbursements of its in-house counsel to the extent such services are not redundant with those provided by outside counsel).

Section 8.07 Remedies Not Exclusive. No remedy herein conferred upon or reserved to the Owners is intended to be exclusive of any other remedy. Every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing, at law or

in equity or by statute or otherwise, and may be exercised without exhausting and without regard to any other remedy conferred by the Law or any other law.

Section 8.08 Determination of Percentage of Bondowners. Whenever in this Indenture the consent, direction or other action is required or permitted to be given or taken by a percentage of the Owners of an aggregate principal amount of Outstanding Bonds (including by the Owners of a majority in aggregate principal amount of the Outstanding Bonds), such percentage shall be calculated on the basis of the principal amount of the Outstanding Bonds determined as of the next succeeding Interest Payment Date.

ARTICLE IX

Section 9.01 Benefits Limited to Parties. Nothing in this Indenture, expressed or implied, is intended to give to any person other than the Successor Agency, any Insurer, the Trustee and the Owners, any right, remedy or claim under or by reason of this Indenture. (ii) by irrevocably depositing with the Trustee or an escrow agent, in trust, at or before maturity, money which, together with the available amounts then on deposit in the funds and accounts established pursuant to this Indenture, is fully sufficient to pay all or the applicable portion of Outstanding Bonds, including all principal, interest and redemption premiums, or;

In the event the Successor Agency shall, pursuant to the foregoing provision, pay and discharge any portion or all of the Bonds then Outstanding, the Trustee shall be authorized to take such actions and execute and deliver to the Successor Agency all such instruments as may be necessary or desirable to evidence such discharge, including, without limitation, selection by lot of Bonds of any maturity of the Bonds that the Successor Agency has determined to pay and discharge in part.

In the case of a defeasance or payment of all of the Bonds Outstanding, any funds thereafter held by the Trustee which are not required for said purpose or for payment of amounts due the Trustee pursuant to Section 6.06 shall be paid over to the Successor Agency.

(b) Notwithstanding anything herein to the contrary, in the event that the principal and/or interest due of the Bonds is paid by any Insurer pursuant to its municipal bond or financial guaranty insurance policy, such Bonds shall remain Outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Successor Agency, and the assignment and pledge of the Pledged Tax Revenues and other assets hereunder and all covenants, agreements and other obligations of the Successor Agency to the Bondowners so paid shall continue to exist and shall run to the benefit of such Insurer, and such Insurer shall be subrogated to the rights of such Bondowners, as applicable.

Section 9.04 Execution of Documents and Proof of Ownership to Owners. Any request, consent, declaration or other instrument which this Indenture may require or permit to be executed by any Owner may be in one or more instruments of similar tenor, and shall be executed by such Owner in person or by such Owner's attorneys appointed in writing.

Except as otherwise herein expressly provided, the fact and date of the execution by any Owner or his attorney of such request, declaration or other instrument, or of such writing appointing such attorney, may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds to be recorded in the state in which he purports to act, that the person signing such request, declaration or other instrument or writing acknowledged to him the

execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer.

The ownership of Bonds and the amount, maturity, number and date of ownership thereof shall be proved by the Registration Books.

Any demand, request, direction, consent, declaration or other instrument or writing of the Owner of any Bond shall bind all future Owners of such Bond in respect of anything done or suffered to be done by the Successor Agency or the Trustee and in accordance therewith, provided, however, that the Trustee shall not be deemed to have knowledge that any Bond is owned by or for the account of the Successor Agency unless the Successor Agency is the registered Owner or the Trustee has received written notice that any other registered Owner is such an affiliate.

Section 9.05 Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under this Indenture, Bonds which are owned or held by or for the account of the Successor Agency or the City (but excluding Bonds held in any employees' retirement fund) shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. Upon request of the Trustee, the Successor Agency and the City shall specify in a Written Certificate to the Trustee those Bonds disqualified pursuant to this Section and the Trustee may conclusively rely on such Certificate.

Section 9.06 Waiver of Personal Liability. No member, officer, agent or employee of the Successor Agency shall be individually or personally liable for the payment of the principal or interest or any premium on the Bonds; but nothing herein contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by law.

Section 9.07 Destruction of Cancelled Bonds. Whenever in this Indenture provision is made for the surrender to the Trustee of any Bonds which have been paid or cancelled pursuant to the provisions of this Indenture, the Trustee shall destroy such bonds and upon request of the Successor Agency provide the Successor Agency a certificate of destruction. The Successor Agency shall be entitled to rely upon any statement of fact contained in any certificate with respect to the destruction of any such Bonds therein referred to.

The Successor Agency hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid or unenforceable. The SUCCESSOR AGENCY TO THE CARSON REDEVELOPMENT AGENCY, a public entity duly existing under and by virtue of the laws of the State of California (the “Successor Agency”), for value received hereby promises to pay to the Registered Owner stated above, or registered assigns (the “Registered Owner”), on the Maturity Date stated above (subject to any right of prior redemption hereinafter provided for), the Principal Sum stated above, in lawful money of the United States of America, and to pay interest thereon in like lawful money from the Interest Payment Date (as hereinafter defined) next preceding the date of authentication of this Bond, unless (i) this Bond is authenticated on or before an Interest Payment Date and after the close of business on the fifteenth (15th) day of the month immediately preceding an Interest Payment Date (the “Record Date”), in which event it shall bear interest from such Interest Payment Date, or (ii) this Bond is authenticated on or before [July][January] 15, 2020], in which event it shall bear interest from the Dated Date above; provided however, that if at the time of authentication of this Bond, interest is in default on this Bond, this Bond shall bear interest from the Interest Payment Date to which interest has previously been paid or made available for payment on this Bond, until payment of such Principal Sum in full, at the Interest Rate per annum stated above, payable semiannually on February 1 and August 1 in each year, commencing [August 1, 2020][February 1, 2021] (each an “Interest Payment Date”), calculated on the basis of 360-day year comprised of twelve 30-day months. Principal hereof and premium, if any, upon early redemption hereof are payable upon surrender of this Bond at the corporate trust office of The Bank of New York Mellon Trust Company, N.A. in Los Angeles, California, as trustee (the “Trustee”), or at such other place designated by the Trustee (the “Principal Corporate Trust Office”). Interest hereon (including the final interest payment upon maturity or earlier redemption) is payable by check of the Trustee mailed by first class mail, postage prepaid, on the Interest Payment Date to the Registered Owner hereof at the Registered Owner’s address as it appears on the registration books maintained by the Trustee as of the Record Date for such Interest Payment Date; provided however, that payment of interest may be by wire transfer to an account in the United States of America to any registered owner of Bonds in the aggregate principal amount of \$1,000,000 or more upon written instructions of any such registered owner filed with the Trustee for that purpose prior to the Record Date preceding the applicable Interest Payment Date.

This Bond is one of a duly authorized issue of bonds of the Successor Agency designated as “Successor Agency to the Carson Redevelopment Agency Taxable Tax Allocation Bonds, Series 2020C (Final Lien)” (the “Bonds”), of an aggregate principal amount of \$XX,XXX,000, all of like tenor and date (except for such variation, if any, as may be required to designate varying series, numbers, maturities, interest rates, or redemption and other provisions) and all issued pursuant to the provisions of Article 11 (commencing with Section 53580) of Chapter 3 of Part 1 of Division 2 of Title 5 of the Government Code of the State (the “Refunding Law”), the Dissolution Act (as such term is defined in the Indenture), and the Community Redevelopment Law, constituting Part 1 of Division 24 of the California Health and Safety Code (the “Law”), and pursuant to an Indenture of Trust, dated as of _____ 1, 2020, entered into by and between the Successor Agency and the Trustee (the “Indenture”), providing for the issuance of the Bonds. The Bonds are being issued in the form of registered Bonds without coupons. Additional bonds, or other obligations may be issued on a parity with the Bonds, but only subject to the terms of the Indenture. Reference is hereby made to the Indenture (copies of which are on file at the office of the Successor Agency) and all indentures supplemental thereto and to the Law for a description of the terms on which the Bonds are issued, the provisions with regard to the nature and extent of the Pledged Tax Revenues (as that term is defined in the Indenture), and the rights thereunder of the registered owners of the Bonds and the rights, duties and immunities of the Trustee and the rights and obligations of the Successor Agency thereunder, to all of the provisions of which Indenture the Registered Owner of this Bond, by acceptance hereof, assents and agrees. Capitalized terms not otherwise defined herein shall have the meanings given them in the Indenture.

The Bonds have been issued by the Successor Agency for the purpose of providing funds to refinance certain bonds with respect to the Project Area (as such term is defined in the Indenture) to pay certain capitalized interest and to pay certain expenses of the Successor Agency in issuing the Bonds.

The Bonds are special obligations of the Successor Agency and this Bond and the interest hereon and on all other Bonds and the interest thereon (to the extent set forth in the Indenture), are payable from, and are secured by a pledge of, security interest in and lien on the Pledged Tax Revenues derived by the Successor Agency from the Project Area.

There has been created, and will be maintained by, the Successor Agency the Special Fund (as defined in the Indenture) into which Pledged Tax Revenues shall be deposited and from which the Successor Agency shall transfer amounts to the Trustee for payment, when due, of the principal of and the interest and redemption premium, if any, on the Bonds and any additional Parity Debt as defined in the Indenture. As and to the extent set forth in the Indenture, all such Pledged Tax Revenues and the moneys in the Special Fund (as such terms are defined in the Indenture) are exclusively and irrevocably pledged to and constitute a trust fund, in accordance with the terms hereof and the provisions of the Indenture and the Law, for the security and payment or redemption of, including any premium upon early redemption, and for the security and payment of interest on, the Bonds and any additional Parity Debt (as defined in the Indenture). In addition, the Bonds shall be additionally secured at all times by a first and exclusive pledge of, security interest in and lien upon all of the moneys in the Debt Service Fund, the Interest Account, the Principal Account, the applicable subaccount within the Reserve Account and the Redemption Account (as such terms are defined in the Indenture). Except for the Pledged Tax Revenues and such moneys, no funds or properties of the Successor Agency shall be pledged to, or otherwise liable for, the payment of principal of or interest or redemption premium, if any, on the Bonds.

The Bonds are subject to optional redemption and mandatory redemption from mandatory sinking fund payments as provided in the Indenture.

As provided in the Indenture, notice of redemption shall be given by first class mail no less than thirty (30) nor more than sixty (60) days prior to the redemption date to the respective registered owners of any Bonds designated for redemption at their addresses appearing on the Bond registration books maintained by the Trustee, but neither failure to receive such notice nor any defect in the notice so mailed shall affect the sufficiency of the proceedings for redemption.

The Successor Agency shall have the right to rescind any optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be canceled and annulled if for any reason funds will not be or are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Successor Agency and the Trustee shall have no liability to the Owners or any other party related to or arising from such rescission of redemption. The Trustee shall mail notice of such rescission of redemption in the same manner and to the same recipients as the original notice of redemption was sent.

If this Bond is called for redemption and payment is duly provided therefor as specified in the Indenture, interest shall cease to accrue hereon from and after the date fixed for redemption.

If an Event of Default, as defined in the Indenture, shall occur, the principal of all Bonds may be declared due and payable upon the conditions, in the manner and with the effect provided in the Indenture, but such declaration and its consequences may be rescinded and annulled as further provided in the Indenture.

The Bonds are issuable as fully registered Bonds without coupons in denominations of \$5,000 and any integral multiple thereof. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the Indenture, Bonds may be exchanged for a like aggregate principal amount of Bonds of other authorized denominations and of the same maturity.

This Bond is transferable by the Registered Owner hereof, in person or by his attorney duly authorized in writing, at the Principal Corporate Trust Office of the Trustee, but only in the manner and subject to the limitations provided in the Indenture, and upon surrender and cancellation of this Bond. Upon registration of such transfer a new fully registered Bond or Bonds, of any authorized denomination or denominations, for the same aggregate principal amount and of the same maturity will be issued to the transferee in exchange herefor. The Trustee may refuse to transfer or exchange (a) any Bond during the fifteen (15) days prior to the date established for the selection of Bonds for redemption, or (b) any Bond selected for redemption.

The Successor Agency and the Trustee may treat the Registered Owner hereof as the absolute owner hereof for all purposes, and the Successor Agency and the Trustee shall not be affected by any notice to the contrary.

The rights and obligations of the Successor Agency and the registered owners of the Bonds may be modified or amended at any time in the manner, to the extent and upon the terms provided in the Indenture, but no such modification or amendment shall (a) extend the maturity of or reduce the interest rate on any Bond or otherwise alter or impair the obligation of the Successor Agency to pay the principal, interest or redemption premiums (if any) at the time and place and at the rate and in the currency provided herein of any Bond without the express written consent of the registered owner of such Bond, (b) reduce the percentage of Bonds required for the written consent to any such amendment or

modification or (c) without its written consent thereto, modify any of the rights or obligations of the Trustee.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Successor Agency or the Trustee for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond is not a debt, liability or obligation of the City of Carson, the State of California, or any of its political subdivisions, and neither said City, said State, nor any of its political subdivisions is liable hereon, nor in any event shall this Bond be payable out of any funds or properties other than those pledged by the Successor Agency. The Bonds do not constitute an indebtedness within the meaning of any constitutional or statutory debt limitation or restriction.

It is hereby certified that all of the things, conditions and acts required to exist, to have happened or to have been performed precedent to and in the issuance of this Bond do exist, have happened or have been performed in due and regular time and manner as required by the Law and the laws of the State of California, and that the amount of this Bond, together with all other indebtedness of the Successor Agency, does not exceed any limit prescribed by the Law or any laws of the State of California, and is not in excess of the amount of Bonds permitted to be issued under the Indenture.

This Bond shall not be entitled to any benefit under the Indenture or become valid or obligatory for any purpose until the Trustee's Certificate of Authentication hereon shall have been manually signed by the Trustee.

IN WITNESS WHEREOF, the Successor Agency to the Carson Redevelopment Agency has caused this Bond to be executed in its name and on its behalf by its Chair and attested by its Secretary, all as of the Dated Date set forth above.
