

## **AMENDMENT NO. 3**

### **TO AGREEMENT FOR CONTRACT SERVICES**

**THIS AMENDMENT TO THE AGREEMENT FOR CONTRACT SERVICES** ("Amendment No. 3") by and between the CITY OF CARSON, a California municipal corporation ("City") and MICHAEL BAKER INTERNATIONAL, INC., a Pennsylvania corporation ("Consultant") is effective as of the 18th day of October, 2020, except as otherwise provided with respect to specific provisions herein ("Effective Date").

### **RECITALS**

A. City and Consultant entered into that certain Agreement for Contractual Services dated October 18, 2016 ("Agreement") whereby Consultant agreed to provide on-call environmental consulting services for an initial three-year term and a contract sum not-to-exceed \$750,000 for all three years, \$250,000 annually, with City options to extend the term for up to two additional one-year periods.

B. On October 1, 2019, City and Consultant entered into Amendment No. 1 to the Agreement to: (1) exercise the City's first one-year option to extend the Term of the Agreement so that the Agreement expires on October 17, 2020; (2) increase the Contract Sum by \$250,000, for a not-to-exceed amount of \$1,000,000, to enable the City to continue to use Consultant's on-call environmental consulting services; and (3) to clarify that Section III of Exhibit "C," "Schedule of Compensation" is not applicable to the Agreement because the 10% retention requirement is not applicable to on-call services.

C. While over the duration of the initial term of the Agreement the annual not-to-exceed \$250,000 component of the Contract Sum was generally a fair estimate of the compensation to be paid to Consultant, due to the impracticalities of predicting the cost to the City in advance for any given year, the restrictions of the annual not-to-exceed \$250,000 amount created difficulties in administering the Agreement for those years where the annual compensation exceeds that amount. As a result, on June 2, 2020, City and Consultant entered into Amendment No. 2 to the Agreement to eliminate the annual not-to-exceed amount of \$250,000 (while leaving the Contract Sum remaining the same).

D. The high volume of development projects in the City necessitates the continued use of Consultant's on-call environmental consulting services to ensure development projects comply with CEQA requirements.

E. City and Consultant now desire to amend the Agreement a third time, for the following purposes: (1) to exercise the City's second one-year option to extend the Term of the Agreement, so that the Agreement expires on October 18, 2021; and (2) due to an anticipated increase in City's demand for Consultant's on-call environmental consulting services, to increase the contract sum by \$350,000, for a total not-to-exceed contract sum of \$1,350,000 over the full five-year term of the Agreement, in order to enable City to continue to use Consultant's on-call environmental consulting services until October 18, 2021. City and Consultant also hereby desire to ratify and reaffirm the continuous and uninterrupted term of the Agreement commencing from October 18, 2016, and continuing through the Effective Date of this Amendment No. 3.

F. Additionally, the name and entity description “Michael Baker International, a California corporation” used for Consultant in the Agreement and Amendment No.’s 1 and 2 was erroneous. The correct legal name and entity description is and at all relevant times has been “Michael Baker International, Inc., a Pennsylvania corporation.” City and Consultant therefore also intend, by this Amendment No. 3, to correct the foregoing discrepancy in the name of Consultant.
