#### I. ABOUT SOURCEWELL AND MEMBERS

#### A. <u>SOURCEWELL</u>

Sourcewell is a State of Minnesota local government agency and service cooperative created under the laws of the State of Minnesota (Minnesota Statutes Section 123A.21) that facilitates a competitive public solicitation and contract award process for the benefit of its 50,000+ members across the United States and Canada. Sourcewell's solicitation process complies with Minnesota law and policies, and results in cooperative contracting solutions from which Sourcewell's members procure equipment, products, and services.

Cooperative contracting provides members and vendors increased administrative efficiencies and the power of combined purchasing volume that result in overall cost savings. At times, Sourcewell also partners with other purchasing cooperatives to combine the purchasing volume of their membership into a single solicitation and contract expanding the reach of contracted vendors potential pool of end users.

Sourcewell uses a website-based platform, the Sourcewell Procurement Portal, through which all proposals to this RFP must be submitted.

#### B. MEMBERS AND USE OF RESULTING CONTRACTS

Membership in Sourcewell is open to government and non-profit entities across the United States and Canada; such as municipal, state/province, K-12 and higher education, tribal government, and other public entities. Access to contracted equipment, products, or services by Members is typically through a purchase order issued directly to the applicable vendor. A Member may request additional terms or conditions related to a purchase. Use of Sourcewell contracts is voluntary and Members retain the right to obtain similar equipment, products, or services from other sources.

To meet Members' needs, public notice of this RFP has been broadly published, including notification to each state-level procurement department for possible re-posting. As required by certain states, an Appendix of Members is included in this RFP and can be found in the Sourcewell Procurement Portal. Proof of publication will be available at the conclusion of the solicitation process.

*For Canadian entities:* This RFP is intended to include municipalities and publicly-funded academic institutions, school boards, health authorities, and social services (MASH sectors); including members of the Rural Municipalities of Alberta (RMA), and their represented Associations: Saskatchewan Association of Rural Municipalities (SARM), Saskatchewan Urban Municipalities Association (SUMA), and Association of Manitoba Municipalities (AMM).

## II. EQUIPMENT, PRODUCTS, AND SERVICES

## A. SOLUTIONS-BASED SOLICITATION

This RFP and contract award process is a solutions-based solicitation; meaning that Sourcewell is seeking equipment, products, or services that meet the general requirements of the scope of this RFP and that are commonly desired or are required by law or industry standards.

## B. REQUESTED EQUIPMENT, PRODUCTS, OR SERVICES

It is expected that Proposers offer a wide array of equipment, products, or services at lower prices and with better value than what they would ordinarily offer to a single government entity, a school district, or a regional cooperative.

- Sourcewell is seeking proposals for Office Supply Catalog Solutions, to include a complete electronic catalog system permitting Sourcewell and Sourcewell Members to make web-based purchases, and receive delivery of:
  - a. Office supplies and equipment, including, but not limited to, paper or writing products, refills and consumables, boxes and storage supplies, packaging and shipping products, cleaning and facility supplies, organizers and boards, books and forms, measurement and calculation tools or devices, fasteners, tapes and adhesives, mats, and similar or related products;
  - b. Breakroom supplies, including paper or tissue products and cleaners;
  - c. School and classroom supplies;
  - d. Warehouse and materials handling supplies;
  - e. First aid and safety supplies;
  - f. Office food service ware and supplies;
  - g. Promotional products and supplies;
  - h. Technology-related supplies, equipment, or accessories, including toner and ink, memory media, batteries or power supplies, laptops, Chromebooks, MFPs, printers, cords, headsets, keyboards and mice, and similar or related products; and,
  - i. Customer support or assessment services related to the purchase of the supplies or products described in subparts a h above.
- 2. Proposers may also include furniture, seating, and storage equipment solutions complementary to the office supplies described in Sections 1. a. g. above.

The catalog must be designed to populate with the Sourcewell and Sourcewell Member pricing offered by Proposer. To the extent that Proposer includes sales through retail store locations, the system must be capable of providing Sourcewell and Sourcewell Member pricing for purchases at Proposer's retail store locations. The primary focus of this solicitation is the offering of a web-based office supply catalog, but alternate forms of transaction (e.g., PO and invoice transactions) are a permissible ancillary service method.

This solicitation does not include those equipment, products, or services covered under categories included in contracts currently maintained by Sourcewell:

- a. RFP#091719 Event Seating and Staging Solutions with Related Accessories and Services;
- b. RFP#121919 Furniture Solutions with Related Accessories and Services; and,
- c. RFP #010920 Industrial and Workplace Storage Systems with Related Accessories

Proposers may include related equipment, accessories, and services to the extent that these solutions are complementary to the equipment, products, or service(s) being proposed.

Generally, the solutions for Sourcewell Members are turn-key solutions, providing a combination of equipment, products and services, delivery, and installation to a properly operating status. However, equipment or products only solutions may be appropriate for situations where Sourcewell Members possess the ability, either in-house or through local third-party contractors, to properly install and bring to operation those equipment/products being proposed.

Sourcewell prefers vendors that provide a sole source of responsibility for the products and services provided under a resulting contract. If Proposer requires the use of dealers, resellers, or subcontractors to provide the products or services, the Proposal should address how the products or services will be provided to Members and describe the network of dealers, resellers, and/or subcontractors that will be available to serve Sourcewell Members under a resulting contract.

Sourcewell desires the broadest possible selection of products/equipment and services being proposed over the largest possible geographic area and to the largest possible cross-section of Sourcewell current and potential Members.

## C. <u>REQUIREMENTS</u>

It is expected that Proposers have knowledge of all applicable industry standards, laws, and regulations and possess an ability to market and distribute the equipment, products, or services to Members.

1. <u>Safety Requirements</u>. All items proposed must comply with current applicable safety or regulatory standards or codes.

- 2. <u>Deviation from Industry Standard</u>. Deviations from industry standards must be identified with an explanation of how the equipment, products, and services will provide equivalent function, coverage, performance, and/or related services.
- 3. <u>New Equipment and Products</u>. Proposed equipment and products must be for new, current model; however, Proposer may offer certain close-out equipment or products if it is specifically noted in the Pricing proposal.
- 4. <u>Delivered and operational</u>. Unless clearly noted in the Proposal, equipment and products must be delivered to the Member as operational.
- 5. <u>Warranty</u>. All equipment, products, supplies, and services must be covered by a warranty that is the industry standard or better.

# D. ANTICIPATED CONTRACT TERM

Sourcewell anticipates that the term of any resulting contract(s) will be four (4) years. An extension may be offered based on the best interests of Sourcewell and its members.

# E. ESTIMATED CONTRACT VALUE AND USAGE

Based on past volume of similar contracts, the estimated annual value of all transactions from contracts resulting from this RFP are anticipated to be USD \$500 Million; therefore, proposers are expected to propose volume pricing. Sourcewell anticipates considerable activity under the contract(s) awarded from this RFP; however, sales and sales volume from any resulting contract are not guaranteed.

# F. MARKETING PLAN

Proposer's sales force will be the primary source of communication with Members. The Proposer's Marketing Plan should demonstrate Proposer's ability to deploy a sales force or dealer network to Members, as well as Proposer's sales and service capabilities. It is expected that Proposer will promote and market any contract award.

# G. ADDITIONAL CONSIDERATIONS

- 1. Contracts will be awarded to Proposers able to best meet the need of Members. Proposers should submit their complete line of equipment, products, or services that are applicable to the scope of this RFP.
- 2. Proposers should include all relevant information in its proposal. Sourcewell cannot consider information that is not provided in the Proposal. Sourcewell reserves the right to verify Proposer's information and may request clarification from a Proposer, including samples of the proposed equipment or products.
- 3. Depending upon the responses received in a given category, Sourcewell may need to organize responses into subcategories in order to provide the broadest coverage of the

requested equipment, products, or services to Members. Awards may be based on a subcategory.

4. A Proposer's documented negative past performance with Sourcewell or its Members occurring under a previously awarded Sourcewell contract may be considered in the evaluation of a proposal.

## III. <u>PRICING</u>

## A. <u>REQUIREMENTS</u>

All proposed pricing must be:

- 1. Either Line-Item Pricing or Percentage Discount from Catalog Pricing, or a combination of these:
  - a. **Line-item Pricing** is pricing based on each individual product or services. Each line must indicate the Vendor's published "List Price," as well as the "Contract Price."
  - b. **Percentage Discount from Catalog or Category** is based on a percentage discount from a catalog or list price, defined as a published Manufacturer's Suggested Retail Price (MSRP) for the products or services. Individualized percentage discounts can be applied to any number of defined product groupings. Proposers will be responsible for providing and maintaining current published MSRP with Sourcewell, and this pricing must be included in its proposal and provided throughout the term of any Contract resulting from this RFP.
- 2. The Proposer's ceiling price (Ceiling price means that the proposed pricing will be considered as the highest price for which equipment, products, or services may be billed to a Member). However, it is permissible for vendors to sell at a price that is lower than the contracted price;
- 3. Stated in U.S., and Canadian dollars for Proposers intending to sell in Canada (as applicable); and
- 4. Clearly understood, complete, and fully describe the total cost of acquisition (e.g., the cost of the proposed equipment, products, and services delivered and operational for its intended purpose in the Member's location).

Proposers should clearly identify any costs that are NOT included in the proposed product or service pricing. This may include items such as installation, set up, mandatory training, or initial inspection. Include identification of any parties that impose such costs and their relationship to the Proposer. Additionally, Proposers should clearly describe any unique distribution and/or delivery methods or options offered in the Proposal.

## B. ADMINISTRATIVE FEES

Proposers are expected to pay to Sourcewell an administrative fee in exchange for Sourcewell facilitating the resulting contracts. The administrative fee is normally calculated as a percentage

of the total sales to Members for all contracted equipment, products, or services made during a calendar quarter, and is typically one percent (1%) to two percent (2%). In some categories, a flat fee may be an acceptable alternative.

# IV. <u>CONTRACT</u>

Proposers awarded a contract will be required to execute a contract with Sourcewell. Only those modifications the Proposer indicates in its proposal will be available for discussion. Much of the language in the Contract reflects Minnesota legal requirements and cannot be altered. Numerous and/or onerous exceptions that contradict Minnesota law may result in a proposal being disqualified from further review and evaluation.

To request a modification to the Contract terms, conditions, or specifications, a Proposer must complete and submit an Exceptions to Terms, Conditions, or Specifications Form, with all requested modifications, through the Sourcewell Procurement Portal at the time of submitting the Proposer's response.

## V. <u>RFP PROCESS</u>

## A. <u>PRE-PROPOSAL CONFERENCE</u>

Sourcewell will hold an optional, non-mandatory pre-proposal conference via webcast on the date and time noted on page one of this RFP and on the Sourcewell Procurement Portal. The purpose of this conference is to allow potential Proposers to ask questions regarding this RFP and Sourcewell's competitive contracting process. Information about the webcast will be sent to all entities that requested a copy of this RFP through the Sourcewell Procurement Portal. Pre-proposal conference attendance is optional.

## B. QUESTIONS REGARDING THIS RFP AND ORAL COMMUNICATION

Repetitive questions will be summarized into a single answer and identifying information will be removed from the submitted questions.

All questions, whether specific to a Proposer or generally related to the RFP, must be submitted using this process. Do not contact individual Sourcewell staff to ask questions or request information as this may disqualify the Proposer from responding to this RFP. Sourcewell will not respond to questions submitted after the deadline.

## C. ADDENDA

Sourcewell RFP #012320 Office Supply Catalog Solutions Page 7 Sourcewell may modify this RFP at any time prior to the proposal due date by issuing an addendum. Sourcewell accepts no liability in connection with the delivery of any addenda.

Before a proposal will be accepted through the Sourcewell Procurement Portal, all addenda, if any, must be acknowledged by the Proposer by checking the box for each addendum. It is the responsibility of the Proposer to check for any addenda that may have been issued up to the time for solicitation closing.

If an addendum is issued after a Proposer submitted its proposal, the Sourcewell Procurement Portal will WITHDRAW the submission and change the Proposer's proposal status to INCOMPLETE. The Proposer can view this status change in the "MY BIDS" section of the Sourcewell Procurement Portal Vendor Account. The Proposer is solely responsible to:

- i) make any required adjustments to its proposal;
- ii) acknowledge the addenda; and
- iii) Ensure the re-submitted proposal is RECEIVED through the Sourcewell Procurement Portal no later than the closing time and date shown in the Solicitation Schedule.

## D. PROPOSAL SUBMISSION

Any other form of proposal submission, whether electronic, paper, or otherwise, will not be considered by Sourcewell. **Only complete proposals that are timely submitted through the Sourcewell Procurement Portal will be considered. All proposals must be received through the Sourcewell Procurement Portal no later than the Proposal Due Date and time noted in the Solicitation Schedule above. It is recommended that Proposers allow sufficient time to upload the proposal and to resolve any issues that may arise. The closing time and date is determined by the Sourcewell Procurement Portal web clock.

In the event of problems with the Sourcewell Procurement Portal, follow the instructions for technical support posted in the portal. It may take up to twenty-four (24) hours to respond to certain issues.

Upon successful submission of a proposal, the Portal will automatically generate a confirmation email to the Proposer. If the Proposer does not receive a confirmation email, contact Sourcewell's support provider at <a href="mailto:support@bidsandtenders.ca">support@bidsandtenders.ca</a>.

To ensure receipt of the latest information and updates via email regarding this solicitation, or if the Proposer has obtained this solicitation document from a third party, the onus is on the Sourcewell RFP #012320 Office Supply Catalog Solutions Page 8 Proposer to create a Sourcewell Procurement Portal Vendor Account and register for this solicitation opportunity.
