Existing hookah lounges are exempted from the 70 minimum revenue percentage as long as the business remains in its current location AND under current ownership.  This policy not only applies to the sale of hookah tobacco at any location, but also to any flavored tobacco intended for onsite consumption at any tobacco bar. Further, it exempts existing hookah bars from the 70% sales requirement, which might theoretically mean that those shops could begin selling any type of flavored tobacco product as long as they still offer some (even minimal) amount of hookah smoking onsite.
