IV. BACKGROUND

The City of Carson’s Pedestrian Safety Program provides Crossing Guard services for the Carson Community of Schools at twenty-five (25) locations (Exhibit No. 2). Twenty-two (22) of these sites are staffed by contracted Crossing Guards; the remaining three (3) sites are staffed by Part-Time City employees. In the event a Part-Time City employee is absent, the Contractor may be called upon to provide relief coverage for as long as needed.

On May 21, 2020, the Purchasing Division published IFB 20-01 via Planet Bids for

Contracted Crossing Guard Services at twenty-two (22) permanent locations and relief Crossing Guard coverage on an as-needed basis. The IFB states services shall be provided by the Contractor per day that school is in session for in-person instruction. IFB 20-01 for Contracted Crossing Guard Services closed at 5:00 pm on June 8, 2020. The City received six (6) complete proposals, with one (1) withdrawn.

The proposals were reviewed by Public Safety's Administrative Specialist and the Purchasing Division Manager. Each proposal was ranked based on the following criteria: (1) IFB compliance, (2) references, and (3) cost. The top scoring proposals based on the aforementioned criteria were selected for interviews, held June 15, 2020 to assess the following: (1) vendor's qualifications; (2) experience; (3) employee selection; (4) hiring and disciplinary procedure; and (5) employee training.

After a robust vetting process, staff determined that ACMS was the lowest responsive and responsible bidder under Carson Municipal Code Section 2610(i). On August 4, 2020 the City approved a three-year contract with All City Management Services, Inc., for a period of July 1, 2020 through June 30, 2023, at a not-to-exceed contract sum of \$1,137,154.00 with an administrative option of the City to extend the term for up to two additional one-year extensions.

Staff is requesting that City Council approve Amendment No. 1 (Exhibit No. 1) to exercise the first option to extend the term of the Agreement through June 30, 2024, for an additional cost of \$453,974.40 consistent with the amount established in Amendment No. 1 for such one-year period, thereby increasing the not-to-exceed contract sum to \$1,591,128.40.

V. FISCAL IMPACT

There is no impact to the general fund.
