III. ANNUAL SPECIAL TAX - METHOD OF APPORTIONMENT

All Taxable Property shall be subject to a Special Tax defined as follows.

The Special Tax shall be levied each Fiscal Year by the District Administrator. The Annual Special Tax Requirement shall be apportioned to each Parcel of Taxable Property within the District by the method shown below.

- First. Determine the Annual Special Tax Requirement.
- Second. Levy the Special Tax on each Parcel of Developed Property, Proportionately, up to the Maximum Special Tax Rate described in Table 1 below to satisfy the Annual Special Tax Requirement.

TABLE 1
SPECIAL TAX RATES – TAX ZONE NO. 1
FISCAL YEAR 2018/19*

Property Type	Maximum Special Tax Rate	Per	Expected Special Tax Revenue
Non-Residential Property	\$1,971.51	Acre	\$9,189.21

**On each July 1, commencing on July 1, 2019, the Maximum Special Tax Rate for each Tax Zone shall be increased by the percentage change in the November annualized Consumer Price Index for Los Angeles-Long Beach-Anaheim for all Urban Consumers, the Tax Escalation Factor for Tax Zone No. 1.*

Should the total revenue for Tax Zone No. 1 not be fully realized when all Parcels in Tax Zone No. 1 are classified as Developed Property, the Special Tax rate per Acre shall be adjusted so that the Special Tax per Acre is sufficient to generate the total Expected Special Tax Revenue for Tax Zone No. 1, adjusted annually by the Tax Escalation Factor. The Maximum Special Tax Rate shall be the greater of the Maximum Special Tax Rate shown in Table 1, adjusted annually by the Tax Escalation Factor or the Special Tax Rate calculated to generate the total Expected Special Tax Revenue for Tax Zone No. 1, adjusted annually by the Tax Escalation Factor.

If a building permit has been issued after June 1 of the preceding Fiscal Year, the City may directly bill to meet the Annual Special Tax Requirement, as prorated based on the date the building permit is issued and the end of the Fiscal Year.

A different Maximum Special Tax Rate may be identified in Tax Zones added to the District as a result of future annexations.

IV. FORMULA FOR PREPAYMENT OF SPECIAL TAX OBLIGATIONS

The Special Tax may not be prepaid.

V. EXEMPTIONS

Notwithstanding any other provision of this Rate and Method of Apportionment of Special Tax, no Special Taxes shall be levied on (i) Public Property, (ii) Association Property, (iii) Assessor's Parcels with public or utility easements making impractical their utilization for any use other than the purposes set forth in the easement, or (iv) except as otherwise provided in Sections 53317.3 and 53317.5 of the Act.

VI. INTERPRETATION OF RATE AND METHOD OF APPORTIONMENT

The City reserves the right to make minor administrative and technical changes to this document that do not materially affect the rate and method of apportioning the Special Tax. In addition, the interpretation and application of any section of this document shall be at the City's discretion. Interpretations may be made by the City by ordinance or resolution for purposes of clarifying any vagueness or ambiguity in this Rate and Method of Apportionment of Special Tax.

VII. MANNER AND DURATION OF SPECIAL TAX

The Special Tax shall be collected in the same manner and at the same time as ordinary ad valorem property taxes, provided that the City may directly bill the Special Tax, may collect the Special Tax at a

different time or in a different manner if needed to meet the financial obligations of the District, and may collect delinquent Special Taxes through foreclosure or other available methods.

A Special Tax shall continue to be levied and collected within the District, as needed to fund the Annual Special Tax Requirement, in perpetuity.

VIII. APPEAL OF SPECIAL TAX LEVY

Any property owner may file a written appeal of the Special Tax with the District Administrator claiming that the amount or application of the Special Tax is not correct. The appeal must be filed not later than one calendar year after having paid the Special Taxes that are disputed, and the appellant must be current in all payments of Special Taxes. In addition, during the term of the appeal process, all Special Taxes levied must be paid on or before the payment date established when the levy was made.

The appeal must specify the reasons why the appellant claims the Special Taxes are in error. The District Administrator shall review the appeal, meet with the appellant if the District Administrator deems necessary, and advise the appellant of its determination.

If the property owner disagrees with the District Administrator's decision relative to the appeal, the owner may then file a written appeal with the City Council whose subsequent decision shall be final and binding on all interested parties. If the decision of the District Administrator or subsequent decision by the City Council requires the Special Taxes to be modified or changed in favor of the property owner, no cash refund shall be made for prior years' Special Taxes, but an adjustment shall be made to credit future Special Taxes.

This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to filing any legal action by such owner.
