Vasquez & Company, City's independent auditor, performed an audit of the City's financial state for year ended June 30, 2023. The summary of results focused on Financial Statements Audit, Single Audit, and Financial Reporting Highlights. The City's financial statements were fairly present, in all material respects, the City's financial position and changes in net position. No material weaknesses and significant deficiencies were noted on internal control over financial reporting. The City's significant accounting policies are appropriate and were consistently applied. There were no audit adjustments made to the original trial balance presented to begin the audit. No significant issues were discussed, or subject to correspondence, with management prior to retention. No irregularities, fraud or illegal acts came to the firm's attention as a result of the audit procedures. The City provided the firm with a signed copy of the management representation letters prior to issuance of the auditor's opinions. Management letter comments were issued to management.

The City has also received the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association (GFOA) for the fiscal year ended June 30, 2022. The GFOA's Certificate is the highest form of recognition in governmental accounting and financial reporting, and its attainment represents a significant accomplishment.
