Mrs. Sharon Landers
City Manager, City of Carson
701 E. Carson Street
Carson, CA 90745

Dear Mrs. Landers:

I have enclosed a proposal introducing you and the city of Carson to our firm. Our firm was founded by my father, Joe A. Gonsalves, in 1975. He served as a member of the California State Assembly from 1962 through 1974. Prior to that, he served as a Dairy Valley Council Member including two years as Mayor of the city of Dairy Valley, which is now the city of Cerritos.

In January 1977, I joined the firm after having worked for the California State Senate. Shortly after I joined the firm, we incorporated; and we are now known as Joe A. Gonsalves & Son. The political process in Sacramento is truly complex. In the three plus decades I have been lobbying in Sacramento I have had the opportunity to master such complexities, which enables our firm to be successful when representing our clients on particularly difficult and controversial issues.

In December of 1998, my son, Jason joined our firm to assist with our lobbying efforts. That gave our firm the proud distinction of being the first to have three generations of legislative advocates working on behalf of their clients, which continued until my father passed away in July 2000. Jason has successfully represented our clients before the Legislature and various State Agencies in the areas of local government finance, utilities and commerce, public employees' retirement, workers' compensation, environmental regulation, telecommunications, conflict of interest issues and redevelopment dissolution.

In October of 2004, Paul, joined our firm after most recently serving as a legislative aide to former Assemblymember Rudy Bermudez. Prior to working in the Assembly, he received a B.A. in Political Science and a minor in Public Administration from San Diego State University. Paul has successfully represented our clients before the Legislature and various State Agencies in the area of transportation, environmental quality, affordable housing, local governance and telecommunications. Our firm continues the proud tradition of being one of the more prominent and successful firms in Sacramento.

I have enclosed a list of our present clients. As you can see, we represent a large number of cities. We believe our base of client cities has provided us the unique opportunity to work with each member of the Legislature. Recognizing the number of Legislators coming out of local governments, we have established relationships prior to them being elected to the Legislature.

All of our standard contracts with our existing clients contains a 30-day cancellation clause, as we are confident in our ability to continue to provide your Agency with an unparalleled level of service. In our contract, we charge a retainer on a monthly basis. Our firm respectfully proposes a monthly retainer of \$4000.00. The retainer is all inclusive of the services we would provide for the City. We do not charge for any additional costs unless you require us to meet outside of Sacramento.

We represent a very distinguished group of clients other than cities. For example, Long Beach Transit, providing transit services throughout the Long Beach region; and Access Services, the only paratransit service provider in Los Angeles County. In addition, we represent Willdan, which provides professional services to over 400 public sector clients throughout California, Arizona and Nevada. I strongly believe it is this blend of special people who assist us in being as effective as we are.

Our firm operates on a very personal and professional level, always working hard to accomplish our clients' goals. The late Senator, Ken Maddy, coined our firm the "Gonsalvi". When asked what he meant by the nickname, Senator Maddy responded, "you're like alumni, when you guys are working an issue you are everywhere". Still today the members of the Legislature refer to us as "the Gonsalvi". **I would recommend you contact any Legislator and ask them about our firm.** In addition, we encourage you to discuss our representation with our clients.

We want you to know that we would be honored to represent the city of Carson as its legislative advocates. Should you have any questions or concerns, please feel free to contact me.

Sincerely,

ANTHONY D. GONSALVES

STATEMENT OF QUALIFICATIONS

Our firm is very proud of the accomplishments we have been able to achieve, both fiscally and legislatively, for all of our clients. An invaluable element of our success is the ongoing communication we maintain with the management team. In representing the City of Carson, our firm will work closely with your management team to prepare and achieve the City's priorities. Our firm maintains wonderful relationships, both personal and professional, with all members of the Legislature, which enables you to establish and maintain an ongoing presence in Sacramento.

Monitoring:

- Our firm actively monitors, reviews and participates in the daily activities of the Capitol and the State Agencies. We receive a copy of every bill introduced and each set of amendments. We will read each bill and the amendments and send those that we feel may be of interest to your City. In addition, as the legislative proposals develop, we provide you with fact sheets and analysis of the bills that may affect your City.
- Our firm proactively identifies any/all funding opportunities. In addition, we coordinate annual and/or bi-annual visits to Sacramento for your management team to meet with the various State Agencies and Legislative Committees to seek their input on any funding opportunities that may be available.

Legislative Platform:

- As previously mentioned, ongoing communication with your management team enables our success. We make ourselves available at your staff's convenience and we work proactively with them on the development and, most importantly, successful implementation of the City's legislative priorities. No matter the issue, our firm will work tirelessly to ensure a successful outcome.

Legislative Communications/Coordination of Legislative/Regulatory Efforts:

- Whenever the City adopts a position on legislation and/or proposed regulations, we cover all bases. We meet with the Author's office, the Committee Consultants (both Democrat and Republican), Legislative Leadership, all pertinent stakeholders, and provide testimony in each Committee in order to ensure your position is known and ultimately supported. Please note, our entire firm intentionally uses the same gonsalves@gonsalvi.com email address. We do this in order to make sure each member of the firm is aware of the issues of importance as we coordinate our efforts. Whenever we take on an issue, all three lobbyists actively advocate on your behalf.

Transparency:

- It is a tremendous honor for our firm to represent your City, one we take very seriously. Transparency and ethics are of upmost importance to our firm. There has been a Gonsalves walking the halls of the State Capitol since 1962 and we will never do anything to compromise "our" reputation (the Gonsalves' or the City of Carson's).

CONTRACT TYPE, OVERHEAD RATE AND FEES

Our standard contract we have with our existing clients contains a 30-day cancellation clause, as we are confident in our ability to continue to provide your City with an unparalleled level of service. In our contract we charge a retainer on a monthly basis. The retainer is all inclusive of the services we would provide for the City. We do not charge for any additional costs unless you require us to meet outside of Sacramento.

The scope of services we provide for our clients is outlined in very general terms. We purposely do this to ensure that each client has the flexibility to request any assistance our clients may require in Sacramento, such as setting up meetings with the appropriate legislators, Governor's office or the various state departments.

Our firm respectfully proposes a monthly retainer of \$4000.00. The retainer is all inclusive of the services we would provide for the City. We do not charge for any additional costs unless you require us to meet outside of Sacramento.

KEY PERSONNEL

Our firm intentionally does not divide up workload. We have three full time lobbyists in our firm and each lobbyist is fully engaged in our representation of your Agency. Our expectation is that each of us will be active in our representation of your organization based upon the following structure:

- Anthony Gonsalves, Lead Strategist/Advocate
- Jason Gonsalves, Lead Strategist/Advocate
- Paul Gonsalves, Lead Strategist/Advocate
- Stacey Scambray, Administrative Assistant (coordinates Secretary of State filings/contract documents).
- Sasha Land, Legislative Assistant

As an example, when a bill is being heard in committee, we feel compelled to have each of us in committee. One of us will provide testimony, one may be meeting with Members and/or staff in their offices and one will likely be pulling a member out of committee to request their support. It is very difficult for one lobbyist to actually lobby an entire committee alone.

As you know, we are a family firm with three lobbyists, Anthony Gonsalves (father), and his two sons, Jason and Paul Gonsalves. As with most family businesses, you can safely assume the organizational structure with one significant difference, we consider each and every one of our clients to be "the boss".
