WHEREAS, an application was duly filed by the applicant, Mark Payne, on behalf of Panattoni Development Company, with respect to the real property located at 2112 E. 223rd Street in the City of Carson (Los Angeles County Assessor Parcel No. 7315-008-049), and legally described in Exhibit “A” attached hereto, requesting the following entitlements to construct three tilt-up warehouses totaling 292,400 square feet with associated surface parking on a 14.2 acre project site:

- General Plan Amendment No 107-19 to change the land use designation from Business Park (BP) to Light Industrial (LI);
- Zone Change No. 183-20 to change the existing zoning from MH-D (Manufacturing, Heavy; Design Overlay) to ML-D (Manufacturing, Light; Design Overlay);

- A Mitigated Negative Declaration (MND) and Mitigation Monitoring and Reporting Program (MMRP); and

WHEREAS, the project application was deemed complete on December 19, 2019; and

WHEREAS, the Planning Commission held a duly noticed public hearing on the project on July 29, 2020, during which it considered all evidence presented, both written and oral, and at the conclusion of which it adopted Resolution No. 20-2699, approving Design Overlay Review No. 1813-19 (subject to required City Council approvals), and recommending to the City Council approval of MND/MMRP, Zone Change No. 183-20, and General Plan Amendment No. 107-19 for the proposed project, subject to the conditions of approval attached to said resolution as Exhibit “B;” and

WHEREAS, on August 18, 2020, the City Council adopted Resolution No. 20-135, approving the MND/MMRP for the proposed project and approving General Plan Amendment No. 107-19.

WHEREAS, the City Council desires, by this ordinance, to approve Zone Change No. 183-20 for the proposed project as recommended by the Planning Commission, in connection with its approval of the other entitlements associated with the Project pursuant to Planning Commission Resolution No. 20-2699 and City Council Resolution No. 20-135.

**NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON
HEREBY ORDAINS AS FOLLOWS:**

SECTION 1. The foregoing recitals are true and correct, and are incorporated herein by reference.

SECTION 2. With respect to Zone Change No. 183-20, the City Council finds that:

- a) The zone change consists of changing the existing zoning designation of the parcel from MH-D (Manufacturing, Heavy – Design Overlay) to ML-D (Manufacturing, Light – Design Overlay).
- b) Changing the zoning on the project site to ML-D as proposed will allow the proposed use on the 14.2-acre project site, and will thereby facilitate the development of the project. The “down zoning” of the property is a preferred method to reduce the impacts of the heavy industrial uses on the community.
- c) The proposed zone change is compatible and consistent with the General Plan. The Light Industrial General Plan Land Use designation for the project site allows the proposed use.
- d) The zone change from MH-D to ML-D is compatible with the surrounding uses and is compatible/consistent with the General Plan land use designation of Light Industrial.

SECTION 3. Based on the aforementioned findings, the City Council hereby approves Zone Change No. 183-20, subject to the conditions of approval attached as Exhibit “B” to Planning Commission Resolution No. 20-2699.

SECTION 4. If any section, subsection, sentence, clause, phrase, or portion of this ordinance is, for any reason, held to be invalid or unconstitutional by the decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this ordinance. The City Council hereby declares that it would have adopted this ordinance and each section, subsection, sentence, clause, phrase, or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, or portions thereof may be declared invalid or unconstitutional.

SECTION 5. This ordinance shall be in full force and effect thirty (30) days after its adoption.

SECTION 6. The City Clerk shall certify to the adoption of this ordinance, and shall cause the same to be posted and codified in the manner required by law.

PASSED, APPROVED and ADOPTED at a regular meeting of the City Council on this 18th day of August, 2020.
