ORAL COMMUNICATIONS FOR MATTERS NOT LISTED ON THE AGENDA (MEMBERS OF THE PUBLIC) (LIMITED TO ONE HOUR)

Karen – Letter Received February 10, 2021 – Non-Agendized

Loved the commitment and resolution that Mayor Davis-Holmes made to her husband and other elected officials’ spouses which was a grand gesture that should be extended to everyone elected or not and at all times. In her new-found quest to encourage respect and dignity to her

family and other elected officials, suggested the Mayor start in-house with herself and lead by example and not her past antiquated way of "do as I say, not as I do." Followed by encouraging the City Council Members, staff, etc. to do the same, holding herself and others accountable equally when they violated the resolution. People in the position are not granted automatic respect and dignity. It is something that you must earn, maintain, and reciprocate.
