1	<p>City of Carson Public Works Department (Concrete Replacement Program) 701 E. Carson St. Carson, CA 90745 Location of proposed project: identified locations within low- /moderate-income census tract/block groups 5435011, 5435013, 5435014, 5437012, 5437022, 5437023, 5437024, and 5439053 (see attached project map for detailed locations)</p> <p>History of CDBG funds allocated by City:</p> <p>2017-18: Did not apply 2018-19: Did not apply 2019-20: \$0</p> <p>The most recent CDBG funding for this type of project was \$150,000 was allocated for a project in a different area of the city during 2016-17. That funding was originally allocated in 2015-16, but project delays caused the funding to be carried over to 2016-17.</p>	<p>Street Infrastructure improvements (curb, gutter, sidewalk, etc.) to enhance mobility and accessibility for elderly persons and persons with disabilities</p> <p>Review panel rating: NA</p> <p>It is easier to justify the use of CDBG funds to HUD for such an infrastructure project if in addition to the project area being at least 51% low- to moderate-income, it is predominantly residential. In contrast to Public Works' most recent request for CDBG funding for such a project, the project areas are predominantly residential. However, there re particular locations that have been identified that are clearly not residential (e. g., Sepulveda &amp; Avalon, Sepulveda &amp; Banning, 223<sup>rd</sup> &amp; Figueroa. 223<sup>rd</sup> &amp; Main), so it may be advisable to designate locations that are specifically excluded should funding be granted.</p>	<p>Total Project/Program Budget:     \$   650,000</p> <hr/> <p>Funds requested/anticipated from other sources:</p> <p>State Gas Tax and LA County Transportation Sales Tax (Measure M)                             \$   300,000</p>	<p>\$ 350,000                     53.8</p> <p>% of requested funds for personnel-related costs:</p> <p>0.0</p>	<p>12,930 (of which 8,320 are of low and moderate income)</p>	<p>LMA</p>
